Haunted — Incredible True Stories of Ghostly Encounters 2-Book Bundle Dorah L. Williams,2014-05-28 It was an irrational decision Despite having just moved into a beautiful new house the Williams family gave in to an odd overwhelming desire to purchase and move into a Victorian home they had come upon by chance They were curious of course as to why the house had in the past had such a high vacancy rate But that curiosity didn t last long because shortly after moving in strange things began to happen At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing But before long they came to accept the fact that they were sharing their home with ghosts Haunted is the Williams family s story from the point of view of the mother Dorah Through her chilling reminiscences we witness the all too real goings on in the house Upon writing Haunted Dorah thought her situation was unique What she didn t realize was how many others would relate to how it feels to be haunted too After being flooded by emails from people with similar experiences Dorah began to realize this wasn t uncommon at all So Haunted Too came to be Not only will it entertain the reader as good ghost stories always have but it will also help the reader to better understand this phenomenon with the inclusion of shared experiences opinions and advice of professionals in this field **Stalked in the Woods** ,2016-11-22 Don t go in the Woods You might not come back Are you Intrigued by true Creepy Stories in the Woods Do you like stories that make the hairs on the back of your neck go up Stories of Unexplained things in the Woods Creepy Encounters Scary Stories that send a shiver down your spine In the woods in the dark alone or at least you thought you were alone and that s when

Folklore Genres Dan Ben-Amos,2014-06-23 The essays in Folklore Genres represent development in folklore genre studies diverging into literary ethnographic and taxonomic questions The study as a whole is concerned with the concept of genre and with the history of genre theory A selective bibliography provides a guide to analytical and theoretical works on the topic The literary oriented articles conceive of folklore forms not as the antecedents of literary genres but as complex symbolically rich expressions The ethnographically oriented articles as well as those dealing with classification problems reveal dimensions of folklore that are often obscured from the student reading the folklore text alone It has long been known that the written page is but a pale reproduction of the spoken word that a tale hardly reflects the telling The essays in this collection lead to an understanding of the forms of oral literature as multidimensional symbols of communication and to an understanding of folklore genres as systematically related conceptual categories in culture What kinship terms are to social structure genre terms are to folklore Since genres constitute recognized modes of folklore speaking their terminology and taxonomy can play a major role in the study of culture and society The essays were originally published in Genre 1969 1971 introduction bibliography and index have been added to this edition

50 Real Ghost Stories M J Wayland, 2013-02 A real ghost story should never end perfectly That is my rule of thumb After investigating ghost experiences for nearly thirty years I realised that the finely polished stories told by storytellers and ghost walkers were exactly that polished In polishing stories we lose the personality of the haunted and indeed the haunter itself that is why in my books research papers and articles I always maintain the original testaments and facts The stories that I have collected for you now are rough diamonds totally unpolished and any additions by myself are kept to a minimum and noted clearly P 4 of cover
