Essays in German and Dutch Literature William Douglas Robson-Scott, 1973 A selection of papers read to the Institute between November 1969 and May 1972 **Travel Writing in Dutch and German, 1790-1930** Alison E. Martin, Lut Missinne, Beatrix van Dam, 2017-01-06 This volume focuses on how travel writing contributed to cultural and intellectual exchange in and between the Dutch and German speaking regions from the 1790s to the twentieth century interwar period Drawing on a hitherto largely overlooked body of travelers whose work ranges across what is now Germany and Austria the Netherlands and Dutch speaking Belgium the Dutch East Indies and Suriname the contributors highlight the interrelations between the regional and the global and the role alterity plays in both spheres They therefore offer a transnational and transcultural perspective on the ways in which the foreign was mediated to audiences back home By combining a narrative perspective on travel writing with a socio historically contextualized approach essays emphasize the importance of textuality in travel literature as well as the self positioning of such accounts in their individual historical and political environments The first sustained analysis to focus specifically on these neighboring cultural and linguistic areas this collection demonstrates how topographies of knowledge were forged across these regions by an astonishingly diverse range of travelling individuals from professional scholars and writers to art dealers soldiers female explorers and scientific collectors The contributors address cultural aesthetic political and gendered aspects of travel writing drawing productively on other disciplines and areas of scholarly research that encompass German Studies Low Countries Studies comparative literature aesthetics the history of science literary geography and the history of publishing The Oxford Guide to Middle High German Howard Jones, Martin H. Jones, 2019 The Oxford Guide to Middle High German is the most comprehensive self contained treatment of Middle High German available in English It covers the language literature history and culture of German in the period from 1050 to 1350 and is designed for entry level readers advanced study teaching and reference The book includes a large sample of texts not only from Classical works such as Erec the Nibelungenlied Parzival and Tristan but also from mystical writing chronicles and legal documents the selection represents all major dialects and the full time span of the period The volume begins with an introduction that defines Middle High German linguistically geographically and chronologically Chapter 2 then provides a detailed exploration of the grammar covering sounds and spelling inflectional morphology syntax and lexis Each section in this chapter begins with a summary of the main points followed by detailed paragraphs for in depth study and reference Chapter 3 deals with versification discussing metre rhyme lines of verse in context and verse forms and includes practical tips for scansion Chapter 4 offers an account of the political and social structures of Medieval Germany and a survey of the principal types of texts that originated in the period The final chapter of the book comprises over forty texts each placed in context and provided with explanatory footnotes the first two texts to be taken together with the introductory grammar sections are aimed at newcomers A glossary provides full coverage of the vocabulary appearing in the

texts and throughout the book

An Introduction to Middle High German Howard Jones, Martin H. Jones, 2024-07-10 An Introduction to Middle High German is a dedicated student edition of The Oxford Guide to Middle High German Jones OUP 2019 designed for taught courses and self study It offers a detailed account of the language and literature of German in the period 1050 1350 including an introductory level grammar and a wide selection of texts with extensive explanatory material Following an initial chapter that defines Middle High German linguistically geographically and chronologically the grammar and lexis chapters offer a self contained introduction to the language The user friendly and accessible grammatical descriptions and explanations will allow entry level students to gain sufficient knowledge of the language to read and understand a range of Middle High German texts Chapter 4 comprises thirty textual passages each placed in context and with extensive explanatory footnotes to facilitate their use in teaching and class discussion The volume also offers two essential glossaries the first covering linguistic terms and the second offering definitions of the Middle High German vocabulary that appears throughout the book

German Romance: Lanzelet Michael Resler, Siegfried Richard Christoph, Kathleen J. Meyer, Cyril W. Edwards, Joseph Martin Sullivan, 2003 Text and facing translation of an important medieval German Arthurian romance Ulrich von Zatzikhoven's Lanzelet dating from the end of the twelfth century is a verse translation into Middle High German of what was probably an Anglo Norman romance now lost It presents the story of Lanzelet Lancelot but in quite a different version from Chr tien de Troyes Chevalier de la charrette The first half of the tale concerns Lanzelet's knightly and romantic exploits on his way to discovering his true identity while at the same time winning the beautiful Iblis as his wife The second half revolves around Lanzelet's efforts to defend the honor of the Arthurian court and reestablish his own and his wife's kingdoms As in much literature of the time sex violence and magic abound This volume presents the first full translation into English with a new facing edition of the Middle High German text It is accompanied by an introduction variant readings and notes to the translation Kathleen J Meyer teaches in the Department of Languages and Ethnic Studies Bemidji State University

Hamann and the Tradition Lisa Marie Anderson, 2012-04-30 Recent years have witnessed a resurgence of scholarly interest in the work of Johann Georg Hamann 1730 1788 across disciplines New translations of work by and about Hamann are appearing as are a number of books and articles on Hamann's aesthetics theories of language and sexuality and unique place in Enlightenment and counter Enlightenment thought Edited by Lisa

Marie Anderson Hamann and the Tradition gathers established and emerging scholars to examine the full range of Hamann's impact be it on German Romanticism or on the very practice of theology Of particular interest to those not familiar with Hamann will be a chapter devoted to examining or in some cases placing Hamann in dialogue with other important thinkers such as Socrates David Hume Friedrich Nietzsche Martin Buber Franz Rosenzweig and Ludwig Wittgenstein *Education in the Netherlands and in Italy* United States. Bureau of Education,1896 **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1991 *International Postmodernism* Hans Bertens,Douwe W. Fokkema,1997-02-20 Containing more than fifty essays by major literary scholars International Postmodernism divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of International Postmodernism The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i e the reader's knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title International Postmodernism A Companion to the Works of Hartmann Von Aue Francis G. Gentry,2005 In the course of perhaps twenty five years of creative productivity ca 1180 ca 1205 Hartmann von Aue authored a dispute about love between the body and the heart Die Klage ca 1180 85 numerous songs of courtly love crusading songs and most likely took part in a Crusade himself The essays in this volume written by scholars from North America and Europe offer insight into many aspects of Hartmann's oeuvre including the medieval and modern visual and literary reception of his works The volume also offers considerations of Hartmann and Chretien Hartmann's putative theological background and the influence of the Bible on his tales the reflection of his medical knowledge in Der arme Heinrich and Iwein and a complete survey of his lyric production Newer avenues of research are also presented with essays on issues of gender and on the role of pain as a constitutive part of the courtly experience Jacket **German Language and Literature** University of London.
