Essence of Success Success is what you are pursuing and it also what everyone in the world is chasing after This is because success is the vehicle that will take you from your current status level dimension and state to a higher one You will only climb higher after you succeed in your current endeavour Without it you will remain a normal man and die to add value to the graveyard You might be thinking right now that success is unreachable for you because everything you try seems to fail But don t you know that a failure or ten failures or even hundred failures are a step away from success it is an indication that success is very close This book is written to show you that success does not happen with a big explosion nor by luck or when you receive a prestigious US scholarship but it is the sum of all the right things that you do to complement what you believe The very fact that you are alive and are living in a free country is indeed a success In fact you have succeeded a million times but did not know it After reading this book you will appreciate that your day to day life is a constant success and all you have to do is appreciate those successes and move on It will cause you to put together all your successes and become a super successful person      **The Essence of Success** Charles Platt, 2014-03-29 This Is A New Release Of The Original 1920 Edition      *The Essence of Success* Earl Nightingale, 1993-01-01      *Summary: The Success System that Never Fails* BusinessNews Publishing, 2014-10-14 The must read summary of W Clement Stone s book *The Success System that Never Fails* Success Can Be Reduced to a Never Fail Formula This complete summary of the ideas from W Clement Stone s book *The Success System that Never Fails* shows that everyone wants something money prestige love success health wisdom etc In a world of unlimited opportunity are there formulas rules or principles that will guarantee success In his book the author presents his success system that never fails which is made up of three principles This summary will teach you how to apply these principles and how you can repeat the formula over and over again Added value of this summary Save time Understand key concepts Expand your knowledge To learn more read *The Success System that Never Fails* and find out how you can ensure success in everything you do      **Successence** George L.
