

GOODY SHERMAN'S PIG

MARY BLOUNT CHRISTIAN
ILLUSTRATED BY DIRK ZIMMER

Goody Shermans Pig

Darren Staloff

Goody Shermans Pig:

Goody Sherman's Pig Mary Blount Christian, Dirk Zimmer, 1991 In Massachusetts in 1636 Goody Sherman begins a legal battle over her pig that ends up dividing the legislative department of the colony into two independent branches

The Making of an American Thinking Class Darren Staloff, 2001 This pathbreaking study offers a radical new interpretation of the political religious and intellectual history of Puritan Massachusetts More than simply a theologically inspired Biblical commonwealth the church state of the Bay Colony was a seventeenth century one party state where congregations served as ideological cells

Mirrors for Princes Michael Keeley, 2024-09-02 A historical look at the roots of management theory reveals its flaws and offers important lessons for today's leaders For four thousand years kings and queens ruled the known world while management experts in the guises of sages clerics and courtiers of all kinds told them how to do it These proto experts in leadership ethics and strategy wrote books describing the perfect prince In such books rulers could seek and polish their own reflection as in a looking glass These books were called mirrors for princes Mirrors for Princes documents the clichés of this genre of literature Typical mirrors taught the same formula over and over that people behave badly because of their pursuit of self interest which needs to be harnessed to a common goal by the ruler or leader Eighteenth century revolutions spelled the demise of princes and books that sought to instruct them Today the clichés of mirrors for princes live on in modern mirrors for managers The rhetoric of common goals and transformational leadership has a pleasing resonance for top managers affirming their authority just as it did for kings and queens in mirrors for princes Keeley's goal is to sensitize readers to these clichés and to provide today's business leaders with the tools to think more critically when reading business books Mirrors for Princes concludes with advice for writers of management literature suggesting how organizational theorists and business ethicists might avoid replicating the clichés of mirrors for princes by adopting a social contract model of organizations

Founding Mothers & Fathers Mary Beth Norton, 2011-08-03 Much like A Midwife's Tale and The Unredeemed Captive this novel is about power relationships in early American society religion and politics with insights into the initial development and operation of government the maintenance of social order and the experiences of individual men and women

The Good Rich and What They Cost Us Robert F. Dalzell, 2013-01-08 This timely book holds up for scrutiny a great paradox at the core of the American Dream a passionate belief in the principle of democracy combined with an equally passionate celebration of the creation of wealth Americans treasure an open equal society yet we also admire those fortunate few who amass riches on a scale that undermines social equality In today's era of vulture capitalist hedge fund managers internet fortunes and a growing concern over inequality in American life should we cling to both parts of the paradox Can we div To understand the problems that vast individual fortunes pose for democratic values Robert Dalzell turns to American history He presents an intriguing cast of wealthy individuals from colonial times to the present including George Washington one of the richest Americans of his day the robber baron John D Rockefeller and

Oprah Winfrey for whom extreme wealth is inextricably tied to social concerns Dalzell uncovers the sources of contradictory attitudes toward the rich how the very rich have sought to be perceived as good rich and the facts behind the widespread notion that wealth and generosity go hand in hand In a thoughtful and balanced conclusion the author explores the cost of our longstanding attitudes toward the rich

Texas Women Writers

Sylvia Ann Grider, Lou Halsell Rodenberger, 1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists

Publications of the Colonial Society of Massachusetts, 1920 Primarily consists of Transactions v 1 3 5 8 10 14 17 21 24 28 32 34 35 38 42 43 and Collections v 2 4 9 15 16 22 23 29 31 33 36 37 39 41 also includes lists of members

Transactions of the Colonial Society of Massachusetts Colonial Society of Massachusetts, 1919

The Charles Arthur Bernon Tourtellot, 2014-01-15 Intriguing amusing anecdotes highlight this history of the Charles River and its denizens Appealing line drawings illustrate tales of colonial settlers and more recent residents in the Boston Charlestown and Cambridge areas

Colonial Massachusetts Laws and Liberties and the English Commonwealth Charles Edward Smith, 2024-08-19 On July 4 1653 the Nominate or Barebones Parliament convened with a minority of committed radicals Levellers and religious extremists and a conservative majority of Cromwell's allies During acrimonious debates on law reform the radicals demanded a condensed law book similar to the one adopted in Colonial Massachusetts These mostly overlooked events reveal a radical wing of Puritanism determined to found a self governing state fully cognizant of the real possibility that England would interdict such attempts by force of arms This work investigates the motives for such a hazardous undertaking and the possible influences these events had on the colony's posterity

Transactions Colonial Society of Massachusetts, 1920

American Odyssey, 1607-1789 Paul Robert Lucas, 1984

The Anatomy of National Fantasy Lauren Berlant, 1991-08-13 Examining the complex relationships between the political popular sexual and textual interests of Nathaniel Hawthorne's work Lauren Berlant argues that Hawthorne mounted a sophisticated challenge to America's collective fantasy of national unity She shows how Hawthorne's idea of citizenship emerged from an attempt to adjudicate among the official and the popular the national and the local the collective and the individual utopia and history At the core of Berlant's work is a three part study of *The Scarlet Letter* analyzing the modes and effects of national identity that characterize the narrator's representation of Puritan culture and his construction of the novel's political present tense This analysis emerges from an introductory chapter on American citizenship in the 1850s and a following chapter on national fantasy ranging from Hawthorne's early work Alice Doane's *Appeal to the Statue of Liberty* In her conclusion Berlant suggests that Hawthorne views everyday life and local political identities as alternate routes to the revitalization of the political and utopian promises of modern national life

Massachusetts N. L. Zaroulis, Nancy

Zaroulis,1991 Massachusetts a state born of bravery controversy and confrontation a place where American roots run deep Both the furnace and the fuel for the fires of Independence Massachusetts embodies the indomitable spirit of America It did so in the beginning and the tradition lives on to this day *Chapter Books* Joyce Armstrong Carroll,1992 Heavenly Merchandize Mark Valeri,2014-01-05 Focusing on the economic culture of colonial New England Heavenly Merchandize views commerce through the eyes of four generations of Boston merchants drawing upon their personal letters diaries business records and sermon notes to reveal how merchants built a modern form of exchange out of profound transitions in the puritan understanding of discipline providence and the meaning of New England From publisher s description

America's Story ,1997 *Salem in the Seventeenth Century* James Duncan Phillips,1933 Appendices begin p 337

Godly Letters Michael J. Colacurcio,2006-08-15 In *Godly Letters* Michael J Colacurcio analyzes a treasury of works written by the first generation of seventeenth century American Puritans Arguing that insufficient scrutiny has been given this important oeuvre he calls for a reevaluation of the imaginative and creative qualities of America s early literature of inspired ecclesiological experiment one that focuses on the quality of the works as well as the demanding theology they express Colacurcio gives a detailed richly contextualized account of the meaning of these godly letters in rhetorical theological and political terms From his close readings of the major texts by the first generation of Puritans including William Bradford Thomas Hooker Edward Johnson John Winthrop Thomas Shepard and John Cotton he expertly illuminates qualities other studies have often overlooked In his words close study of the literature yields work comprehensive circumspect determined subtle energetic relentlessly intellectual playful in spite of their cultural prohibitions in spite of themselves even they are in every way remarkable products of a culture that assigned an extraordinarily high place to the life of words Magisterial in sweep *Godly Letters* is likely to stand as the definitive work on the Puritan literary achievement

Bibliographic Guide to Education ,1993 lists publications cataloged by Teachers College Columbia University supplemented by The Research Libraries of The New York Public Library
