## **Essays On Orthodox Christian-Jewish Relations:**

*Essays on Orthodox Christian-Jewish Relations* George C. Papademetriou, 1990 In recent years numerous studies have been published on Christian Jewish relations and dialogues yet very few concerning the involvement of the Orthodox Church in interfaith dialogues This existing need is becoming greater as contacts are more numerous today than ever before The present volume I believe fulfills this need It includes essays published in various religious journals to assist the English speaking reader to understand the principles that govern Orthodox Christian attitudes concerning the Jews The essays collected here will be helpful to those who see closer human interpersonal and interfaith relations

*Challenges in Jewish-Christian Relations* James Keltie Aitken, Edward Kessler, 2006 James K Aitken and Edward D Kessler have assembled here a widely diverse collection of essays on Jewish Christian relations a discipline that compared with other subjects studied in university and religious circles is relatively young Jewish Christian relations is a complex enterprise that cannot be reduced to simple theological or historical narratives it must take into account politics sociology education language history biblical studies hermeneutics and theology The contributors view their particular subject through the lens of all of these disciplines while ably meeting the challenge of looking toward the future Chapter One Introduction James K Aitken and Edward D Kessler Chapter Two Jews Facing Christians The Burdens and Blindness of the Past Marc Saperstein Chapter Three The Bible in Future Jewish Christian Relations John F A Sawyer Chapter Four The Orthodox Churches in Dialogue with Judaism Nicholas de Lange Chapter Five Jewish Russian Orthodox Christian Dialogue Irina Levinskaya Chapter Six Catholic Jewish Agendas Remi Hoeckman OP Chapter Seven Institutional Relations in Jewish Christian Relations Rev Friedhelm Pieper Chapter Eight The New Europe Nationalism and Jewish Christian Relations David Weigall Chapter Nine Israel within Jewish Christian Relations Andrew P B White Chapter Ten The Effect of the Holocaust on Jewish Christian Relations Stephen D Smith Chapter Eleven A Third Epoch The Future of Discourse in Jewish Christian Relations Peter Ochs and David F Ford Chapter Twelve Women s Voices in Jewish Christian Relations Christine Trevett Chapter Thirteen Considering a Jewish Statement on Christianity Edward Kessler and James K Aitken The Significance of Dabru Emet Edward Kessler What Does Christianity in Jewish Terms Mean James Aitken Chapter Fourteen Jewish Christian Relations in the Inter Faith Encounter Martin Forward Cumulative Bibliography List of Contributors Index

**The Gospel of John and Jewish-Christian Relations** Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to hoi ioudaioi a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express

several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world

### **Jews and Christians Together**

Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant s appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect
