Goffman's Legacy Javier A. Treviño, 2003-07-28 Erving Goffman 1922-82 was arguably one of the most influential American sociologists of the twentieth century A keen observer of the interaction order of everyday life Goffman's books which have sold in the hundreds of thousands continue to be widely read and his concepts have permanently entered the sociology lexicon This volume consists of ten original essays all written by prominent Goffman scholars that critically assess Goffman's many contributions to various areas of study including functionalism social psychology ethnomethodology and feminist theory

Goffman and Social Organization Greg Smith, 2002-11-01 Erving Goffman is considered by many to have been one of the most important sociologists of the post war era His close observation of everyday life and his concern with the ways in which people play roles and manage the impressions they present to each other led to his pioneering creation of a new dramaturgical perspective for sociology His later analysis explored the field of deviance and many of his works in this area are now considered as sociological classics including *Asylums* *The Presentation of the Self in Everyday Life* and *Stigma* This collection brings together many of today's leading sociologists to pursue and build upon the diverse aspects of Goffman's legacy The contributors present chapters on key topics of Goffman's work Issues covered include mental illness and institutionalism the incorporation of literary intertexts in Goffman's writings Goffman's relationship to ethnomethodology the singularity of Goffman's ethnography Ranging from his critique of institutionalization to his understanding of the minute details of face to face interaction this collection reveals the richness of Goffman's own work as well as his contribution to sociology today and will be essential reading for students and academics alike

Deciphering Goffman Ramon Vargas Maseda, 2017-03-27 Challenging the classical conception of Goffman's sociology this book offers a new interpretation based on a comprehensive examination of previous interpretations and critical assessments of Goffman's work Epistemologically the book acknowledges the important but overlooked influences of both pluralism and particularly of pragmatism where not only Simmel but also James and Dewey played a pivotal role in his work thus rooting Goffman's thought in symbolic interactionism With attention to two central theoretical principles underlying his work the pertinence of studying social interaction as given and the need and warrant to study face to face interaction in its own right the author presents a rigorous examination of Goffman's own writings to uncover the clear and recognizable process of systematization that Goffman followed throughout In this manner the book reveals the structure of Goffman's theory by way of mapping the main themes

topics concepts empirical referents methodological principles and theoretical frameworks relevant to the structure of his thought A fresh examination of the structure of Goffman s work that sheds light on the core of his unique approach this new study of one of the central figures of sociology constitutes an important contribution to scholarship in social theory and the history of sociology

The Anthem Companion to Erving Goffman Michael Hviid Jacobsen,2023-01-10 The purpose of the volume as with the other volumes published in the Anthem Press Companion to Sociology series is to provide a comprehensive overview of Erving Goffman s continued appeal and relevance within the field of sociology and related social science disciplines The book engages with some of the major themes and continuing concerns of Goffman s sociology The chapters included in the volume deal with some important aspects of Goffman s life and work that made him into the enigma that he was

The Routledge International Handbook of Goffman Studies Michael Hviid Jacobsen,Greg Smith,2022-06-29 This book explores the fertility and enigma of Erving Goffman s sociological reasoning and its capacity to shed fresh light on the fundamental features of human sociality Thematically arranged it brings together the work of leading scholars of Goffman s work to explore the concepts and themes that define Goffman s analytical preoccupations examining the ways these ideas have shaped significant fields of study and situating Goffman s sociology in comparison to some eminent thinkers often linked with his name Through a series of chapters informed by the same inventive and imaginative spirit characteristic of Goffman s sociology the book presents fresh perspectives on his contribution to the field and reveals the value of his thought for a variety of disciplines now increasingly aware of the importance of Goffman s sociology to a range of social phenomena A fresh perspective on the legacy of one of sociology s most important figures The Routledge International Handbook of Goffman Studies will appeal to scholars across the social sciences with interests in interactionist and micro sociological perspectives

The Contemporary Goffman Michael Hviid Jacobsen,2010-01-26 The sociology of Erving Goffman has inspired generations of sociologists throughout the world Students and scholars alike have in Goffman s unsurpassable and generous ability to capture the world of everyday life discovered an emporium of useful incisive and quite often humorous analyses concepts and ideas The Contemporary Goffman highlights the continued relevance of Goffman to sociology and related disciplines to theoretical discussions as well as to substantive empirical research through contributions dealing with a variety of topics and themes Some contributions concentrate on locating or reinterpreting Goffman s work as a special kind of sociology as is found in his literary sensibilities or his fieldwork strategies Others focus on overlooked aspects and neglected potentials of his sociology by applying his perspective to studies of gender emotions and violence while others still relate his concepts and ideas to substantive research areas such as the media mobile telephones hospitals surveillance technologies and tourism

The Social Thought of Erving Goffman Michael Hviid Jacobsen,Soren Kristiansen,2015 This new volume in the Social Thinkers series serves as an introduction to the life work and ideas of Erving Goffman

Erving Goffman and the Cold War Gary D. Jaworski,2023-08-07 Erving Goffman and the Cold War presents a provocative new

reading of the work of sociologist Erving Goffman Instead of viewing him as a marginal man or academic outsider Gary D Jaworski explores Goffman as a social theorist of the Cold War Goffman was deeply connected to both the ethos of his time and to a range of cold warriors and their critics such as Edward A Shils Thomas C Schelling and the researchers on brainwashing associated with the Walter Reed Army Institute of Research among others Chapters on loyalty betrayal secrecy strategy interrogation provocation and aggression concretely illustrate these connections Erving Goffman and the Cold War shows that Goffman was much more than a microsociologist of mundane life he was a perceptive analyst of the Cold War America New Perspectives on Goffman in Language and Interaction Lorenza Mondada,Anssi Peräkylä,2023-09-27 This collection highlights new perspectives on the work of Erving Goffman revisiting his place in contemporary social theory and interactional linguistics research and its impact in surfacing new insights in conversation analysis and our understanding of Goffman s legacy The volume outlines the theoretical foundations of Goffman s research across linguistics and the social sciences Bringing together a crossdisciplinary group of scholars the book is organized around these themes with sections on self and identity participation and bodily practices in social interaction Each chapter comprises three perspectives look back at Goffman s original texts their correlation in contemporary empirical research in conversation analysis and a discussion of conceptual implications in relevant fields such as interactional sociolinguistics linguistic anthropology critical sociolinguistics and related disciplines Taken as a whole the book not only offers a comprehensive critical overview of Goffman s legacy in empirical work in conversation analysis and the social sciences but also the conceptual grounding for new studies to investigate his continuing role in contemporary scholarship This innovative collection will be of interest to students and scholars in sociolinguistics linguistic anthropology and critical discourse analysis as well as sub disciplines of sociology and psychology Chapters 8 10 and 13 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Profiles in Contemporary Social Theory Anthony Elliott,Bryan S Turner,2001-07-23 This comprehensive book provides an indispensable introduction to the most significant figures in contemporary social theory Grounded strongly in the European tradition the profiles include Michel Foucault Jürgen Habermas Roland Barthes Jean Baudrillard Pierre Bourdieu Zygmunt Bauman Martin Heidegger Frederic Jameson Richard Rorty Nancy Chodorow Anthony Giddens Stuart Hall Luce Irigaray and Donna Haraway In guiding students through the key figures in an accessible and authoritative fashion the book provides detailed accounts of the development of the work of major social theorists and charts the relationship between different traditions of social cultural and political thought Goffman Unbound! Thomas J. Scheff,Bernard S Phillips,Harold Kincaid,2015-11-17 Thomas Scheff demonstrates why Goffman remains such a key figure for social scientists Goffman may have been cautious about recognizing the role of emotions in social life but Scheff boldly and creatively shows why the sociological and the psychological are necessarily intertwined This is certainly a book for all serious analysts of

social behaviour Michael Billig Nottingham University Scheff's critical eye is equal to his subject shrewdly appreciating Goffman's many virtues while also showing where and how Goffman's thinking needs revision and development This original and provocative book offers a fresh interpretation of Goffman and will become a benchmark for all subsequent commentary Greg Smith University of Salford One of the seminal sociologists of the twentieth century Erving Goffman revolutionized our understanding of the microworld of emotions and relationships We all live in this world every day of our lives yet it is virtually invisible to us Goffman's genius was to recognize and describe this world as no one had before The book synthesizes prior scholarly commentary on Goffman's work and includes biographical material from his life untangling some of the many puzzles in Goffman's work and life Scheff also proposes ways of filling gaps and false starts One chapter explores the meaning of the emotion of love another of hatred These and other new directions could facilitate the creation of a microsocial science that unveils the emotional relational world

Erving Goffman Greg Smith, 2006-09-27 Goffman is a major figure in twentieth century sociology who was also widely influential beyond academic sociology Smith's book offers a compact guide to Goffman's key ideas and the debates they have engendered Books by Goffman continue to sell well and for this one there is limited competition only two other monographs in English on Goffman both a dozen years old both longer than the proposed book Smith's book incorporates understandings generated by recent Goffman scholarship

The Blackwell Companion to Major Contemporary Social Theorists George Ritzer, 2008-04-15 The Blackwell Companion to Major Contemporary Social Theorists is a survey of contemporary social theory that focuses on the thinkers themselves In original essays especially commissioned for this volume leading experts and practitioners examine the life and work of 13 major theorists such as Elias Baudrillard Giddens and Butler Includes 13 original essays by leading scholars on major contemporary social theorists Covers key figures such as Elias Goffman Foucault Habermas Giddens Bourdieu and Butler Essays include biographical sketches the social and intellectual context and the impact of the thinker's work on social theory generally Includes bibliographies of the theorist's most important works as well as key secondary works Can be used in conjunction with The Blackwell Companion to Major Classical Social Theorists edited by George Ritzer for a complete reference source in social theory

The Chicago School Diaspora Jacqueline Low, Gary Bowden, 2013-12-01 When the University of Chicago was founded in 1892 it established the first sociology department in the United States The department grew rapidly in reputation and influence and by the 1920s graduates of its program were heading newly formed sociology programs across the country and determining the direction of the discipline and its future research Their way of thinking about social relations revolutionized the social sciences by emphasizing an empirical approach to research instead of the more philosophical armchair perspective that previously prevailed in American sociology The Chicago School Diaspora presents work by Canadian and international scholars who identify with what they understand as the Chicago School tradition Broadly

speaking many of the scholars affiliated with sociology at Chicago understood human behaviour to be determined by social structures and environmental factors rather than personal and biological characteristics Contributors highlight key thinkers and epistemological issues associated with the Chicago School as well as contemporary empirical research Offering innovative theoretical explanations for the diversity and breadth of its scholarly traditions The Chicago School Diaspora offers a fresh approach to ideas topics and approaches associated with the origins of North American sociology Contributors include Michael Adorjan University of Hong Kong China Gary Bowden University of New Brunswick Jeffrey Brown University of New Brunswick Tony Christensen Wilfrid Laurier University Luis Cisneros postdoctoral scholar University of Arizona Gary A Cook Beloit College Mary Jo Deegan University of Nebraska Lincoln Scott Grills Brandon University Mervyn Horgan University of Guelph Mark Hutter Rowan University Benjamin Kelly Nipissing University Rolf Lindner Humboldt University HafenCity University Germany Jacqueline Low University of New Brunswick Mourad Mjahed Peace Corps Rabat Morocco DeMond S Miller Rowan University Edward Nell New School for Social Research David A Nock Lakehead University Defne ver PhD candidate Cornell University George Park Memorial University Thomas K Park University of Arizona Dorothy Pawluch McMaster University Robert Prus University of Waterloo Antony J Puddephatt Lakehead University Isher Paul Sahni Concordia University Roger A Salerno Pace University William Shaffir McMaster University Greg Smith University of Salford UK Robert A Stebbins University of Calgary Izabela Wagner Warsaw University Poland and CEMS EHESS School for Advanced Studies in Social Sciences France and Yves Winkin ENS Lyon France

MISPERFORMANCE : essays in shifting perspectives Marin Blažević, Lada Ale Feldman, 2014-07-02 MISperformance essays in shifting perspectives is a collection of essays that address a spectrum of cultural organizational technological ecological political and daily performances by focusing on the causes and consequences of a misfire misconception misrecognition misnaming misfitting etc Aspects and impacts of MISperformance that are susceptible to provoking disturbances distortions alternations abortions if not disasters within diverse spheres of private and social life including aesthetic and political practices are investigated in the light of their potentially both regressive even tragic outcome and resistant even transgressive efficacy as also the absence or abandonment of any reason in or for performance

Erving Manuel Goffman Dmitri N. Shalin, 2024-12-03 Erving Goffman is the most cited American sociologist There is no shortage of studies exploring Goffman's scholarship but no extant biography of Erving Goffman The chief reason is that a man who looked behind the facades people erect to protect their private selves zealously guarded his own backstage This book is the first comprehensive biography of Goffman an intellectual of Russian Jewish descent who turned the Potemkin village trope into a powerful research program The present study shows how key turns in Goffman's career reflected dramatic events in his family and personal history It is based on the materials gathered in the Erving Goffman Archives a repository curated by the author who has been collecting documents and conducting interviews with Goffman's relatives colleagues and friends The archival work turned up documents which improve our

understanding of Goffman the scholar the teacher and the man The approach adopted in this investigation sheds new light on Goffman s scholarship which has had an enormous and continuous impact across the social sciences and humanities

Sociology in Theology K. Flanagan,2007-09-05 This is an original study of the sociological imagination in regard to visual culture It explores the reflexive dimensions of choice over seeing or not seeing in relation to paintings images and islands Bourdieu Goffman and Simmel provide the basis for insights into how reflexivity in sociology has unexplored theological implications

Sport Sociology Paul Beedie,Peter Craig,2010-05-24 A welcome addition for those who teach sports studies Used as a primer this book provides readers with excellent introduction to the key sociological concepts methods and theories and also offers useful examples and contextualised discussions that beginners to the realm of sociology will no doubt appreciate Beedie has compiled for students a good companion text that could certainly be used in conjunction with more detailed books and to guide students through more complex academic texts Students have certainly appreciated Beedie s efforts to help them apply sociological rigour to analysing their sporting worlds identities and experiences Geoffery Kohe Worcester University This should be highly useful for any sports studies students who are encountering the sociology of sport for the first time even those who have previously studied sociology Alison Cain Hertfordshire University Sociology is central to the study of sport in higher education This reader friendly textbook introduces all of the subject s core themes such as power diversity and mediation and relates them to major contemporary social issues such as commercialisation and globalisation Special emphasis is given throughout to examples drawn from the UK and to the significance of the 2012 Olympics Theoretical explanation is fully supported by case studies practical and reflective exercises and guidance on further study
