For Love Of The Dark One Songs Of Mirabai:

For Love of the Dark One Mīrābāī, 1998 Erotics rebellion spiritual thirst a strong hint of early feminism and a steaming animal passion these are what make Mirabai's songs irrepressible four centuries after she sang them Schelling who gave Americans their first clean taste of the erotic tradition of old Sanskrit now provides a Mirabai able to dance on our highways To open this book is to get close to the oldest kind of song sweet and bitter sage and spontaneous And to remember why we are on earth Anne Waldman

Music Of The Sky: An Anthology Of Spirit Patrick Laude, 2010-08-01 A collection of spiritual poetry from antiquity to the present reflecting many styles and expressions of our experience of the sacred through the medium of poetry Organized into three universal dimensions of spiritual life the awareness of suffering and death the experience of the depth of compassion and love and the knowledge of the unity of the transcendent and immanent Real Music of the Sky collects short poems from Buddhist Christian Hindu Islamic and Native American traditions Meant neither as an historical survey of spiritual poetry nor as a definitive collection of essential poems the reader may open this book at any page at any time in virtually any situation traveling or at rest The truth and beauty of these poems are certain to provide a source of inspiration for countless generations

Longing and Letting Go Holly Hillgardner, 2017 Can we love God and others without our desires eclipsing the very beauty integrity and diversity toward which we are drawn that is can we love without trying to possess Spanning centuries continents and religious traditions Longing and Letting Go looks to Christian writer Hadewijch and Hindu songstress Mirabai to explore their inextricable practices of longing and letting go and more particularly the interreligious possibilities of passionate non attachment for an interconnected pluralistic world

A Multilingual Nation Rita Kothari (Ed), 2025-06-30 How does India live through the oddity of being both a nation and multilingual Is multilingualism in India to be understood as a neatly laid set of discrete languages or a criss crossing of languages that runs through every source language and text The questions take us to reviewing what is meant by language multilingualism and translation Challenging these institutions A Multilingual Nation illustrates how the received notions of translation discipline do not apply to India It provocatively argues that translation is not a solution to the allegedly chaotic situation of many languages rather it is its inherent and inalienable part An unusual and unorthodox collection of essays by leading thinkers and writers new and young researchers it establishes the all pervasive nature of translation in every sphere in India and reverses the assumptions of the steady nature of language its definition and the peculiar fragility that is revealed in the process of translation

Seven Scents Dorothy P. Abram, 2017-06-21 Examining the psychoactive nature of seven aromatic

plants this book centres on scent as a line of inquiry in the exploration of spiritual and healing states Offering an exciting entry into the complexities of human experience this book also makes reference to Biblical Greek and Hindu stories and reveals new dimensions of knowledge *Paths to God* Ram Dass,2007-12-18 For centuries readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths As profound and powerful as this classic text has been for generations of seekers integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach Now in a fascinating series of reflections anecdotes stories and exercises Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life In the engaging conversational style that has made his teachings so popular for decades Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism s most sacred texts The Gita teaches a system of yogas or paths for coming to union with God In *Paths to God* Ram Dass brings the heart of that system to light for a Western audience and translates the Gita s principles into the manual for living the yoga of contemporary life While being a guide to the wisdom of the Bhagavad Gita *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives Vaiṣṇavī Steven Rosen,1996-01-01 Contributed articles on the lives and teachings of Hindu women saints *The Female Voice in Sufi Ritual* Shemeem Burney Abbas,2010-06-04 The female voice plays a more central role in Sufi ritual especially in the singing of devotional poetry than in almost any other area of Muslim culture Female singers perform sufiana kalam or mystical poetry at Sufi shrines and in concerts folk festivals and domestic life while male singers assume the female voice when singing the myths of heroines in qawwali and sufiana kalam Yet despite the centrality of the female voice in Sufi practice throughout South Asia and the Middle East it has received little scholarly attention and is largely unknown in the West This book presents the first in depth study of the female voice in Sufi practice in the subcontinent of Pakistan and India Shemeem Burney Abbas investigates the rituals at the Sufi shrines and looks at women s participation in them as well as male performers use of the female voice The strengths of the book are her use of interviews with both prominent and grassroots female and male musicians and her transliteration of audio and videotaped performances Through them she draws vital connections between oral culture and the written Sufi poetry that the musicians sing for their audiences This research clarifies why the female voice is so important in Sufi practice and underscores the many contributions of women to Sufism and its rituals Hindu Spirituality K. R. Sundararajan,Bithika Mukerji,2003 The term hindu is referred to the religious life of the people of India and Spirituality understood as wisdom about the way back into the ground of pluralism of religious forms These two volumes are structured along the division between the classical and the postclassical Twenty seven scholars from around the world shed light on the spiritual beauty of Hinduisms poetry art and temples festivals and music as well as the contributions of modern pioneers such as Swami Vivekananda Sri Aurobindo Mahatma Gandhi and others Fighting Cane and Canon Rashi Rohatgi,2014-08-20 *Fighting Cane and Canon* Abhimanyu Unnuth and the Case of World

Literature in Mauritius joins the growing field of modern Indian Ocean studies The book interrogates the development and persistence of Hindi poetry in Mauritius with a focus on the early poetry of Abhimanyu Unnuth His second work *The Teeth of the Cactus* brings together questions about the value of history of relationships forged by labour and of spirituality in a trenchant examination of a postcolonial people choosing to pursue prosperity in an age of globalization It captures a distinct point of view Unnuth's connection to the Hindi language is an unusual reaction to the creolization of the island but also a common experience both of Indian immigrants and of the reevaluation of their experience by Mauritians reaching adulthood as Unnuth did with the Independence of the Mauritian nation in 1968 The book argues that for literary scholars reading Abhimanyu Unnuth's poetry raises important questions about the methodological assumptions made when approaching so called marginal postcolonial works assumptions about translation language and canonicity through the emerging methodologies of World Literature

Andrew Schelling,2017-04-11 For thousands of years India has excelled at erotic love poetry and the genius of its devotional poetry often harnesses great energy and mystical insight It is in fact often hard to tell whether the poets are offering poems of spiritual longing using the garment of love poetry or writing erotic poems in the guise of devotion Perhaps in a country where erotic sculpture routinely ornaments its many temples and the gods are known for their explosive sexuality this question has little meaning to these remarkable writers In their devotional traditions eroticism and mysticism seem inseparable This wonderful selection spans 2 500 years and includes work originally sung or recited by their well known bards Kabir Mirabai Lal Ded Vidyapati and Tagore There are also poems from the Upanishad from ancient Sanskrit poetry and Punjab folk lyrics The poets have largely emerged from the ranks of the dispossessed leather workers refuse collectors maidservants women orphans Their vision is of a democratic society in which all voices count much like American gospel and blues Shaker songs or the grand vision of Walt Whitman Often they faced persecution for speaking candidly or daring to speak of spiritual matters at all The notes include profiles of these legendary lives Several of these poets simply vanished absorbed into a deity or disappeared in a flash of purple lightening A few produced miracles most of them have clouds of mystery around them Andrew Schelling has drawn on the work of 24 other translators including Ezra Pound Robert Bly W S Merwin Jane Hirschfield and Denise Levertov to build what will be the finest anthology of India s erotic and spiritual poetry for the general read ever assembled
