Sokolova, Janice Valls-Russell, 2021-08-26 *The Merchant of Venice* and *Othello* are the two Shakespeare plays which serve as touchstones for contemporary understandings and responses to notions of the stranger and the other. This groundbreaking collection explores the dissemination of the two plays through Europe in the first two decades of the 21st century, tracing how productions and interpretations have reflected the changing conditions and attitudes locally and nationally. Packed with case studies of productions of each play in different countries, the volume opens vistas on the continent's turbulent history marked by the instability of allegiances and boundaries and shifting senses of identity in a context of war, decolonization, and migration. Chapters examine productions in Bulgaria, Hungary, Poland, Romania, Serbia, Italy, France, Portugal, and Germany to shed light on wide-scale European developments for the first time in English. In a final section, performance insights are offered by interviews with three directors: Karin Coonrod on directing *The Merchant of Venice* at the Venetian Ghetto in 2016; Plamen Markov on his 2020 *Othello* for the Varna Theatre, Bulgaria; and Arnaud Churin whose *Othello* toured France in 2019. In drawing attention to the ways in which historical circumstances and collective memory shape and refashion performance, Shakespeare's Others in 21st-century European Performance offers a rich review of European theatrical engagements with Otherness in the productions of these two plays.

Van Gogh in Popular Culture Lynnette Porter, 2015-12-25. Vincent van Gogh continues to fascinate more than a century after his death in 1890. Yet how much of what is commonly known about this world-renowned artist is accurate? Though he left thousands of works and a trove of letters, the definitive Van Gogh remains elusive. Was he a madman who painted his greatest pieces in a passionate fury, or a lifelong student of art, literature, and science who carefully planned each composition? Was he a loner dedicated only to his craft, or an active collaborator with his contemporaries? Why is he best known for self-mutilation and *The Starry Night*? This book has biographers, scriptwriters, lyricists, actors, museum curators, and tour guides among others presenting diverse interpretations of his life and work, creating a mythic persona that may in fact help us in the search for the real Van Gogh.
