She has spent much of her life in prison and is now serving a life sentence In spite of these circumstances she has long had a reputation for helping other people and has blossomed even further recently obtaining a GED in prison and will soon have her associate s degree Fred grew up with all possible support from loving and intelligent parents graduated high in his class from Annapolis got much further education like Gwen had a reputation for helping others made far more money than he ever needed so gave much of it away then after retiring with a modest income had his remaining life savings extorted away by the aforementioned crooks He and Gwen grow more deeply in love every day
