Pittsburgh,1907 **Classified Catalogue** Carnegie Library of Pittsburgh,1907 **Mark Twain Under Fire** Joe B.

Fulton,2018 Tracks the genesis and evolution of Twain s reputation as a writer revealing how and why the writer has been under fire since the advent of his career Threatened by a rival editor brandishing a double barreled shotgun young Samuel Clemens had his first taste of literary criticism Clemens began his long writing career penning satirical articles for his brother s newspaper in Hannibal Missouri His humor delighted everyone except his targets and it would not be the last time his writing provoked threats of dissection tomahawking libel and getting his head shot off Clemens adopted the name Mark Twain while living in the Nevada Territory where his caustic comedy led to angry confrontations a challenge to a duel and a subsequent flight Nursing his wounded ego in California Twain vowed to develop a reputation that wouldstand fire and in the process became the classic American writer Mark Twain under Fire tracks the genesis and evolution of Twain s reputation as a writer his reception as a humorist his return fire on genteel critics and the development of academic criticism As a history of Twain criticism the book draws on English and foreign language scholarship Fulton discusses the forces and ideas that have influenced criticism revealinghow and why Mark Twain has been under fire from the advent of his career to the present day when his masterpiece Huckleberry Finn remains one of America s most frequently banned books Joe B Fulton is Professor of English at Baylor University in Waco Texas He has published four previous books on Mark Twain **The Reverend Mark Twain** Joe B. Fulton,2006 I was made in His image Mark Twain once said but have never been mistaken for Him God may have made Mark Twain in His image but Twain frequently remade himself by adopting divine personae as part of his literary burlesque Readers were delighted rather than fooled when Twain adopted the image of religious vocation throughout his writing career Theologian Missionary Priest Preacher Prophet Saint Brother Twain Holy Samuel the Bishop of New Jersey and of course the Reverend Mark Twain Joe B Fulton has not written a study of Samuel Langhorne Clemens s religious beliefs but rather one about Twain s use of theological form and content in a number of his works some well known others not so widely read Twain adopted such religious personae to burlesque the religious literary genres associated with those vocations He wrote catechisms prophecies psalms and creeds all in the theological tradition but with a comic twist Twain even wrote a burlesque life of Christ that has the son of God sporting blue jeans and cowboy boots With his distinctive comic genius Twain entered the religious dialogue of his time employing the genres of belief as his vehicle for criticizing church and society Twain s burlesques of religious form and content reveal a writer fully engaged with the religious ferment of his day Works like The Innocents Abroad Adventures of Huckleberry Finn Personal Recollections of Joan of Arc Roughing It and What Is Man are the productions of a writer skilled at adopting and adapting established literary and religious forms

for his own purposes Twain is sometimes viewed as a haphazard writer but in *The Reverend Mark Twain* Fulton demonstrates how carefully Twain studied established literary and theological genres to entertain and criticize his society

Book jacket List of the writings of William Hazlitt and Leigh Hunt, chronologically arranged, with notes ... preceded by a review of, and extracts from Barry Cornwall's "Memorials of Charles Lamb" ... and a chronological list of the works of Charles Lamb Alexander IRELAND,1868 List of the Writings of William Hazlitt and Leigh Hunt, Chronologically Arranged; with Notes ... and a Selection of Opinions Regarding Their Genius and Characteristics, by Distinguished Contemporaries and Friends, as Well as by Subsequent Critics; Preceded by a Review Of, and Extracts From, Barry Cornwall's "Memorials of Charles Lamb;" with a Few Words on William Hazlitt and His Writings, and a Chronological List of the Works of Charles Lamb Alexander Ireland,1868 **D. H. Lawrence** Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence s life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time **The English Catalogue of Books** Sampson Low,1926 Volumes for 1898 1968 include a directory of publishers Henry James's Style of Retrospect Oliver Herford,2016-05-26 Henry James s *Style of Retrospect* traces James s engagement with the writing of the recent past across the last twenty five years of his life and examines the thoroughgoing change his style underwent in this last phase of his career as his focus turned from the observation of contemporary manners to biographical commemoration and autobiographical reminiscence and the balance of his output gradually shifted from fiction to non fiction The late personal writings of the book s subtitle are works of retrospective non fiction They are a varied group representing a broad array of genres and occasions commemorative essays and obituary tributes textual revisions and accounts of revisiting familiar places cultural and literary criticism biography and autobiography and family memoir Oliver Herford proposes that we read the late personal writings as a coherent sequence bound together by a close texture of cross references and allusive echoes and united by James s newly discovered sense for the literary possibilities of non fiction Closely analyzing the style of these writings this study offers a

boldly revisionist account of the way style itself challenges and preoccupies the very late James A linked series of innovative close readings takes the major works of this period in sequence addressing a key point of style in each particular attention is paid to procedures of reference to the historical past to real persons and places and objects a dimension of style often neglected and sometimes actively slighted in analyses of James s late work Henry James s *Style of Retrospect* asks what it means for so distinguished a novelist to alter the foundations of his written manner so strikingly in late life and shows how we may begin to reconfigure our understanding of late Jamesian aesthetics accordingly
