**Staursky defeats Flores in Brunswick ward 4 race**

By GARY MCLENDARO

BRUNSWICK — George Staursky won the Ward 4 seat Tuesday night in a stunning upset of the incumbent, Anthony Flores. The main issue of the campaign, so far as Staursky was concerned, was the record of Flores.

Staursky said Flores was ahead from too many council meetings and was not representing the ward properly.

people have bipolar disorder and its onset almost always hits during the fragile teenage years My lows took me to the depths of anxiety and pain By comparison my highs seemed magical but how long can you live on 2 hours of sleep a night My poor parents fearing for me and my safety hired bodyguards to try to protect me from myself and the predators who surrounded me One stood by me throughout my long road to recovery He s been my rock for 16 years and my husband for 10 I am sharing my personal story including my shocking extremes of behavior to help other families understand what is happening to their loved ones When my parents tried to understand what was happening to me the only books they found were dry clinical accounts of sad mad lost people not exactly encouraging words for a mom and dad desperately clutching at straws Most people find it hard to believe what I experienced how I managed to survive and how I can be thriving now My story proves that you can go away and come back again and that no matter how bad things look there is hope for a better future

**A Poetic Journey** Tina Kaye Hoyer, 2011-04-13 I look in the mirror and what do I see? The vision unravels of what is to be. The shell of a woman whose life has been taken away. What does it mean to look forward to a new day? Take me away from the life that I lead. All I feel is the need to bleed. The desire to see red is like hunger or greed. Unzip my skin and set my heart free. Is there such a thing as a happy me? Or carrying this burden will I always be? From fleeing for her life from a crazed boyfriend to an accidental overdose of prescribed medications and not to mention a life-threatening cutting disorder and eight stays in mental institutions, Tina has overcome monumental obstacles to get to where she is now. Her goal with this book is to inspire and to help others with Bipolar Disorder realize each has different challenges but all can be managed with the proper amount of drive, persistence, and desire to do so. In this book, her poetry tells the traumatic story of her battle back to reality from her living hell with all the raw emotion she was feeling along the way. Tina opens her heart and soul and pours it out before you in these pages through her intense gut wrenching poems. You will follow Tina on her journey as she describes to you through her poetry what it took to return to reality. Through them, you get close insight into how the Bipolar mind works as it goes from extreme agitation to complete hopelessness and then to a manic euphoria. We hope that you will not only enjoy this book but will learn from it as well.

**My Bipolar Life** Jane S, 2017-11-26 THE CHALLENGE OF LIVING LIFE AS BOTH A BIPOLAR AND AN ALCOHOLIC Jane S is one of the 60 percent or more of manic depressives, persons severely bipolar who are also alcoholics. Her bipolar life story covers forty-seven years of sobriety and forty-five years on lithium therapy, how her illnesses have interacted and particularly how much of the shape of her life and her achievement of her life's goals, including for the last forty-seven years, sobriety has been shaped by her bipolarity. This book is important reading for those dealing with manic depression, either in those close to them or in themselves, and even more for those who suffer from both of Jane's diseases. Her memories include literally the good: paying cash down for her first Mustang, though that was because she didn't know how to work a bank account; the bad: the sailboat she was on being boarded by the Coast Guard off Maryland and the ugly hearing her head being dribbled like a basketball outside her side room in the hospital; and the very good: the white light dream that began her recovery from alcoholism. She is believed to have been on lithium therapy for her condition longer than anyone else in the United States.
