Escape From The Kray Madness:

Escape from the Kray Madness Chris Lambrianou,1996 **Escape the Kray Madness** Chris Lambrianou,Robin McGibbon,2016 **The Kray Madness** Chris Lambrianou,Robin McGibbon,2016-05-05 For many the Kray twins are legends but for Chris Lambrianou they were something else entirely As a young East End tearaway Chris turned to crime to escape the grinding poverty of his life Armed robbery safe blowing fraud even attempted murder the big brash Cockney did the lot Then when he became too successful the Krays decided they wanted a slice of his action Pulled into their orbit Chris was unimpressed by a crime empire built on fear and alarmed to realise his brother Tony had become a paid up member of their firm Then Chris was lured to the party that ended in the murder of Jack the Hat McVitie Wanting to protect Tony Chris helped dispose of the body He was arrested along with the Krays and their firm and after a sensational trial he was jailed for life in 1969 In this searing autobiography he also describes what it s like to face life as a category A prisoner the beatings and harsh regime the friendship he found with other prisoners like Charlie Richardson and Bruce Reynolds Still in deep despair after years inside he tried to kill himself but ultimately found the strength not just to survive but to change his life forever **Celebrity Culture and Crime** R. Penfold-Mounce,2010-01-20 In the 21st century celebrities and celebrity culture thrives This book explores the much noted but little analyzed relationship between celebrity and crime Criminals who become celebrities and celebrities who become criminals are examined drawing on Foucault s theory of governance

Getting Away With Murder - The Kray Twins were convicted of four murders but in reality the deaths numbered ten Craig Cabell & Lenny Hamilton,2016-08-25 One time jewel thief Lenny Hamilton is still a well known character in the East End Respected for actually castigating the Kray brothers on television while they were still alive he wrote his autobiography Branded by Ronnie Kray which detailed Lenny s own life and the night when Ronnie Kray branded him with red hot pokers Lenny was an outspoken critic of the Krays even before their deaths and he has attempted to put the record straight concerning their celebrity status work for charity and the number o murders they committed aside from the well known victims Jack the Hat McVitie and George Cornell Lenny knew both of these men and believes that they didn t deserve to be murdered This is Lenny s second book written with Craig Cabell which blows away the myths surrounding the Kray murders and details other victims of the evil Brothers Grim Discussing the Twins life of crime with friends and acquaintances backed by cross referenced quotes and other documentation some from the National Archive Lenny has created a highly credible story that debunks the Krays celebrity status and shows them as even more reckless and murderous criminals than formerly believed Getting Away with Murder is the shocking story of Britain s most famous gangsters **The Krays and Me - Blood, Honour and Respect. Doing Porridge with The Krays** Charles Bronson,2007-04-30 Two names reigned supreme in London s underworld in the sixties Ronnie and Reggie Kray and it wasn t until 1969 that the twins went down at Brixton Prison for murder I was only seventeen on remand up in Risley Warrington for nicking a furniture lorry Most of the lads in

there had newspaper photos of the Krays stuck up on their cell walls They were the cream of the criminal crop and that s why I took such an interest in em Once I was put away it wasn t long before I got to meet them and over the next 29 years I got closer to the Krays than any self proclaimed henchman any autograph hunter As their trusted friend they let me in on it all no holds barred behind bars Since Ronnie and Reggie died all I ve heard is a load of bollocks Reggie shot my cat Ronnie stabbed my uncle Bert 75 times Reggie ran over my hamster I m Ronnie s son I m Reggie s daughter Gutless maggots spreading rumours with their sham stories for sale The shameless rats Well now the twins are gone and I can talk And let me tell you I ve got a lot to say and all the time in the world to say it No bollocks No silly stories Just the facts about the time I spent doing porridge with the Krays

Prison Break - True Stories of the World's Greatest Escapes Paul Buck,2012-04-19 In the folklore of World War II the memory of those heroes who staged Great Escapes from POW camps still endures But what of the other side of the coin the villains and jack the lads who painstakingly plan their escapes and await their moment at great personal risk For the first time Prison Break tells the stories of all the most ruthless and desperate bad boys and chancers who broke out of gaol and into the annals of criminal history While no one applauds the escape of a murderer or predator such men are invariably recaptured within a short time But in Paul Buck s definitive study of Notorious Prison Escapes we share the military style planning and minute by minute tension of more respected convicts those whose major economic or political crimes provide both the criminal support network and the audacious temperament needed to escape from heavy sentences and maximum security conditions

Transgression Chris Jenks,2003-12-16 Transgression is truly a key idea for our time Society is created by constraint and boundaries but as our culture is increasingly subject to uncertainty and flux we find it more and more difficult to determine where those boundaries lie In this fast moving study Chris Jenks ranges widely over the history of ideas the major theorists and the significant moments in the formation of the idea of transgression He looks at the definition of the social and its boundaries by Durkheim Douglas and Freud at the German tradition of Hegel and Nietzsche and the increasing preoccupation with transgression itself in Baudelaire Bataille and Foucault The second half of the book looks at transgression in action in the East End myth of the Kray twins in Artaud s theatre of cruelty the spectacle of the Situationists and Bakhtin s analysis of carnival Finally Jenks extends his treatment of transgression to its own extremity
