The paper has a slightly textured appearance with some minor discoloration and a small dark smudge near the top center. A faint, dark, curved mark is visible near the bottom center. The right edge of the page is dark, suggesting the binding or gutter of the book.

*[The page contains dense handwritten text in cursive script, which is mostly illegible due to extreme blurring and low resolution.]*

**Creating Peace by Being Peace** Gabriel Cousens, M.D.,2010-05-18 Representing a synthesis of the author s decades of multidisciplinary work in meditation psychiatry psychotherapy and spirituality Creating Peace by Being Peace guides readers in creating peace on seven levels of engagement from the body to the ecology to God Author Gabriel Cousens addresses the increasingly urgent need to transform humankind with the ancient peace wisdom of the Essenes a Judaic mystical group that flourished two millennia ago He begins by explaining the Essenes and the lessons they can teach us as creators of peace Individual chapters cover a wide range of possibility from the personal Peace with the Mind to the political Peace with the Community The final chapter Integrating Peace on Every Level presents a comprehensive plan for peace with the body mind family community culture ecology and God as a pervasive experience in life moment to moment day by day Cousens blends documentary evidence with original interpretation to show that the Essenes actually did live this experience of peace Most importantly he transfers their gift to modern seekers as a breathing blueprint for realizing this reality as we walk in our lives work according to our gifts joys and sacred design and live the path of spiritual awakening the sevenfold peace *A Journey to the Roots of Rastafari* Abba Yahudah,2014-07-02 Ethiopia accepted Christianity as her sovereign faith after being a Judaic nation for centuries before Christ Her political seat being the Throne of David makes this event uniquely significant in that Judaism as a religion or as a nation had no existing empire By this we mean that after the destruction of Jerusalem in 588 BC and the dispersion of the Israelites the Jews as a nation were unable to reconstruct an independent state anywhere in the world except for the empire established in Ethiopia Therefore Ethiopia represented the only nation to have made such a transition from Judaism to Christianity When one makes a thorough study of the traditions of the biblical Jewish nation one will understand that a Jewish nation could not be reestablished without the Throne and seed of King David Therefore Israel as a place remains to be the fragmented ruins of a past flourishing Jewish state The Roman invasion and occupation of Jerusalem created an atmosphere of tension and political unrest that continued and subsequently led to the destruction of this once glorious city which used to house the Ark of the Covenant All this occurred before the birth of Christ who was to be the major element in the events that were to lead to a New Way The Essene Jesus Edmond Bordeaux Székely,1968

**Inner Practices for the Twelve Nights of Yuletide** Anne Stallkamp,Werner Hartung,2021-10-05 Explains how the 12 nights after the winter solstice offer the ideal opportunity for inner focusing seeing signs and laying the foundation for the year to come Shares reflective themes and exercises for each night and the day to follow and guided meditations to deepen the experience The season of Yuletide the 12 nights following the winter solstice offers the ideal opportunity for inner focusing for seeing signs and for planting seeds for the future This guide explores inner practices for the magical Yuletide season the period between December 21 and January 2 when the veil between worlds is thin Revealing the deeper meaning of the darkest time of the year the authors discuss how the 12 nights of Yuletide were significant in pagan and Nordic

traditions long before Christmas was grafted onto them A special Yuletide channeling explains the ancient and modern significance of the heathen holy days Each night and the day that follows has a particular energy quality and is dedicated to a theme upon which to reflect as you look at the 12 months past and ahead The authors introduce and explain each of the respective themes of the 12 nights such as humility and devotion truth and clarity the power of the heart and self care They also share a series of ideas to consider for the year just gone by along with insights and guidance to contemplate for the one to come Through the questions exercises and tools linked to each specific night and its theme we can gain valuable insights and shape our future Journaling is an essential part of this work enabling us to reflect our thoughts actively as well as record them for use during the coming year The authors also include guided meditations for each of the Yuletide nights enabling readers to deepen their experience Working with the magical power of Yuletide and the 12 holy nights is a ritual that can be repeated year after year offering the reader a completely new understanding of this very special time and a way to lay the foundations for the new year ahead
