New Series** Richard Faber, 1988 *Byron's European Impact* Peter Cochran, 2015-05-13 The works of Lord Byron and his friend Sir Walter Scott had an influence on European literature which was immediate and profound Peter Cochran's book charts that influence on France Germany Italy Spain Poland and Russia with individual chapters on Goethe Pushkin and Baudelaire and one special chapter on Ibsen who called Peer Gynt his Manfred Cochran shows that although Byron's best work is his satirical writing which is aimed in part at his earlier romantic material and its readership his self-correction was not taken on board by many European writers Pushkin being the exception and it was the gloomy Byronic Heroes who held sway These were often read as revolutionaries but were in fact dead end It was a mythical not a literary Byron whom people thought they had read The book ends with chapters on three British writers who seem at last to have read Byron in their different ways accurately Eliot Joyce and Yeats **Byron and Latin Culture** Peter Cochran, 2014-07-18 Byron and Latin Culture consists of twenty three papers most of which were given at the 37th International Byron Conference at Valladolid Spain in July 2011 An introduction by the editor describes in detail the huge influence which the major Latin poets had on Byron his borrowings imitations parodies and echoes have never been catalogued in such detail and it becomes clear that many ideas central to Don Juan in particular derive from Ovid Virgil Petronius Martial and the other great classical writers There are substantial sections on the ways Byron was influenced by and in turn influenced the literature and art of France Spain Italy and other nations Contributors include John Clubbe Richard Cardwell Madeleine Callaghan Alice Levine Itsuyo Higashinaka Olivier Feignier Katherine Kernberger and Stephen Minta *The Reception of Byron in Europe* Richard A. Cardwell, 2004 Richard Cardwell was given the Elma Dangerfield Award of the International Byron Society for the best book on Byron in 2005-06 Byron arguably was and remains the most famous and infamous English poet in the modern period in Continental Europe From Portugal in the West to Russia in the East from Scandinavia in the North to Spain in the South he inspired and provoked was adored and reviled inspired notions of freedom in subject lands and with it the growth of national idealisms which soon would redraw the map of Europe At the same time the Byronic persona incarnate in Childe Harold Manfred Lara and others was received with enthusiasm and fear as experience demonstrated that Byron's Romantic outlook was two edged thrilling and appalling in the same moment All the great writers Goethe Mickiewicz Lermontov Almeida Garret Espronceda Lamartine among many others strove to outdo imitate revise and integrate the sublime Lord into their own cultures to create new national voices and to dissent from the old order The volume explores Byron's European reception in its many guises bringing new evidence challenging old assumptions and offering fresh perspectives on the protean impact of Lord Byron on the Continent This book consists of two volumes Series Editor Dr Elinor Shaffer FBA Institute of Germanic Romance Studies School of Advanced Study University of London Contributors
