Kealey, 1995 This collection of twelve essays by Gregory Kealey will be of great interest to students and scholars of Canadian history labour history Marxist and socialist theory and history and political science

Handbook Global History of Work Karin Hofmeester, Marcel van der Linden, 2017-11-20 Coffee from East Africa wine from California chocolate from the Ivory Coast all those every day products are based on labour often produced under appalling conditions but always involving the combination of various work processes we are often not aware of What is the day to day reality for workers in various parts of the world and how was it in the past How do they work today and how did they work in the past These and many other questions comprise the field of the global history of work a young discipline that is introduced with this handbook In 8 thematic chapters this book discusses these aspects of work in a global and long term perspective paying attention to several kinds of work Convict labour slave and wage labour labour migration and workers of the textile industry but also workers organisation strikes and motivations for work are part of this first handbook of global labour history written by the most renowned scholars of the profession **Canadian History: Confederation to the present** Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover *Toronto's Poor* Bryan D. Palmer, Gaétan Héroux, 2016-11-23 Toronto s

Poor reveals the long and too often forgotten history of poor people's resistance. It details how people without housing, people living in poverty and unemployed people have struggled to survive and secure food and shelter in the wake of the many panics, downturns, recessions and depressions that punctuate the years from the 1830s to the present. Written by a historian of the working class and a poor people's activist, this is a rebellious book that links past and present in an almost two hundred year story of struggle and resistance. It is about men, women and children relegated to lives of desperation by an uncaring system and how they have refused to be defeated. In that refusal and in winning better conditions for themselves, Toronto's poor create the possibility of a new kind of society, one ordered not by acquisition and individual advance but by appreciations of collective rights and responsibilities.

*The Canadian Encyclopedia* James H. Marsh, 1999. This edition of *The Canadian Encyclopedia* is the largest, most comprehensive book ever published in Canada for the general reader. It is COMPLETE: every aspect of Canada, from its rock formations to its rock bands, is represented here. It is UNABRIDGED: all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume. It has been EXPANDED: since 1988, teams of researchers have been diligently fleshing out old entries and recording new ones; as a result, the text from 1988 has grown by 50% to over 4,000,000 words. It has been UPDATED: the researchers and contributors worked hard to make the information as current as possible. Other words apply to this extraordinary work of scholarship: AUTHORITATIVE, RELIABLE and READABLE. Every entry is compiled by an expert. Equally important, every entry is written for a Canadian reader, from the Canadian point of view. The finished work, many years in the making and the equivalent of forty average-sized books, is an extraordinary storehouse of information about our country. This book deserves pride of place on the bookshelf in every Canadian home. It is no accident that the cover of this book is based on the Canadian flag. For the proud truth is that this volume represents a great national achievement. From its formal inception in 1979, this encyclopedia has always represented a vote of faith in Canada, in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated. At the start of a new century and a new millennium, in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations, this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future. The statistics behind this volume are staggering. The opening sixty pages list the 250 Consultants, the roughly 4,000 Contributors, all experts in the field they describe, and the scores of researchers, editors, typesetters, proofreaders and others who contributed their skills to this massive project. The 2,640 pages incorporate over 10,000 articles and over 4,000,000 words, making it the largest, some might say the greatest Canadian book ever published. There are, of course, many special features. These include a map of Canada, a special page comparing the key statistics of the 23 major Canadian cities, maps of our cities, a variety of tables and photographs, and finely detailed illustrations of our wildlife, not to mention the colourful, informative endpapers. But above all, the book is encyclopedic, which the Canadian Oxford Dictionary describes as embracing all branches of learning. This means that, with rare exceptions,

there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

**Contested Spaces, Counter-Narratives, and Culture from Below in Canada** Roxanne Rimestad, Domenico A. Beneventi, 2019-02-28 Contested Spaces Counter narratives and Culture from Below in Canada and Quebec explores strategies for reading space and conflict in Canadian and Quebecois literature and cultural performances posing questions such as how do these texts and performances produce and contest spatial practices What are the roles of the nation city community and individual subject in reproducing space particularly in times of global hegemony and neocolonialism And in what ways do marginalized individuals and communities represent contest or appropriate spaces through counter narratives and expressions of culture from below Focusing on discord rather than harmony and consensus this collection disturbs the idealized space of Canadian multicultural pluralism to carry literary analysis and cultural studies into spaces often undetected and unforeseen including flophouses and slums shantytowns and urban alleyways underground spaces and peep shows and inner city urban parks as they are experienced by minorities and other marginalized groups These essays are the products of sustained high level collaboration across French and English academic communities in Canada to facilitate theoretical exchange on the topic of space and contestation uncover geographies of exclusion and generate new spaces of hope in the spirit of pioneering works by Henri Lefebvre Michel Foucault Michel de Certeau Doreen Massey David Harvey and other prominent theorists of space

**Media, Culture, and the Meanings of Hockey** Stacy L. Lorenz, 2017-04-21 This book examines the cultural meanings

of high level amateur and professional hockey in Canada during the late nineteenth and early twentieth centuries In particular the author analyzes English Canadian media narratives of Stanley Cup challenge games and championship series between 1896 and 1907 Hockey also played an important role in the construction of gender and class identities and in debates about amateurism professionalism and community representation in sport This book addresses important gaps in the study of sport history and the analysis of sport and popular culture It was originally published as a special issue of The International Journal of the History of Sport

**Unhomely States** Cynthia Sugars, 2004-02-11 Unhomely States is the first collection of foundational essays of Canadian postcolonial theory The essays span the period from 1965 to the present day and approach broad issues of Canadian culture and society They represent the impassioned conflicts dissonances and intersections among postcolonial theorists in English Canada Theories of Canadian postcolonialism are various and often contending The questions proliferate Is Canada postcolonial Who in Canada is postcolonial Are some Canadians more postcolonial than others Together the essays in this collection demonstrate both the historical development of this vigorous debate and its most prominent current perspectives The anthology comprises work originally written in English selected and arranged in order to demonstrate the dynamic nature of these discussions Included here are essays by many well known writers and theorists such as George Grant Northrop Frye Margaret Atwood Dennis Lee Robert Kroetsch Linda Hutcheon Diana Brydon Thomas King Terry Goldie Arun Mukherjee Smaro Kamboureli Stephen Slemon and Roy Miki The collection covers such topics as anti colonial nationalism settler invader theory First Nations contexts postcolonial pedagogy and critiques of Canadian postcolonialism A general introduction surveying the current field of postcolonial discourse in English Canada is also included

*At Odds* Suzanne Morton, 2003-12-15 Using a rich variety of historical sources Suzanne Morton traces the history of gambling regulation in five Canadian provinces Nova Scotia Quebec Ontario Manitoba and B C from the First World War to the federal legalization in 1969 This regulatory legislation designed to control gambling ended a long period of paradox and pretence during which gambling was common but still illegal Morton skilfully shows the relationship between gambling and the wider social mores of the time as evinced by labour governance and the regulation of vice Her focus on the ways in which race class and gender structured the meaning of gambling underpins and illuminates the historical data she presents She shows for example as Old Canada the Protestant Anglo Celtic establishment declined in influence gambling took on a less deviant connotation a process that continued as charity became secularized and gambling became a lucrative fundraising activity eventually linked to the welfare state At Odds is the first Canadian historical examination of gambling a complex topic which is still met by moral ambivalence legal proscription and volatile opinion This highly original study will be of interest to the undergraduate history or social science student but will also hold the attention of a more general reader

**Canadian Marxists and the Search for a Third Way** Peter Campbell, 2000-01-01 Focusing on four individuals Canadian Marxists and the Search for a Third Way describes the lives and ideas of Ernest Winch Bill

Pritchard Bob Russell and Arthur Mould and examines their efforts to put their ideas into practice Campbell begins by looking at their childhoods in Great Britain particularly their religious upbringing He considers their family life their attitudes toward women and ethnic minorities what they were reading and what effect that reading had on their theory and practice He describes their lives as labor leaders and advocates of socialism revealing how tenaciously in an increasingly hierarchical bureaucratized and state driven capitalist society they held to the idea that socialism must be created by the working class itself This is a unique look at four Canadian Marxists and their struggle to create an educated disciplined democratic mass based movement for revolutionary change

Churches and Social Order in Nineteenth- and Twentieth-Century Canada Michael Gauvreau, Ollivier Hubert, 2006-08-07 Changing social and cultural strategies pursued by Protestant and Catholic religious institutions have shaped the social order in Quebec and English Canada Through a sustained comparison of Protestantism and Catholicism this volume explores the transition from pre industrial to industrial society and challenges conventional chronologies of religious change
