Our company

Our company is called Globex corporation its an multinational company. Our company hires only experts in IT security, information system and IT business. Thus, the companys main goal is to help secure networks for banks, big successful companies, police departments, and the state security. The companys goal is to provide strong and secure, and hard-to-decode networks.StaffThe company has over 100 experts with different degrees in information system, management, information technology, security, computer science, and ethical hacking.

Who we worked with

Our company worked with several clients, such as bank of Abu Dhabi, Dubai and Abu Dhabi Police, hospitals around the UAE, ADNOC, hotels, and ADIA. Globex has also worked with small companies.

How the company works

Our headquarter is based in Dubai, but we also have a branch in every other Emirates. Our IT team is sent to the location and is given the permission to access the system. After our crew is in the companys system, they will analyze the problem that the company is experiencing and will help resolve it within 1-5 hours. After addressing the cause of the problem our team would start acting by setting up firewalls and remove any issue that needs to be removed, they will make sure your network is secure and cannot be accessed by hackers at all time. Our company seeks to be productive and professional.

Goal

Our main goal is to bring in the best IT experts in order to provide the maximum security our company could give to our clients. we also avoid lack of transparency, honesty, and privacy of systems and information.

Executive summary

Low productivity has been a major issue in companies for years since social media has been around. The purpose of the recommendation report is to differentiate between 2 apps and provide a solution in developing workplace productivity. A Comparison has been made and I chose to stick with BeFocused. It seemed to me that BeFocused had a better impact on users, it also achieves my companys goal. BeFocused guarantees that it can help users accomplish their work on time by providing them with a timer for 25 minutes on tasks and a short 5 minutes break between each task or a long 15 minutes break, this allows users to be productive and complete as many tasks as possible and not be under a lot of pressure. This is an app that aims to help employees increase their concentration at the w
