Widmer**

Essays On Kants Political Philo:

Essays on Kant's Political Philosophy Howard L. Williams, 1992-10-15 As a political philosopher Kant has until recently been overshadowed by his compatriots Hegel and Marx With his strong defense of the rights of the person and his deep insight into the strengths and weaknesses of modern society Kant possibly more than any other political thinker anticipated the problems of the late twentieth century Kant's political philosophy wedded as it is to rights reform and gradual progress is emerging from the shadows cast by Hegelian and Marxist thinking about the state In this volume thirteen distinguished contributors from the United States Canada Britain and Germany cast light on important aspects of Kant's liberal thinking Key topics covered include Kant's liberal reformism his relation with Hegel his attitude to women the use of reason revolution Kant's optimism and his moral and legal rigorism Howard Williams is a reader in political theory in the Department of International Politics University College of Wales Aberystwyth His previous publications include Kant's Political Philosophy Concepts of Ideology and Hegel Heraclitus and Marx's Dialectic

Lectures on Kant's Political Philosophy Hannah Arendt, 2014-12-10 Hannah Arendt's last philosophical work was an intended three part project entitled The Life of the Mind Unfortunately Arendt lived to complete only the first two parts Thinking and Willing Of the third Judging only the title page with epigraphs from Cato and Goethe was found after her death As the titles suggest Arendt conceived of her work as roughly parallel to the three Critiques of Immanuel Kant In fact while she began work on The Life of the Mind Arendt lectured on Kant's Political Philosophy using the Critique of Judgment as her main text The present volume brings Arendt's notes for these lectures together with other of her texts on the topic of judging and provides important clues to the likely direction of Arendt's thinking in this area

Freedom and Force Sari Kisilevsky, Martin J Stone, 2017-05-04 This collection of essays takes as its starting point Arthur Ripstein's Force and Freedom Kant's Legal and Political Philosophy a seminal work on Kant's thinking about law which also treats many of the contemporary issues of legal and political philosophy The essays offer readings and elucidations of Ripstein's thought dispute some of his claims and extend some of his themes within broader philosophical contexts thus developing the significance of Ripstein's ideas for contemporary legal and political philosophy All of the essays are contributions to normative philosophy in a broadly Kantian spirit Prominent themes include rights in the body the relation between morality and law the nature of coercion and its role in legal obligation the role of indeterminacy in law the nature and justification of political society and the theory of the state This volume will be of interest to a wide audience including legal scholars Kant scholars and philosophers with an interest in Kant or in legal and political philosophy

Politics and Teleology in Kant Tatiana Patrone, Paul Formosa, Avery Goldman, 2014-04-15 This volume critically examines and elucidates the complex relationship between politics and teleology in Kant's philosophical system Examining this relationship is of key philosophical importance since Kant develops his political philosophy in the context of a teleological conception of the purposiveness of both nature and human history Kant's approach poses the dual task of

reconciling his normative political theory with both his priori moral philosophy and his teleological philosophy of nature and human history The fourteen essays in this volume by leading scholars in the field explore the relationship between teleology and politics from multiple perspectives Together the essays explore Kant s normative political theory and legal philosophy his cosmopolitanism and views on international relations his theory of history his theory of natural teleology and the broader relationship between morality history nature and politics in Kant s works This important new volume will be of interest to a wide audience including Kant scholars scholars and students working on topics in moral and political philosophy the philosophy of history political theory and political science legal scholars and international relations theorists as well as those interested broadly in the history of ideas

Kant and Modern Political Philosophy Katrin Flikschuh,2000-08-28 In this book Katrin Flikschuh examines the relevance of Kant s political thought to major issues and problems in contemporary political philosophy She advances and defends two principal claims that Kant s philosophy of Right endorses the role of metaphysics in political thinking in contrast to its generally hostile reception in the field today and that his account of political obligation is cosmopolitan in its inception assigning priority to the global rather than the domestic context She shows how Kant s metaphysics of freedom as a shared idea of practical reason underlies the cosmopolitan scope of his theory of justice and she concludes that despite the revival of Kantianism in contemporary thinking his account of justice is in many respects very different from dominant approaches in contemporary liberal theory Her study will be of interest to political philosophers political theorists and historians of ideas

The Cambridge Companion to Kant and Modern Philosophy Paul Guyer,2006-01-30 The philosophy of Immanuel Kant is the watershed of modern thought which irrevocably changed the landscape of the field and prepared the way for all the significant philosophical movements of the nineteenth and twentieth centuries This 2006 volume which complements The Cambridge Companion to Kant covers every aspect of Kant s philosophy with a particular focus on his moral and political philosophy It also provides detailed coverage of Kant s historical context and of the enormous impact and influence that his work has had on the subsequent history of philosophy The bibliography also offers extensive and organized coverage of both classical and recent books on Kant This volume thus provides the broadest and deepest introduction currently available on Kant and his place in modern philosophy making accessible the philosophical enterprise of Kant to those coming to his work for the first time

The Public Realm Reiner Schurmann,1988-12-08 This book offers a collection of essays in contemporary political philosophy from a wide range of Continental viewpoints The authors include some of the most prominent European and European oriented philosophers and political thinkers of our day Two sections out of four focus on the debate between prescriptive and descriptive types of political thinking On the prescriptive or normative side Karl Otto Apel Robert Paul Wolff Robert Spaemann Hans Jonas and Jean Francois Lyotard discuss current forms of legitimating political life via some ultimate grounding On the descriptive or phenomenological side Bernhard Waldenfels Michel Henry William J Richardson J rgen Link and Vincent Descombes argue

that an understanding of praxis is always implied as one reaches insights into the life world there is no need to either construe or set normative standards for action The remaining two sections deal with transcendental and institutional types of political philosophy respectively Manfred Riedel Stanley Rosen Thomas Seeborn and Ludwig Siep develop Kant's search for a priori conditions in the public realm explicitly or implicitly they confront the ancient Greek with the modern Enlightenment conceptions of life in public Lastly Agnes Heller Alain Touraine Reinhart Koselleck and Bertram Schefold put to work many ways of looking at the life of our institutions

Kant and Law B.Sharon Byrd,2017-07-05 Immanuel Kant's legal philosophy and theory have played an enormous role in the development of law since the eighteenth century Although this influence can be seen primarily in German law and in the law of nations which have traditionally been oriented toward German legal development today Kant's philosophy has experienced a Renaissance in the Anglo American legal world This anthology collects what the editors believe to be the very best of articles on Kant's legal theory with an emphasis on his *Metaphysics of Morals* of 1797 In particular the articles relate to 1 the nature of law and justice 2 private law 3 public law 4 criminal law 5 international law and 6 cosmopolitan law

Kant & Political Philosophy Ronald Beiner,William James Booth,1993-01-01 In recent years there has been a major revival of interest in the political philosophy of Immanuel Kant Thinkers have looked to Kant's theories about knowledge history the moral self and autonomy and nature and aesthetics to seek the foundations of their own political philosophy This volume written by established authorities on Kant as well as by new scholars in the field illuminates the ways in which contemporary thinkers differ regarding Kantian philosophy and Kant's legacy to political and ethical theory The book contains essays by Patrick Riley Lewis White Beck Mary Gregor and Richard L Velkley that place Kant in the tradition of political philosophy chapters by Dieter Henrich Susan Shell Michael W Doyle and Joseph M Knippenberg that examine Kantian perspectives on history and politics contributions by William A Galston Bernard Yack William James Booth and Ronald Beiner that judge the Kantian legacy and classic discussions by John Rawls Jürgen Habermas Charles Taylor and Hans Georg Gadamer that present different perspectives on contemporary debates about Kant

Averroes, Kant and the Origins of the Enlightenment Saud M. S. Al Tamamy,2014-01-17 The twelfth century philosopher Averroes is often identified by modern Arab thinkers as an early advocate of the Enlightenment Saud M S Al Tamamy demonstrates that an historical as well as comparative approach to Averroes thought refutes this widely held assumption The philosophical doctrine of Averroes is compared with that of the key figure of the Enlightenment in Western thought Immanuel Kant By comparing Averroes and Kant Al Tamamy evaluates the ideologies of each thinker's work and in particular focuses on their respective political implications on two social groups the Elite in Averroes case and the Public in the case of Kant The book's methodology is at once historical analytical and communicative and is especially relevant when so many thinkers both Western and Middle Eastern are anxious to find common denominators between the formations of Islamic and Western cultures It responds to a need for comparative analysis in the field of Averroes studies and takes on the

challenge to uncover the philosopher's influence on the Enlightenment

Autonomy and Community Jane Kneller, Sidney Axinn, 1998-04-23 In *Autonomy and Community* contemporary Kant scholars apply Kant's moral and political views to current social issues examining contemporary topics through the lenses of various recent Kantian approaches to issues in ethical, political, and social philosophy. The articles, written with a minimum of technical language, engage current social problems directly, demonstrating the possibility of diverse applications of Kant's views. The authors, reaching well beyond the realm of academic philosophy, apply Kant's moral and political views to contemporary social concerns, both general and specific. Under the first heading are chapters presenting readings of Kant's social theory and theory of human history, the relationship of moral practice to the social contract, Kant's theory of civic duty, and the relevance of Kantian philosophy to contemporary feminist theory. In Part II, more specific issues of contemporary interest are explored: war, international relations, race, and ethnicity, questions of abortion, capital punishment, environmental ethics, labor relations, and the nature of the institution of marriage. Taken as a whole, *Autonomy and Community* shows that Kantianism offers a social vision that goes far beyond Kant's well-known abstract theory. Contributors to the book include Sharon Anderson-Gold, Thomas Auxter, Susan Feldman, Gerald F. Gaus, Charles W. Mills, Nelson Potter, Philip Rossi, Robin May Schott, Harry van der Linden, Hollyn L. Wilson, Robert Paul Wolff, and Allen W. Wood.

Kant's Political Theory Elisabeth Ellis, 2012-08-02 Past interpreters of Kant's thought seldom viewed his writings on politics as having much importance, especially in comparison with his writings on ethics, which along with his major works such as the *Critique of Pure Reason* received the lion's share of attention. But in recent years, a new generation of scholars has revived interest in what Kant had to say about politics. From a position of engagement with today's most pressing questions, this volume of essays offers a comprehensive introduction to Kant's often misunderstood political thought. Covering the full range of sources of Kant's political theory, including not only the *Doctrine of Right*, the *Critiques*, and the political essays, but also Kant's lectures and minor writings, the volume's distinguished contributors demonstrate that Kant's philosophy offers compelling positions that continue to inspire the best thinking on politics today. Aside from the editor, the contributors are Michaela Ferguson, Louis Philippe Hodgson, Ian Hunter, John Christian Laursen, Mika LaVaque-Manty, Onora O'Neill, Thomas W. Pogge, Arthur Ripstein, and Robert S. Taylor.

The Secular Contract Alex Schulman, 2011-06-23 *The Secular Contract* seeks to defend the European Enlightenment's secularization of political philosophy by promoting an understanding of Enlightenment secular liberalism and extending it to contemporary issues. The work proposes that the Enlightenment united the secularizing trends that occurred at the time across all areas of knowledge into a secular contract for modern politics. It argues that this was a normatively valuable enterprise whose aims and arguments need to be recovered today, especially in light of the challenges faced by the West, including fundamentalist Christianity in the US and radical Islam in Europe. Looking at the works of many thinkers such as Hobbes, Jefferson, Madison, Rousseau, the book then shifts to the present day to argue for a different liberalism as suggested by such contemporary thinkers as William Galston or Stephen

Macedo An engaging read The Secular Contract will appeal to anyone interested in political theory and the history of ideas

Western Political Thought Robert Eccleshall, Michael Kenny, 1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability Kant's Practical Philosophy G. Banham, 2003-04-15 This work presents Kant as a vital revolutionary thinker showing that his Practical Philosophy has been marred by views that it is formalist and centred on categorical imperative Discussing his commitment to the notion of rational religion and his treatment of evil this important study provides a vivid account of Kant's concerns

Paul Ricoeur and the Task of Political Philosophy Gregory R. Johnson, Dan R. Stiver, 2013-01-01 This book offers a sustained engagement with the political philosophy of Paul Ricoeur and demonstrates both the significance of the political in his own thinking throughout his career and how his understanding of the political offers something valuable to current discussions of issues in political philosophy A Dutiful Reading of Kant's Political Philosophy Edwin Nicholas Teall, 1995

Punishment and the History of Political Philosophy Arthur Shuster, 2016-01-27 Contemporary philosophy still lacks a satisfying theory of punishment one that adequately addresses our basic moral concerns Yet as the crisis of incarceration in the United States and elsewhere shows the need for a deeper understanding of punishment's purpose has never been greater In Punishment and the History of Political Philosophy Arthur Shuster offers an insightful study of punishment in the works of Plato Hobbes Montesquieu Beccaria Kant and Foucault Through careful interpretation of their key texts he argues that continuing tensions over retribution's role in punishment reflect the shift in political philosophy from classical republicanism to modern notions of individual natural rights and the social contract This book will be vital reading for political theorists philosophers criminologists and legal scholars looking for a new perspective on the moral challenges faced by the modern criminal justice system *Kant's Early Followers in Political Philosophy* Reidar Maliks, Elisabeth Theresia

Widmer, 2025-06-27 Immanuel Kant influenced a large and productive group of political philosophers in the 1790s This volume argues that they brought out more fully the egalitarian principles of Kantian republicanism The Kantian school featured young philosophers including Saul Ascher Johann Adam Bergk Johann Benjamin Erhard Johann Ludwig Ewald the early Johann Gottlieb Fichte Friedrich Schlegel and Johann Heinrich Tieftrunk The chapters in this volume analyze their work in relation to Kant and their wider philosophical and political context They advance three main theses First the Kantians defended popular sovereignty and several of them supported the extension of the right to vote to workers and women Second several of them developed a political perfectionism the view that equal political rights are justified for their effects on cultivating moral character Third they developed sophisticated theories of state legitimacy and collective action defending a people's right to change their constitution either through reform or through revolution Kant's Early Followers in Political Philosophy offers a systematic view into a neglected group of thinkers at a foundational moment for modern political thought

It will be of interest to scholars and graduate students working on Kant eighteenth century philosophy political philosophy and the history of early modern German political thought *Interpreting Modern Political Philosophy* Alistair Edwards, Jules Townshend, 2017-03-14 The interpretive literature in the history of political thought is now vast complex and esoteric posing as much a barrier to the understanding of the undergraduate student as it offers assistance This unique and innovative text provides the student with a guide through this maze of argument Each chapter sets out the major positions and debates that surround the texts of key thinkers analyzes major problems of interpreting them examines the sources of disagreement and evaluates the different interpretations in terms of their strengths weaknesses and contributions to scholarship

Essays On Kants Political Philo Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Essays On Kants Political Philo free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Essays On Kants Political Philo free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Essays On Kants Political Philo free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Essays On Kants Political Philo. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Essays On Kants Political Philo any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Essays On Kants Political Philo Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Essays On Kants Political Philo is one of the best book in our library for free trial. We provide copy of Essays On Kants Political Philo in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Essays On Kants Political Philo. Where to download Essays On Kants Political Philo online for free? Are you looking for Essays On Kants Political Philo PDF? This is definitely going to save you time and cash in something you should think about.
