This book provides the first detailed account of the formative decades of BBC televised sport when it launched its flagship programmes *Sportview*, *Grandstand* and *Match of the Day*. Based on extensive archival research in the BBC's written archives and interviews with leading producers, editors and commentators of the period, it provides a behind-the-scenes narrative history of this major institution of British cultural life. In 2016 the BBC celebrated the fiftieth anniversary of its television coverage of England's World Cup victory. Their coverage produced one of the most oft-played moments in the history of television: Kenneth Wolstenholme's famous line 'Some people are on the pitch, they think it's all over, it is now as Geoff Hurst scored England's fourth goal securing England's 4-2 victory'. It was a landmark in English football as well as a watershed in the BBC's highly professionalised approach to televised sport. How the BBC reached this peak of television expertise and who was behind their success in developing the techniques of televised sport is the focus of this book.

Randy Travis Diane Diekman, 2025-06-24. Randy Travis's 1986 breakthrough put him at the forefront of Nashville's new traditionalist sound and in the words of Garth Brooks 'saved country music'. The singer's warm baritone and all-time classic songs like 'Forever and Ever Amen' landed him atop the charts sixteen times. His cross-genre appeal brought a level of multiplatinum success that no country artist before him had ever achieved. Diane Diekman's biography follows the life and career of one of country music's most beloved figures. Steered from a troubled path as a teen, Travis served a long apprenticeship under manager and future wife Lib Hatcher before being rejected by the Nashville music industry as 'too country'. The single 'On the Other Hand' and his smash debut album did away with the doubters and began a dominant four-year run that stretched into ongoing success as a recording artist, trailblazing live performer and actor in film and television. Diekman uses dozens of interviews and in-depth research to fill in the details of Travis's pre-fame life and his enormous impact on country, popular and gospel music. From there, she pivots to telling the story of the singer's difficult divorce from Hatcher, subsequent problems with alcohol and run-ins with the law, and the challenges he overcame in the aftermath of a devastating 2013 stroke. Informed by a wealth of new research and interviews, *Randy Travis* is the first in-depth biography of the country music legend.

Beautiful young Irish horsewoman Caitlin Cleary wanted to be a jockey but knew it wasn't possible for a woman in the early 20th century. When he invited her ambitious social-climbing brother Eamonn to teach him the ropes and accompany him to Pinecroft, his estate deep in the mysterious New Jersey Pine Barrens, her joy was complete.
