

Hi Reddit,
I came across this subreddit today and since I love to hand-write, I thought I'd share my own penmanship! This is my normal, everyday handwriting I've written in this style for several years now. I like that it's quick to write, neat, and easy to read.

Sometimes I like to write in cursive. It's definitely not as neat and more difficult to write. But still, it's fun and pretty! Now my hand is starting to hurt, so I'll stop here. 😊

Sincerely,
ellechon
