Good Stewardship A Handbook For Seminary Trustees:

Good Stewardship ,1991 Piety and Plurality Glenn Thomas Miller,2014-06-09 I began studying American theological education in the 1970s and *Piety and Plurality* is the third of three studies In *Piety and Intellect* I examined the colonial and nineteenth century search for a form of theological education that was true to the church s confessional traditions and responsible to the intellectual demands of the age In *Piety and Profession* I described how that model was modified under the impact of the new biblical criticism and by the American belief in professionalism In this volume I have tried to bring the story up to date Unfortunately I did not find one unifying theme for the period Rather theological education seemed to move forward on a number of different levels each with its own story Here I have tried to capture some of the dynamics of this movement and to indicate how theological educators have struggled with the plurality in their midst In the process theological education has learned to live with its contradictions and problems As important as the stories are however there is also the story of the schools struggles to live in the midst of a constant financial crisis that checked development at every stage **Serving Communities** Jason Ferenczi,2015-10-14 The contexts in which theological schools operate is changing rapidly presenting CEOs administrators faculty and governing bodies with new challenges How can theological schools adapt to these changing contexts while maintaining missional clarity What role do each of these groups of actors play in this process This publication describes the experience of four theological schools and presents some practical suggestions for how they can adapt in dynamic environments *Progressions* ,1989 **Finding Leaders for Tomorrow's Churches** Roy M. Oswald,1993 **Christian Freedom** Clayton N. Jefford,1993 This fascinating book explores the contemporary issue of religious freedom and its relevance for the modern Christian With a refreshing blend of scholarly objectivity and pastoral sensitivity the volume offers the insights of the American scholars as they seek to investigate the role of Christian freedom within their individual fields of expertise From the apostle Paul to the civil rights movement of more recent days and from the question of the human right for choice to the contemporary debate over new approaches to religious education this book provides numerous insights into a topic that has engaged church historians theologians and ethicists for centuries *Notes* ,1990 Who's who in America ,1995 *Guide of Soul and Mind* Barry L. Callen,1992 *Who's who in Religion* ,1992 **Southern Baptist Handbook** ,1953 *Trustees, Presidents and Deans of American Colleges and Universities* ,1958 **West Virginia Handbook and Manual and Official Register** ,1981 The Book of Order of the Moravian Church in America (Unitas Fratrum), Northern Province Moravian Church in America.
