Essays in Honour of Elias Canetti ,1987 Essays in Honor of Elias Canetti Elias Canetti, Michael Hulse, 1986-03 Discusses the nature of power the visual arts crowds and Canetti's autobiographical nonfiction and fiction writings Essays in Honor of Elias Canetti, 1987-01-01 Science Meets Literature Dario Maestripieri, 2019-06-28 Elias Canetti s 1935 novel Auto da F original German title Die Blendung has traditionally been difficult to interpret and the author s intentions in writing it have remained unclear Science Meets Literature argues that Auto da F is a novel about human nature that illustrates the workings of the human mind and some universal aspects of human behavior and human social relationships Canetti s insights anticipated later scientific discoveries made by cognitive social and evolutionary psychology including the existence of irrational biases in human cognition e g in perception beliefs and decision making the strengths and limitations of human theory of mind skills i e our ability to think about other people s minds and read them the establishment maintenance and reversal of dominance in social relationships between two individuals and the role of dehumanization in harmful behavior Canetti intended to warn against the conviction held by some intellectuals that human nature can be denied controlled ignored or dismissed His approach in Auto da F was an original attempt at the integration of knowledge formation in sciences and humanities He pointed the way for future successful attempts at the integration of evolution cognitive science and literature as well as for the broader integration of sciences and humanities Essays on Elias Canetti David Darby, 2000 This Austrian writer and Nobel Laureate Auto da F Crowds and Power is hailed as one of the canonical authors of the modern period The End of Modernism William Collins Donahue, 2003-01-14 Nobel laureate Elias Canetti wrote his novel Auto da Fe Die Blendung when he and the twentieth century were still quite young Rooted in the cultural crises of the Weimar period Auto da Fe first received critical acclaim abroad in England France and the United States where it continues to fascinate readers of subsequent generations The End of Modernism places this work in its cultural and philosophical contexts situating the novel not only in relation to Canetti's considerable body of social thought but also within larger debates on Freud and Freudianism misogyny and modernism s fragmented subject anti Semitism and the failure of humanism contemporary philosophy and philosophical fads and traditionalist notions of literature and escapist conceptions of history The End of Modernism portrays Auto da Fe as an exemplum of analytic modernism and in this sense a crucial endpoint in the progression of postwar conceptions of literary modernism Elias Canetti Thomas H. Falk, 1993 Series Editors Bernth Lindfors University of Texas at Austin Robert Lecker McGill University David OConnell Georgia State University David William Foster Arizona State University Janet P rez Texas Tech University TWAYNES UNITED STATES AUTHORS ENGLISH AUTHORS and WORLD AUTHORS Series present concise critical introductions to great writers and their works Devoted to critical interpretation and discussion of an authors work each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view

An Authors Series volume addresses readers ranging from advanced high school students to university professors The book suggests to the informed reader new ways of considering a writers work A reader new to the work under examination will after reading the Authors Series be compelled to turn to the originals bringing to the reading a basic knowledge and fresh critical perspectives The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading The Elsewhere Adam Zachary Newton, 2005-08-03 The Elsewhere Or midbar biblical Hebrew for both wilderness and speech A place of possession and dispossession loss and nostalgia But also a place that speaks Ingeniously using a Talmudic interpretive formula about the disposition of boundaries Newton explores narratives of place flight border and beyond The writers of The Elsewhere are a disparate company of twentieth century memoirists and fabulists from the Levant Palestine Israel Egypt and East Central Europe Together their texts cunningly paired so as to speak to one another in mutually revelatory ways narrate the paradox of the near distance Crowds, Power, and **Transformation in Cinema** Lesley Brill, 2006 A noted critic brings crowd theory to Film Studies offering a bold new analysis of the pervasive cinematic themes of transformation and power From Intolerance to The Silence of the Lambs motion pictures show crowds and power in complex usually antagonistic relationships Key to understanding this opposition is an intrinsic capability of the cinema transformation Making unprecedented use of Elias Canetti's Crowds and Power Lesley Brill explores crowds power and transformation throughout film history The formation of crowds together with crowd symbols and representations of power create complex unifying structures in two early masterpieces. The Battleship Potemkin and Intolerance In Throne of Blood power seekers become increasingly isolated while the crowd of the dead seduces and overwhelms the living The conflict between crowds and power in Citizen Kane takes place both within the protagonist and between him and the people he tries to master North by Northwest Killer of Sheep and The Silence of the Lambs are rich in hunting and predation and show the crowd as a pack transformation true false and failed is the key to both attack and escape Brill s study provides original insights into canonical movies and shows anew the central importance of transformation in film Film theorists critics and historians will value this fresh and intriguing approach to film classics which also has much to say about cinema itself and its unique relationship to mass audiences Encyclopedia of German Literature Matthias

Konzett,2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings

Literature's Contributions to Scientific Knowledge Dario Maestripieri, 2019-02-08 The most important intellectual development in the academy in the 21st century has been the forging of new relationships between the sciences and the humanities and the realization that interdisciplinary scholarship holds the promise of the unification of all knowledge This groundbreaking book shows how this can be fulfilled Through a wide ranging analysis of arguments concerning the complementarity of arts and sciences advanced by Schelling and Goethe and those about the cognitive value of literature articulated by contemporary philosophers the book shows that literary fiction can contribute to the scientific understanding of human nature With a careful and original examination of autobiographical material and literary texts it demonstrates that European novelists such as Leopold von Sacher Masoch Italo Svevo and Elias Canetti conducted ambitious and innovative literary explorations of the human mind and human behavior using Darwinian theory as their scientific framework and in doing so they anticipated the theoretical developments and empirical findings of cognitive social and evolutionary psychology by almost 100 years The work of these novelists was largely misunderstood by literary scholars but this book s re discovery and illustration of what these writers attempted to accomplish and how they did it show one important path leading to the future unification of all knowledge about the human condition Monomania Marina Van Zuylen, 2018-05-31 This book is about the obsessive strategies people use to keep the arbitrary out of their lives it is about the fanaticism and intolerance linked to their ideas of perfection and permanence Those readers who have brushed against the dangers of the id e fixe who have come close to surrendering to something or someone diabolically seductive or coercive will recognize in these characters their own encounter with a dangerously systematized world From the introduction Monomania explores the cultural prominence of the id e fixe in Western Europe during the nineteenth and twentieth centuries Marina van Zuylen revives the term monomania to explore the therapeutic attributes of obsession She introduces us to artists and collectors voyeurs and scholars hypochondriacs and melancholics whose lives are run by debilitating compulsions that may become powerful weapons against the tyranny of everyday life In van Zuylen's view there is a productive tension between disabling fixations and their curative powers she argues that the id e fixe has acted as a corrective for the multiple disorders of modernity The authors she studies Charles Baudelaire Sophie Calle Elias Canetti George Eliot Gustave Flaubert and Thomas

Mann among them embody or set in motion different manifestations of this monomaniacal imperative Their protagonists or alter egos live more intensely more meaningfully because of the compulsive pressures they set up for themselves Monomania shows that transforming life into art or at least into the artful drives out the anxiety of the void and puts in its place something so orderly and meaningful that it can take on the aura of a religion Yale Companion to Jewish Writing and Thought in German Culture, 1096-1996 Sander L. Gilman, 1997-01-01 This work provides a history of Jewish writing and thought in the German speaking world Written by 118 scholars in the field the book is arranged chronologically moving from the 11th century to the present Throughout it depicts the contribution that Jewish writers have made to German culture and at the same time explores what it means to the other within that mainstream culture I Want to Keep Smashing Myself Until I Am Whole Elias Canetti, 2022-09-27 A brilliant selection Canetti s range astonishes Claire Messud Harper s A career spanning collection of writings by the Nobel laureate Elias Canetti edited and introduced by Pulitzer Prize winner Joshua Cohen He embarked on no adventures he was in no war He was never in prison he never killed anyone He neither won nor lost a fortune All he ever did was live in this century But that alone was enough to give his life dimension both of feeling and of thought Here in his own words is one of the twentieth century s foremost chroniclers a dizzyingly inventive formally unplaceable unstoppably peripatetic writer named Elias Canetti who was awarded the Nobel Prize in Literature in 1981 I Want to Keep Smashing Myself Until I Am Whole is a summa of Canetti's life and thought and the definitive introduction to a writer whose genius for interpreting world historical changes was matched by a keen sense of wonder and an abiding skepticism about the knowability of the self Born into a Sephardi Jewish family in Bulgaria Canetti later lived in Austria England and Switzerland while traversing in writing the great thematic provinces of his time politics identity mortality and more Sourced from Canetti s landmark texts including Crowds and Power an analysis of authoritarianism and mobs Auto da F a darkly comic daringly modernist novel about the fate of European literature the famous sequence of sensory titled memoirs including The Tongue Set Free and The Torch in My Ear and never before translated writings such as the posthumous The Book Against Death this collection assembles its luminous shards into the fullest portrait yet of Canetti's remarkable achievement Edited and introduced by Pulitzer Prize winner Joshua Cohen Book of Numbers The Netanyahus I Want to Keep Smashing Myself Until I Am Whole leads us from Canetti s polyglot childhood to his mature preoccupations and his friendships and rivalries with Hermann Broch James Joyce Karl Kraus Thomas Mann Robert Musil and others This collection is also interspersed with aphorisms and diary entries revealing Canetti's formal range and stylistic versatility in flashes of erudition and introspective humor Throughout we come to see Canetti s restless fascination with the instability of identity as one of the keys to his thought as he reminds us It all depends on this with whom we confuse ourselves **Notes from Hampstead** Elias Canetti, 2021-12-07 Notes from Hampstead is a map of the late Nobel laureate s thinking a triumphant compendium of aphoristic enigmatic and expository writings covering a characteristically diverse range of subjects Canetti is

a meticulous writer and in reading his notes one can easily see him hovering over a just formed sentence pencil in hand wondering whether to cut or to add or to leave well enough alone Publishers Weekly Europe Since 1945 Bernard A.
