Footnotes A Memoir:

Footnotes Tommy Tune, 2008-08-01 Here Tommy Tune shares the memories of a remarkable life from his coming of age in Texas to Broadway stardom From his first dance to his first love from his greatest successes to his biggest disappointments from boy next door in a small Texas town to a man and his dog alone in their Manhattan penthouse Tommy Tune takes the reader into his confidence with all the ease and grace you would expect from a dancer Starting in the chorus but moving quickly to center stage he won his first Tony for a supporting role in the musical Seesaw He quickly became one of Broadway's most celebrated stars A frank story about the trials tribulations triumphs and tragedies of a performer's life full of vivid anecdotes about major theatrical figures Photos *Emerson's Theories of Literary Expressions* Emerson Grant Sutcliffe, 1923 Memoirs, 1925 *Romano Guardini* Romano Guardini, 2023-03-01 This book is not just a history To be sure it offers an historical account of the life of Romano Guardini 1885-1968 as recounted by Guardini himself However it is not simply about the past Precisely because it deals with the life of a faithful and thoughtful person the book is also about the present and projects itself into the future For as Guardini always insisted leading a thoughtful and faithful life means being oriented toward the good life that is toward the vision of a just and loving community This orientation does not just happen by itself nor can it be imposed or dictated from above but has to be nurtured steadily by hearts open to the voice of the Spirit and the call of truth Seen in this way Romano Guardini occupies a crucial place in the world in his world in ours and in the world to come As he emphasizes beautifully at the end of his memoir *Narratives of My Life* Autobiographical Notes he never considered himself as an isolated individual nor as the spokesman of a dominant ideology or doctrine Rather his work was always energised by and in dialogue with a broader context a context which one of his mentors Max Scheler aptly called the life world *University of Illinois Studies in Language and Literature*, 1923 **Memoir Ethics** Mike W. Martin, 2016-02-10 *Memoir Ethics* Good Lives and the Virtues is a philosophical study of moral themes in memoirs exploring how memoirists present and defend perspectives on good lives It pays particular attention to the interplay of the virtues including their interplay with additional non-moral types of values in good lives More generally it explores the relevance of memoir to moral philosophy and in turn how moral philosophy enters into elucidating and critiquing memoirs Memoirs are understood as non-fiction narratives written by oneself and significantly about oneself including full life autobiographies Mike W. Martin explores perspectives on good lives as they are expressed in memoirs written by both philosophers and non-philosophers Most of the chapters focus on one of the generic aspects of good lives moral goodness authenticity meaningfulness happiness health and self-fulfillment The book clarifies how memoirists often employ life-based arguments in defending value perspectives and it includes a discussion of whether philosophers' memoirs are distinctive compared to memoirs by non-philosophers and also compared to other forums for doing philosophy Martin highlights some parallels between features of good lives and features of memoirs for example both can be said to be meaningful authentic and having virtues such as

wisdom and courage Demonstrating how memoirs are rich resources in exploring the good lives and exploring ways in which philosophical ethics provide tools for interpreting memoirs Memoir Ethics will be of interest to a broad audience of students scholars and general readers including anyone interested in ethics or the connections between literature and philosophy

The Memoirs of Toussaint and Isaac Louverture Arthur F. Saint-Aubin, 2015-07-15 This book examines the memoir of Toussaint Louverture a former slave general in the French army and leader of the Haitian Revolution and the memoir of his son Isaac The Revolution and its leaders have been studied and written about extensively Until recently 2004 however the memoir of Toussaint has received little attention and only as a historical document This is the first study that explores the 1802 work foremost as a literary text a creative production that deploys the techniques of fiction and drama to make truth claims about the past moreover this is the first book length study of Isaac Louverture s memoir The two texts are read as examples of how black men thought of themselves as men citizens and therefore how they expressed their masculinity at that historical moment as experiences of mourning and loss This study builds upon three areas of scholarship the tradition of memoir writing historicist readings of Toussaint s memoir and descriptions and theories of men and masculinity within the black Atlantic The study distinguishes itself in ways that will make it of interest to more than just historians in addition to using the intersection of race and masculinity as an analytical tool it speaks to the nature of literary creativity and it draws from studies examining the relationship between history memory and fiction As a result scholars and students in literary and cultural criticism as well as those in gender and diasporic studies will also find this study of interest and value

Unnecessary Footnotes to One: a Memoir Mark Williamson, 2018-04-04 In this companion source to Williamson s One a Memoir The author provides further detail to the exploration of his life and memory through a series of 128 unnecessary footnotes which reference each page of the original book In no other way is this book entertaining or readable except as a source for further development of the metaphors and memories contained in the original This second volume of the larger project is humbly offered to the reading public

Prisoners of the Sumatra Railway Lizzie Oliver, 2017-12-14 Prisoners of the Sumatra Railway is the first book to detail the experiences of British former prisoners of war POWs who were forced to construct a railway across Sumatra during the Japanese occupation It is also the first study to be undertaken of the life writing of POWs held captive by the Japanese during the Second World War and the transgenerational responses in Britain to this period of captivity This book brings to light previously unpublished materials including Exceptionally rare and detailed diaries notebooks and letters from the railway Memoirs from Sumatra including detailed recollections and post war statements written by key personnel on the railway such as Medical Officers and interpreters Remarkable original artwork created by POWs on Sumatra Contemporaneous photographs taken inside the camps Employing theories of life writing memory and war representation including transgenerational transmission Lizzie Oliver focuses particularly on what these documents can tell us about how former POWs tried to share preserve and make sense of their experiences It is a wholly

original study that is of great value to Second World War scholars and anyone interested in 20th century Southeast Asian history or war and memory

The Memoirs of Alton Augustus Adams, Sr. Alton Augustus Adams, 2008-04-02 Alton Augustus Adams Sr was a musician writer hotelier and the first black bandmaster of the United States Navy Born in the Virgin Islands in 1889 Adams joined the U S military in 1917 Although naval policy at the time restricted blacks to menial jobs Adams and his all black ensemble provided a bridge between the local population and their all white naval administrators His memoirs edited by Mark Clague with a foreword by Samuel Floyd Jr reveal an inspired activist who believed music could change the world mitigate racism and bring prosperity to his island home *The Long Journey of Noah Webster* Richard M. Rollins, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas

Memoirs Robert Lowell, 2022-08-02 A complete collection of Robert Lowell s autobiographical prose from unpublished writings about his youth to reflections on the triumphs and confusions of his adult life Robert Lowell s Memoirs is an unprecedented literary discovery the manuscript of Lowell s lyrical evocation of his childhood which was written in the 1950s and has remained unpublished until now Meticulously edited by Steven Gould Axelrod and Grzegorz Kosciuszko it serves as a precursor or companion to his groundbreaking book of poems Life Studies which signaled a radically new prose inflected direction in his work and indeed in American poetry Memoirs also includes intense depictions of Lowell s mental illness and his determined efforts to recover It concludes with Lowell s reminiscences of other writers among them T S Eliot Robert Frost Ezra Pound John Berryman Anne Sexton Hannah Arendt and Sylvia Plath Memoirs demonstrates Lowell s expansive gifts as a prose stylist and his powers of introspection and observation It provides striking new evidence of the range and brilliance of Lowell s achievement Includes black and white photographs [Memoirs](#)

Geological Survey of Great Britain, 1925 *The Memoirs of Robert and Mabel Williams* Robert F. Williams, Mabel R. Williams, 2025-05-09 Born in Jim Crow era Monroe North Carolina Robert F Williams and Mabel R Williams were the state s most legendary African American freedom fighters The Williamses leadership in Monroe was just the beginning of a lifelong pursuit of freedom and justice for Black people in the United States and for oppressed populations throughout the world Their activism foreshadowed major developments in the civil rights and Black Power movements including Malcolm X s advocacy of fighting oppression by any means necessary the emergence of the Black Panther Party and Black solidarity with Third World liberation movements Robert documented his experiences in Monroe in his classic 1962 book *Negroes with Guns* and completed a draft of his memoir *While God Lay Sleeping* months before his death in 1996 Mabel began a memoir of her own before her death in 2014 The family selected John Bracey Jr Akinyele K Umoja and Gloria Aneb House to edit and complete the manuscripts which are presented together in this book offering a gripping portrait of these pioneering freedom

fighters that is both deeply intimate and a fierce call to action in the ongoing fight against racial injustice **M. Tulli**

Edward Gibbon,1898 *A Christian Peace Experiment* Ian M. Randall,2018-03-14 This book examines part of the development of the Bruderhof community which emerged in Germany in 1920 Community members sought to model their life on the New Testament This included sharing goods The community became part of the Hutterite movement with its origins in sixteenth century Anabaptism After the rise to power of the Nazi regime the Bruderhof became a target and the community was forcibly dissolved Members who escaped from Germany and travelled to England were welcomed as refugees from persecution and a community was established in the Cotswolds In the period 1933 to 1942 when the Bruderhof's witness was advancing in Britain its members were in touch with many individuals and movements This book covers the Bruderhof's connections with among others the Fellowship of Reconciliation Dietrich Bonhoeffer the Peace Pledge Union the social work of Muriel and Doris Lester in East London Jewish refugee groups and artistic pioneers like Eric Gill As significant numbers of British people joined the Bruderhof its farming publishing and arts and crafts activities extended considerably But with the outbreak of the Second World War German members came to be regarded with suspicion and British members became unpopular locally because they were pacifists Although the Bruderhof was defended in Parliament notably by Lady Astor it seemed that German members would be interned as enemy aliens The consequence was that by 1942 over 300 community members had left England With Mennonite assistance they began to forge a new life in South America This book traces a remarkable Christian peace experiment being undertaken in a time of great political upheaval **To Tell a Black Story of Miami** Tatiana D. McInnis,2022-12-13 How portrayals of anti Blackness in literature and film challenge myths about South Florida history and culture In this book Tatiana McInnis examines literary and cultural representations of Miami alongside the city's material realities to challenge the image of South Florida as a diverse cosmopolitan paradise McInnis discusses how this favorable melting pot narrative depends on the obfuscation of racialized violence against people of African descent Analyzing novels short stories and memoirs by Edwidge Danticat M J Fievre Carlos Moore Carlos Eire Patricia Stephens Due and Tananarive Due as well as films such as *Dawg Fight* and *Moonlight* McInnis demonstrates how these creations push back against erasure by representing the experiences of Black Americans and immigrants from Caribbean nations McInnis considers portrayals of state sanctioned oppression residential segregation violent detention of emigres and increasing wealth gaps and concludes that celebrations of Miami's diversity disguise the pervasive adaptive nature of white supremacy and anti Blackness *To Tell a Black Story of Miami* offers a model of how to use literature as a primary archive in urban studies It draws attention to the similarities and divergences between Miami's Black diasporic communities a historically underrepresented demographic in popular and scholarly awareness of the city Increasing understanding of Miami's political social and economic inequities this book brings greater nuance to traditional narratives of exceptionalism in cities and
