The Christian Home Samuel Philips,1860 *The Complete Works of Richard Sibbes, D.D.* Richard Sibbes,1864 **The Christian Home as it is in the Sphere of Nature and the Church** Samuel Phillips,1866 *Complete Works ...* Richard Sibbes,1864 **How to Survive in a World of Unbelievers** John F. MacArthur,2001-01-10 How should Christians conduct themselves in an increasingly secular society Jesus answered this troubling question on the eve of His death with some of the most poignant powerful teaching in His entire ministry During those hours He taught His apostles and consequently all believers throughout history How To Survive in a World of Unbelievers Respected pastor teacher and author John MacArthur plumbs the depths of Jesus final words of encouragement to us based on John 13 16 By studying this valuable book you will find answers to these and other difficult questions How can you remain pure hearted and spiritually sound in a church seemingly full of hypocrites How do you help your children stay morally pure when they want to fit in with school friends who prefer objectionable activities How can you keep your family anchored to Christ in a society that is drifting far away from His teaching on family issues such as divorce homosexuality and abortion How do you retain your Christian ethics when you boss asks you to lie or cheat How can you keep your life focused on glorifying Christ in a society that proclaims self pride and personal achievement as marks of success *The Western Harp* ,1867 *The End of the Scroll* Herold Weiss,2020-06-24 Preachers teachers and self proclaimed prophets frequently claim that the end of the world is near often based on their interpretation of Bible books such as Daniel and Revelation Are these claims justified Is there a valuable message in these books In this masterful book Dr Herold Weiss applies a lifetime of study teaching and writing on the Bible to helping readers understand apocalyptic literature and symbolism Avoiding the common error of simply finding something in recent history that can be tied to the text in some way he seeks the purpose of each of the writers Why when expected events failed to take place as predicted did the readers of these books still hold onto them as valuable What is it that they communicated to those readers and can we make use of it now Dr Weiss examines a number of apocalyptic sources some of which you might not have regarded as apocalyptic He finds however that these writers are thinking and writing in a world of apocalyptic imagery From Ezekiel Zechariah and Daniel in the Old Testament to the synoptic gospels Paul s letters and the general epistles in the

new Weiss outlines how understanding the apocalyptic view of the universe can be critical in understanding the message presented As with previous books by Dr Weiss such as *Meditations on According to John* and *Meditations on the Letters of Paul* this book provides a practical view of biblical theology in action He looks at both the broad overview of the message giving a framework and then fills in the details on a verse by verse passage by passage basis so the reader can see how individual statements and themes fit into a larger framework He concludes by pointing out how by understanding the work of the apocalypticists and following the examples of their readers we can find spiritual value and encouragement in these books This book is suitable as an introduction to apocalyptic literature or as a way of organizing one's thinking after reading a number of these books It would also be suitable for reading in an experienced small study group

The Child at Home, 1860 *Far From Home* FFH, 2010-06-15 In this book the popular Christian artists of FFH share experiences from their lives on the road as well as devotional thoughts learned from those experiences You know what it's like to be far from home craving the warmth of those you love You experience feelings and emotions that you don't normally feel when at home surrounded by those who care In this book the popular Christian artists of FFH share experiences from their lives on the road as well as devotional thoughts learned from those experiences Also included are letters from the road prayers to our Heavenly Father expressing struggles hopes longings and challenges just like the ones you feel and room for you to write your own letters from the road to God who eagerly anticipates your homecoming Though the world we live in can feel strange even hopeless at times your loving Father offers acceptance love forgiveness and understanding So join FFH in this inspirational book that will help you feel closer to the Father who loves you unconditionally You will never be the same And although you may be far from home you will feel closer than you ever dreamed you could
