opera and winter games they finally patched together a crazy quilt map of Europe without regard for the welfare or ethnicity of its citizens. The resulting instability and endless conflicts coupled with the lure of freedom in America led to a mass exodus from Central Europe. However, the trip to America was fraught with suffering and mortal danger. Many were jailed or pressed into military service for trying to leave their homeland without permission. Thousands died during the ocean crossing. To pay their passage, some were forced to indenture themselves, which amounted to near slavery in many cases. Some were turned back after the harrowing crossing. Some were cheated by unscrupulous hucksters because they could not understand English. Many were forced into hazardous employment, such as appallingly dangerous coalmining. This tale deals with two young lovers who make the heart-wrenching decision to escape to America from Schleswig Holstein in 1835, knowing they will never see their families again.

Escape from Baghdad Carl Reinhard Raswan, 1978. Between 1927 and 1936, Carl Raswan traveled over a dozen times to Arabia, returning with Arabian horses for breeding in Europe and America. This is a reproduction of one of his accounts of his work and travels.

**Escape to Shelter Springs** Diana Fraser, Sophie Haydon, 2020-10-14. A woman fleeing control. A guilt-ridden rancher determined to protect what's his. An unplanned pregnancy that changes everything. Gemma Winters came to New Zealand for one reason: freedom. After escaping a suffocating relationship, the last thing she needs is another man trying to control her life. But when a storm strands her in a shepherd's hut with Callum Mackenzie, one passionate night changes everything. Callum has carried the guilt of his wife's death for years, convinced he failed to protect her when she needed him most. So when Gemma tells him she's pregnant, he knows exactly what he has to do: marry her and keep both mother and child safe. It's not about love; it's about responsibility. But Gemma didn't escape one controlling relationship only to enter another, even if this man's intentions come from a place of honor rather than manipulation. As they're forced into a marriage, neither wanted, both must confront their deepest fears. Can Callum learn that love means letting go? And can Gemma trust that not every man who wants to protect her is trying to cage her? A powerful story about healing from the past, learning to trust again, and discovering that sometimes the greatest act of love is setting someone free.
