You're Fifty-Now What? Charles Schwab,2001-03-01 Every eight seconds someone in this country turns 50 an age at which even baby boomers can no longer put off becoming fiscally responsible and planning for the future For everyone who finds that thought daunting and that s an awful lot of us Charles R Schwab America s most trusted figure in financial services is here to outline the simple steps we should take to evaluate what we have determine what we ll need and put our money to work to make our future one of reward instead of worry In the same upbeat user friendly style that made Charles Schwab s Guide to Financial Independence a bestseller You re Fifty Now What offers a mix of clear and workable advice simple worksheets and a healthy dose of encouragement In addition to learning how to accumulate and grow their money readers will even find help with estate planning and charitable giving His message is that the goal is not just financial security but financial peace of mind The way to get there is not by being a spectator but a participant It doesn t take special talent or advanced degrees it just takes attention and a little time With baby boomers living longer and spending more time in retirement the need is clear Charles Schwab s You re Fifty Now What is the perfect place to get started So What's Next! G. J. Griffiths,2014-05-03 Molly Pearson is a young Biology teacher with two passions in her life a strong commitment to protecting wildlife and a desire to encourage the children in her classes to feel the same enthusiasm for Nature When her class decide they would like to restore the school s neglected and vandalised nature corner her hopes are raised and challenged at the same time The hurdles that she meets along the way will include bullied and bullying pupils as well as the expected ones of finance and willing manpower But leaping those fences does not prepare the ambitious Molly for a dramatic fire and the confusion of a new passion in her life in the form of Oliver Shrimpton Will he become that significant someone or

is he just another obstacle for her to overcome G J Griffiths latest novel in the So What series of stories is still based firmly around the events that take place within the walls of Birch Green High School It follows some of the trials and tribulations of Molly Pearson a previous novice teacher who was mentored by Robert Jeffrey the main character from the first book Molly s efforts to spread the important message about protecting wildlife and the natural environment reflect something that has always been important to the author For that reason some of the proceeds from the sales of this book will be donated to wildlife charities Although this book is an exciting novel telling the story of schoolchildren who want to protect garden wildlife it also contains several chapters towards the end with plenty of helpful information for lovers of nature and who want to take a fresh look at making their garden a wildlife garden
