Guiding Spirits (Veritas) Michele L. Sayre, 2023-06-17 GUIDING SPIRITS VERITAS The beauty of poetry is that we try to express with the fewest words possible the entirety of life and our natures and what it is like for us to live upon this planet Words become a song that we sing out into the universe trying to reach out to like minded souls It is our nature to express ourselves and share who we are with the cosmos There s a certain fearlessness attached to a poem when it s presented to the world There s always that one iota of fear where the poet feels that they are alone in their views and someone else will not get them at their most basic level of humanity Poetry is saying Here I am universe Take me as I am I hope you love me but if that cannot happen I will be satisfied if you just don t ignore me To be heard is to matter and that is all any of us want to fulfill the wish that our lives matter That what we think and feel and hope matters to someone other than ourselves This book is an exploration and experiencing of the world around us through the poet s eyes when she was much younger than she is now Through any age we all experience the same emotions desires wants dreams and just a heart felt wish that we matter to someone in this universe even if it s ourselves

POETRY EXCERPT FROM THE BOOK Sweet Music Like the truest violin my heart sings in me It quivers and vibrates with my love for thee It shivers and shakes and begins anew This pulse in my heart it sings just for you An enchanting melody that follows me round not a more haunting melody can ever be found You are that violin and I am your bow Stroking you touching you loving you so The hardness the softness the shimmering air fills with sweet music because I m with you there It resonates and rings with the love we ve found My world is just music it rings with our sound I know our last note will never be played because I know this true love never fades
