

Discussion of Fairy Tales Aspects

✓ Exclusively available on IvyPanda

Background

While appearing to be simple stories about Damsels in distress, fairy tales are full of hidden messages that impact children's perception of reality and influence their social relationships. Even though many fairy tales have been revised and rewritten over the years, they often remained their archaic and dichotomous worldviews, expressing discriminating gender roles and social norms, reinforced and propagated through a system of reward and punishment. Even in a more global and liberal world, the underlying values of these fairy tales continue to affect children, often unconsciously, for the rest of their lives. This research will explore several fairy tales, written by the Grimm Brothers, such as *Cinderella*, *Snow White*, and *Briar Rose (Sleeping Beauty)* that express, especially controversial social norms and gender roles. Through classroom discussions and performances children reevaluate meanings, scrutinize stereotypes and opinions they may have formed prematurely after first reading the fairy tales. While critical thinking is often considered as a product of education, age, and experience, this research shows that critical thinking is a skill that can be encouraged and actively reinforced at a young age already. The benefits of fostering and implementing critical thinking in young children in the context of fairy tales is especially crucial as critical thinking helps mitigate the strong influence of these fairy tales on the personalities of young children.

Research Questions

This research aims to find answers to the following questions:

- How do particular Grimms' fairy tales affect children's perception of reality?
- Can we develop critical thinking in children by, for example, engaging the fairy tale context critically through reading, analyzing, reenacting (role play), and discussing it with them?
- After increasing children's critical thinking, can we note changes in their judgments concerning social norms?

Essays And Tales

Susan Redington Bobby

Essays And Tales:

Fairy Tales Reimagined Susan Redington Bobby, 2014-01-10 Although readers and filmgoers are strongly familiar with Disney's sanitized child-centric fairy tales, they are quick to catch on to reworkings of classic tales into a contemporary context. The rise in such retellings seems to indicate that readers are hungry for a new narrative one that harkens back to the old yet moves the storyline forward to reflect conditions of the modern world. No mere escapist fantasies, the reimagined fairy tales of the late 20th and early 21st centuries reflect social, political, and cultural truths. Sixteen essays consider fairy tales recreated through short stories, novels, poetry, and the graphic novel from both best-selling and lesser-known writers applying a variety of perspectives including postmodernism, psychoanalysis, Marxism, feminism, queer theory, and gender studies. Along with the classic fairy tales fiction from writers such as Neil Gaiman, *Stardust*, and Gregory Macquire, *Wicked* is covered. *Essays, Tales, and Poems* Thomas Starling NORGATE (the Elder.), 1795 [Essays and Tales](#) John Sterling, 1848

Essays and Tales John Sterling, 1848 *Essays and Tales* Julius Charles Hare, Sterling John, 2019-03-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *Holden's Dollar Magazine of Criticisms, Biographies, Sketches, Essays, Tales, Reviews, Poetry, Etc., Etc.* Charles Frederick Briggs, 1848 *Hermann Hesse* Joseph Mileck, 2023-09-01 A critical biography far surpassing the previous ones. *Times Higher Education Supplement*. There are to be sure many writers whose biographies are more interesting than their fiction, but Hesse is not one of these. He led a long and sometimes eventful life with marital tensions, travel, controversy, crises, even some thoughts of suicide, and a period of time as a student in a home for retarded and unmanageable. In addition, there was his search, which led him through the culture and arts of West and East, his views of politics and society, of psychology and philosophy. The difference between Hesse and other writers is that virtually every shred and patch of his life was brought into his writing, his fiction, particularly. He had to write about himself, and there is little of what he wrote that is not confessional in form and therapeutic in function. Autobiography is the very matter of his work. Mileck's contribution is to extend and fill out the evidence of his life, his psychoanalysis, his drive toward self-realization, which was the very engine of his being, to show the raw material and thus to

invite readers to see how it was transmuted transfigured fantasized poeticized symbolized Los Angeles Times Hesse was a prolific author for some 60 years and his mind drew everything it contemplated into his private wars between flesh and spirit objectivity and subjectivity the longings for society and isolation No one is better qualified to disentangle this abundance than Mileck compiler of the huge two volume Hesse bibliography For completeness then no biography in English compares Kirkus Reviews Mileck provides his own translations of the German quotations from Hesse's works and the eight interpretive chapters are thoroughly indexed making the work readily accessible to researchers and students concerned with specific Hesse questions and themes This very readable book also contains a number of exceptional photographs which together with Mileck's fervor and understanding of the author help create a living image of Hesse the man and the artist Choice Professor Mileck brings to his task an acquaintanceship with Hesse's published and unpublished writings which borders on omniscience This is a literary biography which concentrates on the works and looks at the life of its subject briefly and always in relation to its involvement with the works This is true scholarship which does not make the book less readable and accessible to the general public a solid and valuable book which should make it easier to bring Hesse back into the orbit of serious appreciation in the English speaking world Books and Bookmen A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful Essays and Tales John Sterling, 2020-05-15 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We're happy to make these classics available again for future generations to enjoy

The Polite Instructor; Or, Youth's Museum: Consisting of Moral Essays, Tales... and Allegories Selected from the Most Approved Modern Authors. With an Introduction Containing Rules for Reading. To which is Added a Collection of Letters.. The Third Edition. To the Whole is Now Added, an Appendix.. Instructor, 1777 **Evangelical Magazine and Gospel Advocate**, 1835 Dickens the Journalist J. Drew, 2003-10-16 Dickens's career as a journalist spanned four decades during which he wrote over 350 articles reports sketches reviews leaders exposés satires and reminiscences This project offers the first critical guide to over a million words of vintage Dickens which have been much overlooked in continuous assessments and re-assessments of his novels It provides both a biographical and socio-historical account of the main phases of Dickens's career as a journalist and a critical assessment of the thematic and stylistic development of his work
