Eschatology Of Paul In The Light Of Mode:

Paul's Eschatological Anthropology Sarah Harding, 2016-02-01 In this study Sarah Harding examines Paul's anthropology from the perspective of eschatology concluding that the apostle's view of humans is a function of his belief that the cosmos evolves through distinct aeons in progress toward its telos. Although scholars have frequently assumed that Paul's anthropological utterances are arbitrary, inconsistent, or dependent upon parallel views extant in the first century world, Harding shows that these assumptions only arise when Paul's anthropology is considered apart from its eschatological context. That context includes the temporal distinction of the old aeon, the new aeon, and the significant overlap of aeons in which those in Christ dwell, as well as a spatial dimension that comprises the cosmos and the powers that dominate it, especially sin and the Holy Spirit. These eschatological dimensions determine the value Paul attaches to any particular anthropological aspect. Harding examines the cosmological power dominant in each aeon and the structures through which in Paul's view these influence human beings, examining texts in which Paul discusses *nous kardias* and *sympneuma* in each aeon.

Christian Eschatology and the Physical Universe David Wilkinson, 2010-07-29 This book argues that the Christian understanding of new creation speaks powerfully to both theologians and scientists. **Pauline Eschatology** Geerhardus Vos, 2015-06-26 This work is organized as follows: I The Structure of the Pauline Eschatology II The Interaction Between Eschatology and Soteriology III The Religious and Ethical Motivation of Paul's Eschatology IV The Coming of the Lord and Its Precursors V The Man of Sin VI The Resurrection VII Alleged Development in Paul's Teaching on the Resurrection VIII The Resurrection Change IX The Extent of the Resurrection X The Question of Chiliasm in Paul XI The Judgment XII The Eternal State Appendix The Eschatology of the Psalter. **Eschatology in Antiquity** Hilary Marlow, Karla Pollmann, Helen Van Noorden, 2021-09-29 This collection of essays explores the rhetoric and practices surrounding views on life after death and the end of the world, including the fate of the individual, apocalyptic speculation, and hope for cosmological renewal in a wide range of societies from Ancient Mesopotamia to the Byzantine era. The 42 essays by leading scholars in each field explore the rich spectrum of ways in which eschatological understanding can be expressed and for which purposes it can be used. Readers will gain new insight into the historical contexts, details, functions, and impact of eschatological ideas and imagery in ancient texts and material culture from the twenty-fifth century BCE to the ninth century CE. Traditionally, the study of eschatology and related concepts has been pursued mainly by scholars of Jewish and Christian scripture. By broadening the disciplinary scope but remaining within the clearly defined geographical milieu of the Mediterranean, this volume enables its readers to note comparisons and contrasts as well as exchanges of thought and transmission of eschatological ideas across Antiquity. Cross-referencing, high-quality illustrations, and extensive indexing contribute to a rich resource on a topic of contemporary interest and relevance. *Eschatology in Antiquity* is aimed at readers from a wide range of academic disciplines as well as non-specialists, including seminary students and religious leaders. The primary audience will comprise researchers

in relevant fields including Biblical Studies Classics and Ancient History Ancient Philosophy Ancient Near Eastern Studies Art History Late Antiquity Byzantine Studies and Cultural Studies Care has been taken to ensure that the essays are accessible to undergraduates and those without specialist knowledge of particular subject areas **The Jewish Apocalyptic**

Tradition and the Shaping of New Testament Thought Benjamin E. Reynolds, Loren T. Stuckenbruck, 2017-04-01 The contemporary study of Jewish apocalypticism today recognizes the wealth and diversity of ancient traditions concerned with the unveiling of heavenly matters understood to involve revealed wisdom the revealed resolution of time and revealed cosmology in marked contrast to an earlier focus on eschatology as such The shift in focus has had a more direct impact on the study of ancient pseudepigraphic literature however than in New Testament studies where the narrower focus on eschatological expectation remains dominant In this Companion an international team of scholars draws out the implications of the newest scholarship for the variety of New Testament writings Each entry presses the boundaries of current discussion regarding the nature of apocalypticism in application to a particular New Testament author The cumulative effect is to reveal as never before early Christianity its Christology cosmology and eschatology as expressions of tendencies in Second Temple Judaism New Testament Foundations Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of

scholarly experience of one of the most industrious contemporary scholars this work which was first published in 1975 has been revised updated and expanded to offer a fresh in depth introduction to the New Testament for today's students Students will be immersed into the world of the first century learning about both Greco Roman and Jewish backgrounds While discussing the fundamental questions surrounding the content of each book including its authorship audience and message this work also engages with the wider historical critical discussion helping students navigate the wider world of modern New Testament scholarship Biblical Eschatology Jeong Koo Jeon, 2021-10-01 Jeon's Biblical Eschatology explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history In a sense it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible As we live in the Global Mission Age under the grace of God it is vitally important and necessary to have a proper view of eschatology Jeon's book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical covenantal and eschatological worldview to live their lives for the glory of God actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second coming of Jesus Christ **Diversity in Paul's Eschatology** S. Sobanaraj, 2007 Study on the

works of Saint Paul the Apostle ca 10-67 Apostle to the Gentiles *Eschatology, Liturgy and Christology* Thomas P. Rausch, 2012-06-01 If Christian hope is reduced to the salvation of the soul in a heaven beyond death wrote Jürgen Moltmann it loses its power to renew life and change the world and its flame is quenched Thomas Rausch SJ agrees arguing that too

often the hoped for eschaton has been replaced by an almost exclusive emphasis on the four last things death and judgment heaven and hell But eschatology cannot be reduced to the individual salvation In his new book Rausch explores eschatology s intersections with Christology soteriology ecclesiology and perhaps most intriguingly liturgy With the early Christians he sees God s future as a radically social reality already present initially in Christian worship especially in the celebration of the Eucharist This fresh and insightful work of theology engages voices both ancient and contemporary

The Cultic Setting of Realized Eschatology in Early Christianity David Edward Aune, 2014-04-09

An Eschatological Imagination John M. Shields, 2008 In the twentieth century Christian eschatology the doctrine about the final reality became a storm center for Christian systematic theologians because of the rediscovery of the eschatological character of Jesus Christ In the twenty first century Christian theologians continue to wrestle with the claims of Christian eschatology because of a postmodern suspicion of eschatological certainty claims about a future that is after all objectively unavailable yet still of great human concern Human beings live on hope for the future An Eschatological Imagination recognizes the problem of the future for Christian eschatology Building on the major theological writings of David Tracy it offers a revised way of thinking and living eschatologically in the form of an eschatological imagination as a rhetoric of virtue an exhortation to live in Christian hope in a postmodern world and into an objectively unavailable and uncertain future Within such a rhetoric hope becomes action not mere sentiment that seeks to create a Christian eschatological future

Eschatology and Hope Anthony Kelly, 2006-01-01 Probes Christian wisdom and contemporary thought to help us give and accounting for the hope that is within us 1 Peter 3 15 in troubled and uncertain times

The Bible and the Future Anthony A. Hoekema, 1994-09-06 Writing from the perspective that the coming of God s kingdom is both present and future Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition The two major sections of the book deal with inaugurated eschatology the already and future eschatology the not yet Detailed appendix bibliography and indexes

Extending Mercy to the Gentiles John P. Harrigan, 2023-10-13 Paul s discipleship agenda was defined by his native Jewish apocalyptic worldview The novelties of his thought namely the death of Israel s Messiah the unique gift of God s Spirit and the intentional mission to the gentiles seem to be framed within the common Jewish eschatological parameters of the day of the Lord the judgment the resurrection of the dead and the messianic kingdom Moreover for Paul this eschatology was the primary driver of discipleship comforting in the midst of tribulation anchoring the gifts of the Spirit and informing divine mission Paul thus disciplined the gentiles into the hope of Israel

More Than Communion Scott MacDougall, 2015-05-21 The dominant contemporary model for ecclesiology theological views of the church itself is the ecclesiology of communion MacDougall argues that communion ecclesiologies are often marked by a problematic theological imagination of the future eschatology He argues further that as a result our ways of practising and being the church are not as robust as they might otherwise be Re imagining the church in the light of God s promised future then becomes a critical conceptual and practical task MacDougall presents a detailed

exploration of what communion ecclesiologies are and some of the problems they raise He offers two case studies of such theologies by examining how distinguished theologians John Zizioulas and John Milbank understand the church and the future how these combine in their work and the conceptual and practical implications of their perspectives He then offers an alternative theological view and demonstrates the effects that such a shift would have In doing so MacDougall offers a proposal for recovering the more to communion and to ecclesiology to help us imagine a church that is not beyond the world as in Zizioulas or over against the world as in Milbank but in and for the world in love and service This concept is worked out in conversation with systematic theologians such as Jürgen Moltmann Wolfhart Pannenberg and Johannes Baptist Metz and by engaging with a theology of Christian practices currently being developed by practical theologians such as Dorothy C Bass Craig Dykstra and those associated with their ongoing project The potential for the church to become an agent of discipleship love and service can best be realised when the church anticipates God's promised perfection in the full communion between God and humanity among human beings within human persons and between humanity and the rest of creation

Interpretation of Tongues and Prophecy in 1 Corinthians 12-14, with a Pentecostal Hermeneutics Jeon Ahn Yongnan, 2019-05-21 Bringing spiritual experience into the domain of biblical hermeneutics this book will certainly stimulate current debates within this field among both Pentecostals and Christians of other traditions The author also applies a Pentecostal hermeneutical methodology to Paul's teaching on tongues and prophecy in 1 Corinthians 12-14 opening possibilities to a Pentecostal pneumatology that tends instead to focus on the Lukan narrative Paul's texts are reconsidered not as doctrinal or situational documents but as dynamic communication within a living community

As It Was in the Beginning Mark Owens, 2015-10-15 Paul's comments regarding the new creation in 2 Cor 5:17 and Gal 6:15 have tended to be understood somewhat myopically Some argue the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ Others argue this phrase should be understood cosmologically and linked with Isaiah's new heavens and new earth Still others advocate an ecclesiological interpretation of this phrase that views Paul referring to the new community formed around Jesus Christ In *As It Was in the Beginning* Mark Owens argues that the concept of new creation should be understood like the gospel within the realm of Paul's anthropology cosmology and ecclesiology At the same time he also argues that Paul's understanding of new creation belongs within an *Urzeit/Endzeit* typological framework especially within 2 Cor 5:6 and Eph 1:2 This reading of new creation attempts to give due weight to the use of Isaianic traditions in 2 Cor 5:17 and Eph 2:13-17 Owens demonstrates that the vision of new creation in 2 Corinthians and Galatians is starkly similar to that of Ephesians

Biblical Eschatology Alvah Hovey, 1888 Biblical eschatology is understood by the writer to be an exposition of what the Bible teaches in respect to the end of this life and the conditions of human existence after death Apart from the Bible we have no trustworthy source of knowledge respecting the life to come The writer has endeavored to ascertain as far as possible the meaning of God's Word in relation to eschatology

and to exhibit that meaning as clearly as possible in this little book Preface **Ancient Egypt - Light Of The World, Volume 1** Gerald Massey, No one ever understood the mythology and Ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best when it comes down to Egyptian mythology occultism and interpretation It s a standard work no one wants to miss This is volume one out of two *Eschatological Unity* Piotr Zygulski, 2025-09-26 This book explores the potential for eschatology to serve as a common ground for both Catholicism and Sh a Islam The volume provides a comprehensive contextualization of contemporary approaches to theologies of religion by presenting a methodological framework and clarifying the concept of eschatological unity It further discusses the role of eschatological unity as a unifying theme in theological discourse suggesting it as a key to examine aspects of unity within Catholic eschatology and the Sh belief in the Im m Mahd Building on the Wings of Unity project this book ultimately reevaluates the shared experiences of Catholicism and Sh a Islam highlighting the potential for eschatological unity as a point of theological convergence This volume offers an insightful and thought provoking analysis for scholars interested in interfaith dialogue eschatology and theologies of religion
