

A long-exposure photograph of a night sky filled with star trails, creating a sense of motion. The trails are curved and sweep across the frame. Below the sky, a dark silhouette of a person stands on a snowy, flat landscape. The horizon is visible with some distant trees and a faint orange glow from the setting or rising sun. The overall mood is serene and contemplative.

Besorah Mark S.

Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of

the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel *besorah* as a prophetic message of salvation for Israel and all nations In Luke's *besorah* the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the *besorah* is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century *The Good News According to Matthew* Eduard Schweizer,1975-01-01 The Good News according to Matthew is a brilliant passage by passage investigation of the longest Gospel By comparing Matthew with his sources Mark the Saying Source early liturgies and with parallels like Luke earlier wisdom literature and Qumran texts Schweizer is able to isolate Matthew's distinctive view of Christ **Dictionary of Jesus and the Gospels** Joel B. Green, Scot McKnight, I. Howard Marshall,1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **Acts** Carl R. Holladay,2016-08-01 Highly respected scholar Carl R Holladay offers an in depth critical commentary on the book of Acts in this new work from the acclaimed New Testament Library series Holladay offers a theological contextual and literary interpretation paying attention to Acts as a rich narrative that accounts for the development of the early Christian church He sees Luke's literary style as an expression of its theological purpose Holladay writes Convinced that Jesus life and death and the emergence of the early Christian movement occurred under divine guidance and continued the biblical story by fulfilling God's ancient promises Luke decided to incorporate them into a grandly conceived narrative told in a dignified yet dramatic style Acts reflects the close relationship between medium and message yet it also illustrates how the medium is the message Holladay's commentary is theologically rich and steeped in narrative analysis that understands the high level of literary style as an expression of the theological content and the telling of the Christian origin The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing The editorial board consists of C Clifton Black Princeton Theological Seminary M Eugene Boring Brite Divinity School and John T Carroll Union Presbyterian Seminary *The Character and Purpose of Luke's Christology* Douglas Buckwalter,1996-08-28 Luke's christology is carefully designed Luke portrays the exalted Jesus as God's co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus

behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him

The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do **So**

Ryrie, 1997-07-01 What is the Gospel Confusion about the Gospel is a serious problem of tremendous magnitude It's not just semantics It's the eternal difference between heaven and hell But there is Good News Follow along in this scholarly yet readable work as Dr Ryrie carefully explains what the Bible has to say about salvation discussing man's hopeless state before meeting Jesus God's grace in saving us and our call to obedience as we walk with Him In *So Great Salvation* Dr Ryrie also addresses many questions raised by those who hold to the lordship salvation position Does Jesus have to be the Lord of every area of our lives before we are saved What about backslidden Christians What is easy believism Join Dr Ryrie as he studies the important topic of salvation Discover how God's grace is all we need to enter the kingdom of heaven *Greek and English Lexicon of the New Testament ...* John Parkhurst (M.A.), 1851 **Word, Care, and**

Worship Peter Nyende, 2025-04-14 In this second volume by Dr Peter Nyende he outlines a biblical theology of pastoral ministry that highlights its vital importance and provides a comprehensive understanding of its fundamental goals and activities This understanding is rooted in Jesus's designation as the chief shepherd which is the fulfilment of the pastoral responsibilities of the priests and prophets in the Old Testament and the catalyst of the ministry of the apostles and their non apostolic counterparts in the New Testament Nyende identifies the three components of pastoral ministry in the Bible as preaching and teaching the word caring for those in difficulty and facilitating worship thus providing readers with an exemplary framework for a truly biblical model of pastoral ministry This book is for pastors and theological students who seek to deepen their understanding of pastoral ministry by going beyond the mechanics of their everyday tasks and discovering the true goal and meaning that fuels their ministry *The Historical Jesus in Recent Research* James D. G. Dunn, Scot McKnight, 2005-01-01 The past two or three decades have witnessed significant activity in research on the Jesus of the Gospels and history In fact there has been such a plethora of publication on such a wide variety of facets of this issue that it is difficult to keep pace with the rate of publication In this volume Dunn and McKnight have collected and provided

Seventh edition, corrected. [With a portrait.]* John PARKHURST (M.A.),1813 *The Death of the Messiah and the Birth of the New Covenant* Michael J. Gorman,2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement over emphasize the penultimate purposes of Jesus death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit filled people of God The New Testament s various atonement metaphors are part of a remarkably coherent picture of Jesus death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us **A Greek and English Lexicon to the New Testament ... To this work is prefixed, a plain and easy Greek grammar ... The third edition, corrected, etc** John PARKHURST (M.A.),1812
