Good Little Scouts:

The Boy Scouts' Year Book, 1916 **Hooray! Wow, I Am Grateful!** Tonya Drummond, 2023-01-29 This book is intended to reach Children's hearts and show them how to deal with different situations that occur in not only their life but other people they know. Life in a positive light whether it be fiction or non-fiction. Some children can express and deal with life challenges sometime by feeling other people unfortunate by expressing how it affects them. I pray the children will always come out with a positive outlook from reading my books by being gentle, courteous, respectful, kind, and grateful in any situation. I always believe there will always be light at the end of every tunnel. Although there might be heartache, pain, sacrifices, as well as strife, I personally feel there will be light somewhere waiting for a slight of relief for others. But in the mist of all of that turmoil, we must admit and remember we still need light in our hearts and life. Therefore, I humbly ask and say let our children imagine, wish, hope, and dream. For they are imagining and dreaming for tomorrow while their hopes and wishes are for today. So let them live their dreams and to the world I always say dream to live for living is your dreams.

The Boy Scouts Book of Stories Morgan Robertson, 2014-04-25 So much of my time is given to reading boys' books that when I read books for grown-ups now and again I find myself saying What a bully story for boys to read. Lately I have been putting down the titles of such stories. When the list began to lengthen it occurred to me why not make a book for boys containing stories like that stories written for grown-ups but also of interest to boys in their early teens. A rollicking rich self-portrait written by one of today's greatest living actors. The story of a young wastrel, incurably romantic, spoiled rotten, his privileged Montreal background rich in Victorian gentility included steam yachts, rare orchid farms, music lessons in Paris and Berlin, who tore himself away from the ski slopes to break into the big bad world of theater, not from the streets up but from an Edwardian living room down. Plummer writes of his early acting days on radio and stage with William Shatner and other fellow Canadians of the early days of the Stratford Festival in southern Ontario, of his Broadway debut at twenty-four in *The Starcross Story* starring Eva Le Gallienne. It opened and closed in one night but what a night of joining Peter Hall's Royal Shakespeare Company; its other members included Judi Dench, Vanessa Redgrave, and Peter O'Toole. Of his first picture *Stage Struck* directed by Sidney Lumet and of *The Sound of Music* which he affectionately dubbed *Sir Tyrone Guthrie*.
