## **Education In South Asia A Select Annotated Bibliography:**

**Education, Cultures, and Economics** Angela W. Little, Fiona E. Leach, 2013-06-17 This edited volume reviews the conflict between economic prescriptions for improved education in the developing world and local cultures Among the issues reviewed are conceptions of culture and economics in development and education literature economic considerations of school systems to promote cultural goals the differentiation of schools from other sites of cultural reproduction learning experiences of various cultural groups and the cross cultural work of development agencies **A Bibliographic Guide to**

**Educational Research** Dorothea M. Berry, 1990 585 new titles most published from 1980 to 1989 and 213 new editions and supplement volumes of titles cited in the second edition Appendix and extensive indexes Recommended for undergraduate bibliographic collections ARBA **Education and Disability in Cross-Cultural Perspective** Susan Jeanne

Peters, 2013-11-26 A radical departure from previous chronicles of education for people with disabilities this book views special education from a broader perspective Its central thesis is that cultural values and expectations play a dominant role in understanding the structure and function of special education While theories of the social construction of disability have been written about in a growing body of research since the 1960s no attempt has been made to create a cross cultural framework This work offers such a framework Eight chapters written by educators in each country s educational system cover the following nations China Great Britain Hungary Japan Iran Pakistan United States and Zimbabwe Historical discussions in each chapter provide a context for current practice An index and illustrations are also included

**Information Sources in the Social Sciences** David Fisher, Sandra Price, Terry Hanstock, 2018-02-19 No detailed description available for Information Sources in the Social Sciences *Russian Education* Brian Holmes, Gerald H.

**The Unification of German Education** Val Dean Rust, Diane Rust, 1995 This study of the integration of East and West German education following the collapse of the German Democratic Republic in 1989 focuses on policy formation and implementation during this period of great social and political turbulence It is the result of a research project undertaken shortly after the unification The authors lived in East Germany for a full year looking carefully at individual schools vocational training centers teacher colleges and universities They asked macro analytic questions What are the conditions in which educational policy is successfully formulated How is this educational policy implemented What are the consequences of this policy From the start West Germany demanded a complete dismantling of the educational system in the former German Democratic Republic West German political leaders insisted as a condition of unification that all important agreements concerning education made by the GDR states be accepted by the new states The authors research shows that even before the unification East Germans had already opted for a system consistent with West German education law However the West Germans disregarded these changes and imposed their own version of reform on East Germany The study

reveals that in this period of confusion the East Germans did not fully analyze the implications of the imposed conditions which now have unforeseen negative consequences The German situation is of great interest to all educators particularly students of educational policy making as well as researchers in political science economics and sociology

**Resources in Education**, 1999      **Understanding Educational Reform in Global Context** Mark Ginsburg, 2012-10-12 This book focuses on important theoretical and policy debates on educational reform with detailed analyses of reforms in 11 countries It also explores the effects of geographical location political ideology and economic structure on shaping educational reform Individual case studies are included on Australia Cote d Ivoire England Hungary Israel Mexico New Zealand Nicaragua Spain Tanzania and the United States The book covers the role of reform in changing education and addressing problems in the educational system as well as its wider role in deflecting crises in the political and economic system plus the effect of reform on educators and educators upon reform Extensive bibliography and reference lists accompany each chapter including the introduction and conclusion Contributors include N Dri Th rese Assi Lumumba John M Barrington Susan F Cooper Peter Darvas Sara Morgenstern de Finkel Esther E Gottlieb Tukumbi Lumumba Kasongo Don Martin Henry D R Miller Rolland Paulston Rajeshwari Raghu Susan Rippberger Susan L Robertson Carlos Alberto Torres George E Urch Roger R Woock and Hugo Zegarra

Teacher Education in Industrialized Nations Ivan Z. Holowinsky, Nobuo K. Shimahara, 2014-04-08 The original essays in this volume examine reform related issues in teacher education in Great Britain Canada Japan Ukraine United States and Western Europe A distinguished group of educators reviews the social context of the teacher the economics and value of teaching the pace of change government policy and teacher control of the profession and the evolving role of the teacher and education system in the face of political and social upheaval
