Goodbye Arnold:

Goodbye, Arnold!, 1979 **I AM ARNOLD** REV. DIANE BRADSHAW, 2011-09-15 I don't know any caregiver in the world who doesn't want the very best loving and caring treatment for their loved one. For someone to make the final decision to remove their father, mother, wife, husband, etc. from their own home from the place and people they know and love is a mind-shattering decision. For a loved one with Alzheimer's Disease, a person who can't remember who isn't in control of his or her life, it is especially horrible. Who will be their voice? Who will speak for them? Who will be in charge? This book is about exactly that. Show More Show Less *Arnold* Dave Saunders, 2009-04-30 Arnold Schwarzenegger and the Movies is the first comprehensive in-depth book to examine one of modern cinema's most celebrated and divisive screen presences. Tracing Schwarzenegger's entire film career and life from teenage bodybuilder to Governor of California, Saunders blends close textual readings of the major films including *Pumping Iron*, *Conan the Barbarian*, *The Terminator* series, *Twins*, and *True Lies* with salient historical context and biographical detail, demonstrating continually the importance of broader social and political factors in defining Arnold's unique significance. Representing far more than just a muscular spectacle, Saunders argues Schwarzenegger found powerful ideological and spiritual relevance to his age by embarking on a quest to restore collective faith in his adopted nation and moreover by exploiting his own mythic importance to a post-war America struggling to come to terms with its own contemporary narrative **Celestyn: Clash of Light and Darkness** Augusto

Bodeler, 2024-11-06 In the enchanting realm of Celestyn, three heroes stand against a dark fate that threatens to tear their world and their hearts apart. *Celestyn: Clash of Light and Darkness* weaves a tale of magic, loyalty, betrayal, and redemption where the destinies of a princess, a knight, and a sorceress are interlinked in a story as treacherous as it is thrilling. Princess Sophie is admired throughout Celestyn for her intelligence, grace, and unwavering devotion to her kingdom. Known for her skill in diplomacy, Sophie has kept her people safe from the Kingdom of Nightfrost. Yet her dreams of peace are shattered when she is betrayed and captured, thrust into a world of relentless danger. Her courage will be tested as she learns of a deep ancient power within her and a destiny she could never have foreseen. Torn between her duty to her people and the magnetic pull of dark forces, Sophie must find her true strength all while longing for the one person who's ever captured her heart. Knight Arnold, an Arcane Knight of noble spirit, has dedicated his life to protecting Celestyn. His bravery in battle is matched only by his loyalty to Princess Sophie, the love of his life. Yet as darkness looms, Arnold finds himself pulled into a complex web of alliances and forbidden magics. He is forced to confront not only the external forces threatening his kingdom but also his tangled feelings for Medelyn, a powerful sorceress from his past. Struggling with a promise he must keep to Medelyn, Arnold battles with his heart's desires and the daunting responsibility of wielding an ancient, powerful artifact that may be the kingdom's only hope or its doom. Medelyn, once an ambitious young sorceress, fell into a path of darkness after losing her love, Arnold, to the princess she blames for her suffering. Her talents with forbidden magic make her both a

formidable ally and a feared adversary In her quest for revenge Medelyn isolates herself in the lost valley vowing to gain enough power to reclaim her place in Arnold s life by any means necessary Yet as she delves deeper into the shadows she faces her own inner demons and realizes that the path she s chosen may destroy her soul Medelyn s journey is one of vengeance but also of redemption as she questions whether her heart can truly turn back from the darkness Bound by love divided by duty and tested by the powerful forces of light and shadow Sophie Arnold and Medelyn are caught in a conflict that will decide the fate of Celestyn As the clash between kingdoms intensifies old bonds are shattered secrets are revealed and each character must choose a path that could either save or doom the world they cherish In a battle where loyalty is tested and sacrifices are demanded will the light endure or will darkness claim victory Celestyn Clash of Light and Darkness is a sweeping tale of romance magic and warfare where honor and betrayal walk hand in hand For lovers of epic fantasy and heart wrenching character journeys this book delivers a mesmerizing world where choices have life altering consequences and love and power are in a constant dance Embark on a journey of courage resilience and the ultimate battle for redemption and peace

Captivity in War during the Twentieth Century Marcel Berni,Tamara Cubito,2021-08-27 This book offers new international perspectives on captivity in wartime during the twentieth century It explores how global institutions and practices with regard to captives mattered how they evolved and most importantly how they influenced the treatment of captives From the beginning of the twentieth century international organisations neutral nations and other actors with no direct involvement in the respective wars often had to fill in to support civilian as well as military captives and to supervise their treatment This edited volume puts these actors rather than the captives themselves at the centre in order to assess comparatively their contributions to wartime captivity Taking a global approach it shows that transnational bodies whether non governmental organisations neutral states or individuals played an essential role in dealing with captives in wartime Chapters cover both the largest wars such as the two World Wars but also lesser known conflicts to highlight how captives were placed at the centre of transnational negotiations
