Follower Of Dusk:

The Forbidden Palace of the Wiseman George Harpen, 2010-04-30 As the leadership and government of the country becomes overruled by a dictator known as Snake Eyes the definition of success is more driven towards higher standards of greater monetary success As Snake Eyes standards slowly become widespread adventurers must adhere to this new standard The new brave adventurer known as Alejandro gets shunned and outcasted for not meeting up to this level of proficiency Unlike the last adventurer Gregorio Alejandro is more resentful towards those who shunned him As an outcast now he now searches for deeper truth in the matter why is this happening

The History of al-Ṭabarī Vol. 26 Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī, 1989-01-01 The years 738 745 121 127 which this volume covers saw the outbreak in Syria of savage internecine struggles between prominent members of the Umayyad family which had ruled the Islamic world since 661 41 After the death of the caliph Hisham in 743 125 the process of decay at the center of the Umayyad power the ruling family itself was swift and devastating Three Umayyad caliphs al-Walid II Yazid III and Ibrahim followed Hisham within little more than a year and the subsequent intervention of their distant cousin Marwan b Muhammad the future Marwan II could not arrest the forces of opposition that were shortly to culminate in the Abbasid Revolution of 750 132 In this volume al-Tabarī deals extensively with the end of Hisham's reign providing a rich store of anecdotes on this most able of Umayyad caliphs He also covers in depth the notorious lifestyle of al-Walid II the libertine prince and poet whose career has attracted much scholarly attention in recent years Moreover al-Tabarī chronicles at great length the events of the rebellion and death of the Shi'ite pretender Zayd ibn Ali al-Kafāh as well as recording in detail the activities farther to the east where Narin ibn Sayyār was serving as the last Umayyad governor of Transoxiana and Khurasan the very area from which the Abbasid Revolution was to spring The text also contains several official letters which shed much light on Umayyad propaganda and on early Islamic epistolary style The hindsight conferred by subsequent centuries highlights the full significance of these half dozen years or so Al-Tabarī documents the incubation of the Abbasid Revolution an event of great importance in world history and traces the failure of the principal Shi'ite revolt of the eighth century a debacle which was also to have serious repercussions for it generated the foundation of Zaydi principalities in Iran and the Yemen Yet even these major themes are secondary to the epic tale that al-Tabarī unfolds of the tragic downfall of the first dynasty in Islam

In Favor of Deceit Ellen B. Basso, 2022-07-12 In stories ranging from subtle creation myths to derisive off-color tales the Kalapalo Indians of central Brazil demonstrate a fascination with deception and its many functions In myths about tricksters and dupes they explore the ambiguity of human experience showing how important to human understanding is a sense of illusion paradox and contradiction Ellen Basso's new study of these stories considers their relationship to other kinds of Kalapalo activities involving deception and features a unique collection of South American Indian narratives translated directly from performances by master storytellers in their original Carib language Combining an ethnopoetic performance focused approach to storytelling with an action oriented

psychology Basso arrives at an ethnographic understanding of Kalapalo trickster myths and Kalapalo ideas about deception The commentary on the translations considers matters of theme discourse narrative progression and performance context The dialogical interactive nature of Kalapalo storytelling the development of characters through their conversations with one another and the many ways storytelling and ordinary life enrich one another are examined to reveal the complex psychology of trickster myths and the special tricksterish quality of day to day Kalapalo behavior Gleason's Monthly Companion, 1874
