Footsteps In The Rain:

Footsteps in the Rain Frank H. Lovegrove, 1973-01-01 *Alien Rain* Ruth Morgan, 2016-04-14 Bree is an ordinary girl living in a Martian city where everyone dreams of going back to Earth With her failing grades she is amazed when she is chosen for a mission to Earth a rare honour usually kept for the highest achieving pupils Why her But there are terrible shocks ahead Multiculturalism in Israel Adia Mendelson-Maoz, 2015-03-15 By analyzing its position within the struggles for recognition and reception of different national and ethnic cultural groups this book offers a bold new picture of Israeli literature Through comparative discussion of the literatures of Palestinian citizens of Israel of Mizrahim of migrants from the former Soviet Union and of Ethiopian Israelis the author demonstrates an unexpected richness and diversity in the Israeli literary scene a reality very different from the monocultural image that Zionism aspired to create Drawing on a wide body of social and literary theory Mendelson Maoz compares and contrasts the literatures of the four communities she profiles In her discussion of the literature of the Palestinian citizens of Israel she presents the question of language and translation and she provides three case studies of particular authors and their reception Her study of Mizrahi literature adopts a chronological approach starting in the 1950s and proceeding toward contemporary Mizrahi writing while discussing questions of authenticity and self determination The discussion of Israeli literature written by immigrants from the former Soviet Union focuses both on authors who write Israeli literature in Russian and of Russian immigrants writing in Hebrew The final section of the book provides a valuable new discussion of the work of Ethiopian Israeli writers a group whose contributions have seldom been previously acknowledged The picture that emerges from this groundbreaking book replaces the traditional homogeneous historical narrative of Israeli literature with a diversity of voices a multiplicity of origins and a wide range of different perspectives In doing so it will provoke researchers in a wide range of cultural fields to look at the rich traditions that underlie it in new and fresh ways **The Rain** Andrew Klavan, 2011-11-15 DIVA dead source draws a newspaperman into a murder investigation divDIV divDIV Mayforth Kendrick III is an unlikely name for a small time drug dealer As the grandson of a millionaire and the son of a Broadway mogul Kendrick was minted for success from birth But a fondness for controlled substances cut his education short forcing him to make a living pushing drugs on the theater glitterati with whom he once mingled New York Star reporter John Wells who occasionally uses Kendrick as a source may be his only friend He is also one of the last to see him alive divDIV divDIV He visits Kendrick s seedy Alphabet City apartment because the young man has pictures to sell showing a Senate candidate involved in unsavory extramarital activities Never a muckraker Wells passes on them The next day Kendrick is murdered and the pictures are gone Wells smells a scoop if he can only find the killer div
