ESCAPE INTO
LIGHT

A NOVEL

The book cover features a detailed illustration of a Mediterranean-style courtyard. In the foreground, several large, weathered stone columns support a series of arches. The ground is paved with light-colored tiles. In the background, a person dressed in white stands on a path that leads towards a sandy beach and the ocean. A palm tree is visible near the person. The sky is a clear, bright blue. The overall atmosphere is one of a peaceful, sun-drenched location.

Lincoln Douglas, 2022-03-15 this is a book of stories and poetry about my life my beliefs and about my actions I also have a recorded version of this book and in that version in the middle of the recording the talking and the drumming fades to one minute of silence the idea was to slowly stop and reflect so if you disagree or even if you agree with me take a little time stop and reflect on life and whatever little change you can make make it because the world is changing i certainly hope my stories and poetry in some small way will remind you of your possibilities will assist you in revealing the meaning of your life and help you find a way of escape not a running away from but a form of securing a key for total fulfillment one of my many metaphors for life is a game of cards you have no choice of the cards you re dealt but by god you better learn to play play your best game and enjoy yourself while yuh playing **Darkness into Light** R.
