

# DREAM THEORY

A surreal, dreamlike landscape featuring floating islands, a glowing portal, and a celestial sky. The scene is set in a vast, dark blue space filled with stars and nebulae. In the center, a large, lush green island floats above a body of water, with a bright, glowing blue and white portal or archway on its surface. The portal is reflected in the water below. To the left and right, other smaller floating islands are visible, some with trees and others with glowing blue lights. The sky is filled with various celestial bodies, including a large crescent moon, several smaller moons, and a bright sun or star on the right side. The overall atmosphere is ethereal and otherworldly.
