which profited Hull so well came at a higher cost than most would expect. In only 100 years the population rose from 22000 to 239000. Houses were built quickly and close together, public health suffered dramatically and disease was rife. The vast population meant a very high level of crime. With almost one murder every other week, assaults, suicides and other acts of violence were so frequent that newspapers only reported the most vile of crimes. Victorian Hull was a very dangerous place to live indeed. David Goodman has put together a number of murders, suicides and unsolved murders from 1873 through to 1924. Stories include Murder on the Farm 1903, Annie Marshall, a 15 year old farm worker was shot twice in the face and dumped into the river by a fellow worker. Horrific Child Murder 1873, Sarah Alice, only 4 months old was beheaded by her own mother after she failed to bond with the child. She was found not guilty on the grounds of insanity and detained at Her Majesty's pleasure.

**The Harbour Girl** Val Wood, 2011-11-10. Scarborough 1880. Jeannie spends her days in the town's teeming fishing port waiting for Ethan Wharton to return on his father's trawler. She had always expected to marry the loyal and dependable Ethan, but when she meets Harry, a handsome stranger from Hull, Jeannie can't help but fall for his charm. When Jeannie falls pregnant and Harry breaks his promise to come back for her, she is alone. Resolving to make a better life for her and her child, Jeannie moves to the city in a bid to keep them from poverty. Starting over brings heartache and tragedy, and Jeannie finds herself longing for her lost love. But will Ethan find the strength to forgive her? If you enjoy books by Katie Flynn and Dilly Court, you'll love Val's heartwarming stories of triumph over adversity.

A Sister's Wish Donna Douglas, 2021-03-01. FROM SUNDAY TIMES BESTSELLING AUTHOR OF THE NIGHTINGALE GIRLS. DONNA DOUGLAS. A fascinating portrait of everyday life on the home front in wartime with its hopes and hardships, and will leave readers counting down to the next visit to Jubilee Row. Lancashire Post Spring 1941. The families of Jubilee Row are still reeling from the loss of one of their own, and as the Blitz on Hull intensifies, it seems as if there will be more tragedies to come. As the street braces itself, Iris Fletcher returns home from the hospital where she has been recovering after the death of her best friend and youngest child. But Iris has no time to mourn, devastated by the loss of their little sister Archie, and Kitty desperately need their mother. Meanwhile Edie Copeland is besotted with her infant son. Being a single mother is hard, but Edie finds support in the form of Jack Maguire, who like Edie is raising his boys alone. As the pair grow closer, Edie begins to wonder whether they could ever be anything more than friends. Capable mum Ruby Maguire takes charge, as usual, bolstering spirits and lending a hand, as well as trying to keep her flighty sister Pearl on the straight and narrow. But the unexpected appearance of a face from her past threatens Ruby's future far more than Hitler's bombs. *The Mammoth Book of Superstition* Roy Bainton, 2016-11-10 Rather than providing a dictionary of superstitions of which there are already numerous excellent exhaustive and in many cases academic works which list superstitions from A to Z Bainton gives us an entertaining flight over the terrain landing from time to time in more thought provoking areas He offers an overview of humanity's often illogical and irrational persistence in seeking good luck and avoiding misfortune While Steve Roud's two excellent books The Penguin Dictionary of Superstitions and his Pocket Guide and Philippa Waring's 1970 Dictionary concentrate on the British Isles Bainton casts his net much wider There are many origins which warrant the full back story such as Friday the thirteenth and the Knights Templar or the demonisation of the domestic cat resulting in cat holocausts throughout Europe led by the Popes and the Inquisition The whole is presented

as a comprehensive entertaining narrative flow though it is of course a book that could be dipped into and includes a thorough bibliography Schoenberg who developed the twelve tone technique in music was a notorious triskaidekaphobe When the title of his opera Moses und Aaron resulted in a title with thirteen letters he renamed it Moses und Aron He believed he would die in his seventy sixth year 7 6 13 and he was correct he also died on Friday the thirteenth at thirteen minutes before midnight As Sigmund Freud wrote Superstition is in large part the expectation of trouble and a person who has harboured frequent evil wishes against others but has been brought up to be good and has therefore repressed such wishes into the unconscious will be especially ready to expect punishment for his unconscious wickedness in the form of trouble threatening him from without The Publisher and Bookseller ,1929 Official organ of the book trade of the United Kingdom
