## **Essays On Woman Collected Works Of Edith Stein:**

**Essays on Woman** Edith Stein, 1996 With reason Edith Stein has been called the most significant German woman of this century Her writings on woman are the fruit of both reflection and debate with other leaders of the Catholic feminist movement in German speaking countries between the World Wars from back cover **The Collected Works of Edith Stein, Sister Teresa Benedicta of the Cross Discalced Carmelite** Lucy Gelber, Romaeus Leuven, **Essays on Woman** Edith Stein (sainte).), 1987 **The Collected Works of Edith Stein, Sister Teresa Benedicta of the Cross, Discalced Carmelite** Edith Stein, 1998 Edith Stein Essays on Woman Edith Stein, 2012-10-30 To help celebrate the fourth centenary of the birth of St John of the Cross in 1542 Edith Stein received the task of preparing a study of his writings She uses her skill as a philosopher to enter into an illuminating reflection on the difference between the two symbols of cross and night Pointing out how entering the night is synonymous with carrying the cross she provides a condensed presentation of John's thought on the active and passive nights as discussed in *The Ascent of Mount Carmel* and *The Dark Night* All of this leads Edith to speak of the glory of resurrection that the soul shares through a unitive contemplation described chiefly in *The Living Flame of Love* In the summer of 1942 the Nazis without warrant took Edith away The nuns found the manuscript of this profound study lying open in her room Because of the Nazis merciless persecution of Jews in Germany Edith Stein traveled discreetly across the border into Holland to find safe harbor in the Carmel of Echt But the Nazi invasion of Holland in 1940 again put Edith in danger The cross weighed down heavily as those of Jewish birth were harassed Sr Teresa Benedicta of the Cross's superiors then assigned her a task they thought would take her mind off the threatening situation The fourth centenary of the birth of St John of the Cross 1542 was approaching and Edith could surely contribute a valuable study for the celebration It is no surprise that in view of her circumstances she discovered in the subject of the cross a central viewpoint for her study A subject like this enabled her to grasp John's unity of being as expressed in his life and works Using her training in phenomenology she helps the reader apprehend the difference in the symbolic character of cross and night and why the night symbol prevails in John She clarifies that detachment is designated by him as a night through which the soul must pass to reach union with God and points out how entering the night is equivalent to carrying the cross Finally in a fascinating way Edith speaks of how the heart or fountainhead of personal life an inmost region is present in both God and the soul and that in the spiritual marriage this inmost region is surrendered by each to the other She observes that in the soul seized by God in contemplation all that is mortal is consumed in the fire of eternal love The spirit as spirit is destined for immortal being to move through fire along a path from the cross of Christ to the glory of his resurrection Book includes two photos and fully linked index Edith Stein and Regina Jonas Emily Leah Silverman, 2014-09-03 This groundbreaking book examines the lives of two extraordinary religious women Both Edith Stein and Regina Jonas were German Jewish women who demonstrated deviant religious desires as they pursued their spiritual paths to serve their communities

during the Holocaust Both were religious visionaries viewed as iconoclasts in their own times Stein the first woman to receive a doctorate in philosophy from Husserl the founder of phenomenology claimed her Jewish identity while she was still a cloistered Carmelite nun Jonas the first woman rabbi in Jewish history served as a rabbi in Berlin and Theresienstadt concentration camp A study of a contemplative and a rabbi the book ranges across many spiritual and theological questions not least it offers a remarkable exploration of the theology of spiritual resistance For Stein this meant redemption and the transmutation of suffering on the cross for Jonas acts of compassion bring the face of God into our presence Edith Stein and the Body-soul-spirit at the Center of Holistic Formation Marian Maskulak,2007 With a particular emphasis on the soul this book explores Edith Stein s holistic conception of the human being s body soul spirit unity which forms the foundation of her Christian anthropology and her view of human formation Characterized by an unremitting attention to interconnections Stein emerges as a forerunner of contemporary holistic approaches Edith Stein and the Body Soul Spirit at the Center of Holistic Formation demonstrates the breadth and relevance of Stein s work by engaging her thought with the anthropological views of fellow phenomenologist John Paul II Wilkie Au s perspectives on holistic spirituality and formation and several nonreductionist neuroscientific viewpoints of the human being This book also makes available to the English reader a significant amount of material from Stein s untranslated works Anyone interested in theological anthropology holistic spirituality human formation the body mind question or Edith Stein studies will benefit from the wealth of material presented in this single book *Person and Dignity in Edith Stein's Writings* Jadwiga Guerrero van der Meijden,2019-07-08 Edith Stein is widely known as a historical figure a victim of the Holocaust and a saint but still unrecognised as a philosopher It was philosophy however that constituted the core of her life Today her complete writings are available to scholars and therefore her thinking can be properly investigated and evaluated Who is a human person And what is his or her dignity according to Edith Stein Those are the two leading questions investigated in this volume The answer is presented based on the complete writings of the 20th c phenomenologist and moreover compared to the traditional Christian understanding of human dignity present in the writings of the Church Fathers and the Doctors of the Church as well as Magisterial Documents of the Catholic Church In the final parts of the book the author shows how Stein s ideas are relevant today in particular to the ongoing doctrinal and legal debates over the concept of human dignity *Edith Stein* Joanne Mosley,2006 The first part of this book presents the life of Edith Stein while going behind the well known labels Jewess philosopher Carmelite nun martyr of Auschwitz to reveal the inner struggles of a truly inspirational person She was guided in all her thoughts and actions by a constant search for the truth and the acceptance of the will of God even when it led to the ultimate gift of herself Added to these ideals which Edith lived out in the challenge of everyday reality are the ideal figures whom she kept ever before her eyes Edith s love of Jesus and Mary Old Testament characters and modern day saints forms the second part of this book which draws upon her writings on prayer some of which are not yet available in English These chapters open up her insights

into Scripture and the Eucharist the Church's rich spiritual heritage and the silent inner presence of God Edith Stein modern saint and martyr presents its subject to readers as a companion in the Christian life one who found her courage and fulfillment through daily contact with God in prayer and in this way was able in Edith's own words to go to the world in order to carry the divine life into it The book should appeal to the general Christian and Catholic reader religious and lay alike and in particular to those with an interest in Edith Stein saints for our times Carmelite spirituality the Holocaust and Christian Jewish relations

A Hermeneutics of Contemplative Silence Michele Kueter Petersen, 2021-10-06 A Hermeneutics of Contemplative Silence Paul Ricoeur Edith Stein and the Heart of Meaning brings together the work of Paul Ricoeur and Edith Stein and locates the role of silence in the creation of meaning Michele Kueter Petersen argues that human being is language and silence Contemplative silence manifests a mode of capable human being whereby a shared world of meaning is constituted and created The analysis culminates with the claim that a hermeneutics of contemplative silence manifests a deeper level of awareness as a poetics of presencing a shared humanity The term awareness refers to five crucial levels of meaning creating consciousness that are ingredients in the practice of contemplative silence Contemplative awareness includes self critique as integral to the experience and the understanding of the virtuous ordering of relational realities The practice of contemplative silence is a spiritual and ethical activity that aims at transforming reflexive consciousness Inasmuch as it leads to openness to new motivation and intention for acting in relation to others contemplative awareness elicits movement through the ongoing exercise of rethinking those relational realities in and for the world The texts of Ricoeur and Stein reveal a contemplative discourse of praise and beauty for capable human beings whose actions and suffering respond to word and silence

*Women in Christianity in the Modern Age* Lisa Isherwood, Megan Clay, 2021-12-30 Women in Christianity in the Modern Age examines the role of women in Christianity in the 20th and early 21st Centuries This edited volume includes eight important contributions from academics in the field The modern era has been an age of social and religious upheaval and the ravages of global warfare and changes to women's role in society have made the examination of the place of women in religion a key question in theology From theological concerns engagements with the biblical texts by feminist and anti

feminist theologians the modern role of Mary and women saints to political and social debates on women's ministry and place in society and cultural shifts as expressed through theologically inspired artwork by women Women in Christianity in the Modern Age provides an overview and in depth studies of a tumultuous and changing era This insightful text will be of key interest to students and scholars in Religion and Cultural Studies **Edith Stein Discovered** Pat Lyne, 2000 *Edith Stein's Life in a Jewish Family, 1891-1916* Joyce Avrech Berkman, 2023-04-04 Edith Stein's Life in a Jewish Family 1891 1916 is a treasure trove for the study of Stein's youth and early adulthood her approach to writing autobiographically and her intricate relationship with historical influences of her time and place Through intellectual mining Stein's narrative and conducting a comprehensive historical analysis of Stein's achievement as a distinct type of autobiography Joyce Avrech Berkman argues that a key axis of Stein's consciousness values philosophical ideas and life choices is a deep tense unresolved philosophical and spiritual struggle to both uphold traditional societal and cultural values and practices and also critiquing them to pioneer new patterns of thought Berkman further probes the sharply controversial nature of Stein's autobiography for her family members and Stein scholars in the decades after her death Edith Stein's Life in a Jewish Family 1891 1916 A Companion serves as an important guide to scholars in autobiographical studies history philosophy and theology as well as to a broader readership interested in Stein's life for religious and cultural reasons **Sex and the Catholic Feminist** Sue Ellen Browder, 2020-05-06 In Sex and the Catholic Feminist Browder challenges the notion that you can't be a feminist and believe in God She echoes John Paul II's call for Catholics to embody a new feminism a radical new view of women's dignity Her goal in this book is to follow one golden thread of feminism in America the pro life thread to show why it has been ignored by the media and left out of public conversation for fifty years For Browder the pro life movement is about more than abortion and contraception it's about loving and respecting all human life While tracing the history of feminism in America Browder discovered at the core of these various feminist movements a search for personhood Where do women place their identity and find their fulfillment Browder ultimately concludes that in our noisy consumerist society placing one's identity anywhere other than in God will prove disappointing and unfulfilling My hope is that some thoughts presented here will spark a new conversation and help heal one of the deepest political divisions in our nation Sue Ellen Browder **Eating Beauty** Ann W. Astell, 2016-02-09 The enigmatic link between the natural and artistic beauty that is to be contemplated but not eaten on the one hand and the eucharistic beauty that is both seen with the eyes of faith and eaten on the other intrigues me and inspires this book One cannot ask the aesthetic questions about the Eucharist without engaging fundamental questions about the relationship between beauty art broadly defined and eating from Eating Beauty In a remarkable book that is at once learned startlingly original and highly personal Ann W Astell explores the ambiguity of the phrase eating beauty The phrase evokes the destruction of beauty the devouring mouth of the grave the mouth of hell To eat beauty is to destroy it Yet in the case of the Eucharist the person of faith who eats the Host is transformed into beauty itself literally

incorporated into Christ In this sense Astell explains the Eucharist was productive of an entire way of life a virtuous life form an artwork with Christ himself as the principal artist The Eucharist established for the people of the Middle Ages distinctive schools of sanctity Cistercian Franciscan Dominican and Ignatian whose members were united by the eucharistic sacrament that they received Reading the lives of the saints not primarily as historical documents but as iconic expressions of original artworks fashioned by the eucharistic Christ Astell puts the faceless Host in a dynamic relationship with these icons With the advent of each new spirituality the Christian idea of beauty expanded to include first the marred beauty of the saint and finally that of the church torn by division an anti aesthetic beauty embracing process suffering deformity and disappearance as well as the radiant lightness of the resurrected body This astonishing work of intellectual and religious history is illustrated with telling artistic examples ranging from medieval manuscript illuminations to sculptures by Michelangelo and paintings by Salvador Dal Astell puts the lives of medieval saints in conversation with modern philosophers as disparate as Simone Weil and G W F Hegel

**Christian Masculinity** Yvonne Maria Werner, 2011 In the mid nineteenth century when the idea of religion as a private matter connected to the home and the female sphere won acceptance among the bourgeois elite Christian religious practices began to be associated with femininity and soft values Contemporary critics claimed that religion was incompatible with true manhood and today s scholars talk about a feminization of religion But was this really the case What expression did male religious faith take at a time when Christianity was losing its status as the foundation of society This is the starting point for the research presented in *Christian Masculinity* Here we meet Catholic and Protestant men struggling with and for their Christian faith as priests missionaries and laymen as well as ideas and reflections on Christian masculinity in media fiction and correspondence of various kinds Some men engaged in social and missionary work or strove to harness the masculine combative spirit to Christian ends while others were eager to show the male character of Christian virtues This book not only illustrates the importance of religion for the understanding of gender construction but also the need to take into consideration confessional and institutional aspects of religious identity

**My Sisters the Saints** Colleen Carroll Campbell, 2014-09-23 A poignant and powerful spiritual memoir about how the lives of the saints changed the life of a modern woman In *My Sisters the Saints* author Colleen Carroll Campbell blends her personal narrative of spiritual seeking trials stumbles and breakthroughs with the stories of six women saints who profoundly changed her life Teresa of Avila Therese of Lisieux Faustina of Poland Edith Stein of Germany Mother Teresa of Calcutta and Mary of Nazareth Drawing upon the rich writings and examples of these extraordinary women the author reveals Christianity s liberating power for women and the relevance of the saints to the lives of contemporary Christians

*Communion with Christ* Sister M. Regina Van den Berg, 2015-02-24 Pope Saint John Paul II declared that the great challenge for Christians today is to become the home and school of communion St Teresa Benedicta Edith Stein in her life and her writings is a sure guide to attaining the communion for which every human heart longs This work considers St Teresa s life and writings in the context of the

spirituality of communion As a philosopher she was directed towards attaining communion with the Truth and she discovered that Truth was a Person Jesus Christ As a Carmelite nun she gave up everything for communion with him Dr Alice von Hildebrand in the foreword says Edith Stein s message is above her time and that the author Sister M Regina van den Berg is well qualified to write such a book Sister Regina explores in detail Edith Stein s theory of empathy as developed in her doctoral dissertation as well as her theory of community Sister Regina has also used a number of Edith Stein s writings which until this work have not yet been available in English translation Each chapter explores an aspect of communion richly revealing how Edith Stein a Jew who became a philosopher a convert to Catholicism who became a Carmelite nun and crowned her life with martyrdom Stein s work provides insights that can help us grow in the spirituality of communion first by presenting to us the truth about the human person s nature and vocation and then by showing us how we can arrive at a spirituality of communion in the various aspects of life      **The Complementarity of Women and Men** Paul C.

Vitz,2021-04-30 Contributors explore the complementarity of women and men that women and men are equal and different as underpinned by Catholic theology and expressed in philosophy theology psychology and art
