Good News for Young and Old Anonymous, 2023-03-21 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost The Good News of the Apocalypse Ione L. Sedinger, 2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn't the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger's experience with a study group for teenagers Everything in life is under God's control and so Pastor Sedinger refers to life as God's Dance The Good News is that Jesus came to teach us how to dance with God **Good News** Peter J. require a radical parenting reset on your part Todd Friel has witnessed to hundreds of university students most of whom are Bible belt backsliders Reset for Parents gets to the heart of the issue and presents a solid biblical roadmap for parents to avoid the pain and heartache of raising a prodigal [A Monk in the Inner City](#) Mary Lou Kownacki,2008 Many centuries ago the ancient Desert Fathers and Mothers moved into the wilderness to leave behind the compulsions of the world and draw near to God For Mary Lou Kownacki a Benedictine nun and long time peacemaker her wilderness is the inner city of Erie Pennsylvania surrounded by poor families trying to survive and keep hope alive in the midst of drugs violence and despair From this outpost on the margins she observes the world in poetic meditations written with the passion of a prophet and the heart of a mystic I write about days when spiritual security not fear was a neighborhood s gift to children I write about the sin of ignoring those who have the same needs we all do but no way to satisfy them It is one way of trying to stretch my monk s robe until it embraces the suffering world

Global Dictionary of Theology William A. Dyrness, Veli-Matti Kärkkäinen,2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and

reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today s global context *The Good News of the Apocalypse* Rev Ione L. Sedinger,Ione L. Sedinger,2011-11 Christ knew we would never be happy without a personal viable relationship with him and his Father He knew the only way for us to truly know him would be to learn his story This is why Jesus last commission to his disciples was for them to study the Word in order to teach the Word to others Through intense study of the New Testament The Good News of the Apocalypse shows you how to have a meaningful and an intimate relationship with Jesus Christ Pastor Sedinger offers a complete overview of the books of the New Testament She breaks down each book through guided readings and gives a thorough explanation of the book s events and message In addition Sedinger incorporates other biblical studies in her narrative to provide a well rounded understanding of the New Testament At the heart of this study is the overwhelming importance of accepting Jesus as your personal savior and developing a relationship with him Knowing about him is not enough to build this relationship Instead we must study Scripture and apply it to our lives The Good News of the Apocalypse will help you in this remarkable journey by complementing your Bible reading and giving you a new understanding of the Gospel **Cumulative List of**
