Essays On Spiritual Bondage And Deliverance:

Essays on Spiritual Bondage and Deliverance Willard M. Swartley, 1988-05-01 This volume contains essays prepared for a consultation on the subject of demonic phenomena and the church's role in responding to it. The subject is addressed from numerous perspectives: biblical, theological, historical, psychological, sociological, and pastoral care. Though the dominant tradition represented is Mennonite, it contains other perspectives also: Roman Catholic, evangelical, Protestant, and charismatic.

Satan's Counterfeit Healing Lawrence E. Burkholder, 2019-09-30 The Christian church worldwide has been taken prisoner by Satan's counterfeit healing. This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. *Satan's Counterfeit Healing* presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45,000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi/paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing which have persisted ever since. These idolatries combined with OT nature gods were a backdrop to Jesus' true miracles. For two thousand years of church history, there's been a tug of war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic and esoteric energy/psi. Alongside these, the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

Jesus, Deliver Us Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart's cry from the Lord's Prayer. Evil wears many faces in our modern world. This book connects the Lord's Prayer to troubles of our times: be it attacks from Satan, the wars around the world, the scourge of racism, or the mass shootings of our time. The subtitle of the book identifies the scope. This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government. While the book aims to be a biblical theology on these topics, it seeks also to address the praxis: how these evils are confronted through healing/deliverance ministries and what people of God say and do in witness to the powers. The two streams of response to evil are really one: as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan, sin, evil, and death. Love your enemy confronts evil with power to transform.
