The Good Shepherd and the Child Sofia Cavalletti, Patricia M. Coulter, Gianna Gobbi, Silvana Q. Montanaro, 1995 The constant message of this book is that children s natural openness to and wonder of God s presence can be nurtured by caring adults who listen pray and journey with them in the faith It is through hearing and learning with the heart about the story and the image of the Good Shepherd that children can be led to the joy of the Good News Book cover

The Good Shepherd Jennifer Awes Freeman, 2021 A statuette of Egyptian King Pepi formidably wielding a shepherd s crook stands in stark contrast to a fresco of an unassuming Orpheus like youth gently hoisting a sheep around his shoulders Both images however occupy an extensive tradition of shepherding motifs In the transition from ancient Near Eastern depictions of the keeper of flocks as one holding great power to the more pastoral scenes of early Christian art it might appear that connotations of rulership were divested from the image of the shepherd The reality however presents a much more complex tapestry The Good Shepherd Image Meaning and Power traces the visual and textual depictions of the Good Shepherd motif from its early iterations as a potent symbol of kingship through its reimagining in biblical figures such as the shepherd king David and onward to the shepherds of Greco Roman literature Jennifer Awes Freeman reveals that the figure of the Good Shepherd never became humble or docile but always carried connotations of empire divinity and defensive violence even within varied

sociopolitical contexts The early Christian invocation of the Good Shepherd was not simply anti imperial but relied on a complex set of associations that included king priest pastor and sacrificial victim even as it subverted those meanings in the figure of Jesus both shepherd and sacrificial lamb The concept of the Good Shepherd continued to prove useful for early medieval rulers such as Charlemagne but its imperial references waned in the later Middle Ages as it became more exclusively applied to church leaders Drawing on a range of sources including literature theological treatises and political texts as well as sculpture mosaics and manuscript illuminations The Good Shepherd offers a significant contribution as the first comprehensive study of the long history of the Good Shepherd motif It also engages the flexible and multivalent abilities of visual and textual symbols to convey multiple meanings in religious and political contexts *The Good Shepherd, Gentle Guide, and Gracious Host* Patrick Allen, 2020-03-19 The Good Shepherd Gentle Guide and Gracious Host is a collection of fifteen discipleship meditations organized around three metaphors from the Twenty Third Psalm Why does the Twenty Third Psalm connect so profoundly with the human spirit whether we are grieving hoping or suffering The answer has much to do with the approachable inviting metaphors for God that are expressed in this psalm the good shepherd the gentle guide and the gracious host as well as the full range of human emotions that rise up within us when we read them Each chapter contains a powerful personal story told by one of the Northwest's best storytellers an inviting meditation from a line of the psalm the wisdom of Scripture some words of practical advice and questions for reflection and discussion Suited for personal devotions or small discipleship groups The Good Shepherd Gentle Guide and Gracious Host invites all of us to an adventure of grace healing and hope seeing God as approachable good loving and kind As our understanding of God's love and care matures our spiritual journeys will take on a new character too This book will highlight the path ahead providing fence posts guide posts and lamp posts as we make our way home **The good Shepherd and his lambs [ed. by H.F.
