Lucky takes her home, cleans her up, and the two pick up right where they left off with Lucky in the position to make Little Mink his woman. Little does he know the sultry vixen has other plans in mind. The little Mink that everyone has known and loved is gone, replaced with someone far more sinister. With dreams of snatching her ex-boyfriend's empire from under his feet, Mink discovers the opportunity of a lifetime with Lucky, who has the resources and respect to get her the power she needs. Using her body, mind, and deadly force, Mink wraps Lucky around her well-manicured finger, making him a pawn in a deadly game of cat and mouse that will either leave both of them reigning over an empire or in exile. Willing to do anything to secure her seat at the head of the table, Mink is stuck wondering whether her heart of ice will help her dreams of building her own empire come true or will she end up crushed.
