For I Was Hungry and You Gave Me Food Carol B. Wilson, 2014-02-17 In the first century endemic food shortages left 25 percent of the population below subsistence level and another 30 percent at risk of slipping below subsistence In the face of such serious food shortages the Gospel of Matthew advocates for a society in which all people can have access to sufficient food Matthew critiques first century practices and attitudes of both aristocrats and peasants that helped or hindered that goal It does this by depicting Jesus teaching and performing positive practices that provided the Matthean community with an example to emulate as well as condemning some negative practices and attitudes For I Was Hungry and You Gave Me Food provides a pragmatic lens and a new descriptive paradigm of food access in the first century The perspective and model are useful for analyzing passages
