

“Mother”

Your love was like moonlight
turning harsh things to beauty,
so that little wry souls
reflecting each other obliquely
as in cracked mirrors...
beheld in your luminous spirit
their own reflection,
transfigured as in a shining stream,
and loved you for what they are not.
You are less an image in my mind
than a luster
I see you in gleams
pale as star-light on a gray wall...
evanescent as the reflection
of a white swan
shimmering in broken water.

Morris, 2014-07-15 This perceptive carefully documented study challenges the traditional assumption that the supernatural virtually disappeared from eighteenth century poetry as a result of the growing rationalistic temper of the late seventeenth century Mr Morris shows that the religious poetry of eighteenth century England while not equaling the brilliant work of seventeenth century and Romantic writers does reveal a vital and serious effort to create a new kind of sacred poetry which would rival the sublimity of Milton and of the Bible itself Tracing the major varieties of religious poetry written

throughout the century by major figures and by their now vanished contemporaries the author explains how later poets and critics made significant departures from the established norms These changes in religious poetry thus become a valuable means of understanding the shift from a neoclassical to a Romantic theory of literature Powerful Poetry Adrienne Gear,2021-11-10 Powerful Poetry celebrates the beauty power and pleasure of poetry in the classroom This highly readable book outlines the many benefits of integrating poetry into your literacy program including building reading writing and speaking skills nurturing creativity and celebrating language Powerful Poetry provides practical enjoyable lessons for integrating poetry into your year long literacy program and engaging ways to introduce poetic structure language tools and devices Book lists introduce a wide range of wonderful poems and poets Ideal for new and experienced teachers who are looking to bring the power of poetry into their classroom *The Complete Old English Poems* ,2017-03-03 Includes the Junius manuscript Exeter book Vercelli book Beowulf and Judith metrical psalms of Paris Psalter and the meters of Boethius poems of the Anglo Saxon chronicle riddles charms and a number of minor additional poems *The Columbia Granger's Guide to Poetry Anthologies* William A.
