and other tools while the water search found two life vests one in the bay the other outside the Golden Gate oars and letters and photographs belonging to the Anglins that had been carefully wrapped to be watertight But no sign of the men was found Several weeks later a man s body dressed in blue clothing similar to the prison uniform was found a short distance up the coast from San Francisco but the body was too badly deteriorated to be identified Files show FBI investigation until 1980 Morris and the Anglins are officially listed as missing and presumed drowned [Http www.paperlessarchives.com/alcatraz.html](http://www.paperlessarchives.com/alcatraz.html)
