MAINTAINING A PROJECT FILE AND PREPARING AN ADMINISTRATIVE RECORD FOR A NEPA STUDY

Preparing the administrative record for a complex project can be a major challenge. This Handbook provides a starting point for undertaking this important task.

Issues covered in this Handbook include:

- Maintaining accurate project files during the NEPA process
- Using the NEPA process to build a strong administrative record
- Identifying potential administrative record documents in project files
- Making judgment calls about what documents to include in the record
- Submitting the administrative record to the court

The Practitioner's Handbooks are produced by the AASHTO Center for Environmental Excellence. The Handbooks provide practical advice on a range of environmental issues that arise during the planning, development, and operation of transportation projects.

The Handbooks are primarily intended for use by project managers and others who are responsible for coordinating compliance with a wide range of regulatory requirements. With their needs in mind, each Handbook includes:

- key issues to consider;
- a background briefing;
- practical tips for achieving compliance.

In addition, key regulations, guidance materials, and sample documents for each Handbook is posted on the Center's web site at <http://environment.transportation.org>
