Education Freedom Restoring Judeo-Christian Values Through Parental Choice:

Education & Freedom G. Dirk Mateer, 1993 **The Politics of School Choice** Hubert Morken, Jo Renee Formicola, 1999 The Politics of School Choice is the first comprehensive examination of diverse efforts to promote tax credits public vouchers private scholarships and charter schools Morken and Formicola provide the most current national report on the burgeoning American school choice movement They analyze the strategies and tactics being used by a wide variety of individuals and organizations to leverage change pass laws win court cases and mobilize community support to build successful winning school choice coalitions Based largely on extensive interviews documentary research and surveys this book covers the spectrum of school choice options and shows how they are being promoted in the United States today It explains who the players are what types of programs they endorse and the various rationales behind them The authors report the views of the entrepreneurs religious leaders heads of think tanks and foundations public litigators scholars activists minority leaders and politicians who are in the forefront of providing parents with resources for educational alternatives Finally Morken and Formicola cover the strengths and weaknesses of the school choice issue concluding that the movement has a wide ranging membership that is uneven in its implementation and that it is taking different forms in various regions of the country As the pace of change accelerates and new school choice programs proliferate this study is a critical resource for all those concerned about the present and future status of American education **Rebuilding American Education** Ralph Scott, 1979 **Whose Kids Are They Anyway?** Raymond R. Roberts, 2010-11-01 Raymond R Roberts makes a liberal s case for teaching religion and morality in public schools by first examining the intersection of religion and public education He shows how proposals for moral education in public schools are shaped by definitions of religion He argues that the public education s critics overstate the failures of public education because they examine public schools in isolation from negative trends in the family the economy the media etc From there he describes how a theory of spheres of influence gives us a better perspective from which to understand public education including its relationship with religion *Congressional Record* United States. Congress, 1992 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Changing Politics of Immigration and Race* Kimberly L. Ebert, 2009 *Phyllis Schlafly Report* , 1977 **Why We Whisper** David J. Woodard, Jim DeMint, 2007 Big government liberalism and a decline in our culture must be stopped For ammunition in the fight ahead read Why we whisper Rush Limbaugh Jacket *Fundamentalist Journal* , 1983 *National Failures and the Condemnation of US Higher Education* Allison L. Palmadessa, 2025-09-20 Since the first American colonial colleges higher education has served the nation as an arbiter of knowledge conduit of democratic idealism and producer of leaders workers

and innovation As the nation changed alongside world events and technological advancement postsecondary institutions supported growth met demands from the public and private sectors as well as states and the federal government heeding a call to perpetuate the US s position among nations as the undisputed world leader This was most evident in the immediate post World War II era with roots established much earlier Each chapter in this work focuses on a moment of crisis in American history that involves the relationship of higher education to national goals This work aims to fill a gap in the history of higher education and further our understanding of how an institution so appreciated in times of greatness can be rebranded by critics as negligent and harmful to national goals Chalcedon Report ,1996 The Jews of Africa and Asia: Contemporary Anti-Semitism and other pressures Tudor Parfitt,1987-11-01 The archetypal oppressed minority For centuries Jews have lived in Africa and Asia including the Middle East Over recent decades however their numbers have declined dramatically and in countries like Syria Iraq Iran Egypt and Morocco have been reduced sometimes to only a few hundred people Within a few generations these and other communities are likely to disappear altogether either because of the attraction that Israel provides or because of overt anti Semitic animosity For many there is a precarious balance between survival and persecution Persecution of Jews by a variety of host societies permeates history and continents In Europe anti Jewish prejudice existed in Greek and Roman times and later the Christian church waged ideological warfare for centuries against the synagogue Wide scale and violent destruction of Jewish lives and property erupted periodically especially in troubled times when people looked for scapegoats Waves of European Christian anti Semitism spread to many countries chiefly to areas of the Islamic world where traditional social and religious attitudes towards Jews provided fertile soil for discrimination Under Islam the State was required to protect Jews but they were nearly always reduced to second class citizens Alarmingly anti Semitic hostility has recently spread to countries where Jews have never lived and are virtually unknown such as in Japan By contrast there are a few countries in which small and less historic Jewish communities continue without discrimination The Jews of Africa and Asia the new Minority Rights Group Report provides an historical analysis of European and Islamic experiences of anti Jewish prejudice and persecution and the rise of contemporary anti Zionism The Report gives a graphic detailed picture of the current situations of Jewish communities remaining in Africa and Asia in a country by country survey It is essential reading for all those concerned with racism and history Commonwealth Record Australia,1986 **Congressional Record** United States. Congress,1975 *Research Centers Directory* ,1986 Research institutes foundations centers bureaus laboratories experiment stations and other similar nonprofit facilities organizations and activities in the United States and Canada Entry gives identifying and descriptive information of staff and work Institutional research centers and subject indexes 5th ed 5491 entries 6th ed 6268 entries **Books in Print Supplement** ,2002 **Marriages and Families** Agnes Czerwinski Riedmann,Mary Ann Lamanna,Adie Nelson,2002 This new adaptation of the best selling American text is contemporary covering such current topics as non traditional families Comprehensive

with all material being deemed essential by reviewers and Balanced with excellent historical and theoretical coverage of Canadian families Using the theme of choice the text helps students learn with weblinks at end of each chapter As We Make Choices boxes and A Closer Look At Diversity sections **Sociological Abstracts** Leo P. Chall,1988 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers *Time* ,1985 *The Boston Globe Index* ,1996
