Ambiguous Aggression in German Realism and Beyond Barbara N. Nagel, 2019-10-17 Our main words defining emotional states suggest that we have clarity about them expressions like love hatred anxiety or sorrow seem clear enough The reality however tends to be more complicated We are often faced with gestures and utterances that are difficult to interpret we thus find ourselves wondering about the affective force of what has just been said Was that an insult Flirtation Aggression Ambiguous Aggression in German Realism and Beyond looks at three interlocking forms of social violence flirtation passive aggression and domestic violence In order to understand their circulation it traces their literary historical genealogy in German realism and modernism in scenes from Annette von Droste H Lshoff Adalbert Stifter Theodor Storm Theodor Fontane Robert Walser and Franz Kafka covering a historical period from the middle of the 19th century to the early decades of the 20th century Reading realist and modernist literature through 21st century affect theory and vice versa the analyses collected in this book show the deep literary history of our current cultural predicaments and predilections **HPI Chronicles Volume III: Beyond the Norm** Alison Breskin, 2012-10-17 Join Paul Dale Roberts and the H P I International crew in their 3rd installment of H P I Chronicles Be there as they delve into the world of the paranormal with true interviews investigations and much more Demons Vampires and Ghosts Oh my **Activism through Music during the Apartheid Era and Beyond** Ambigay Yudkoff, 2021-06-24 Activism through Music during the Apartheid Era and Beyond documents the grassroots activism of Sharon Katz the Peace Train against the backdrop of enormous diversity and the volatile social and political climate in South Africa during the early 1990s Among the intersections of race healing and the soft power of music Katz offers a vision of the possibilities of national identity and belonging as South Africans grappled with the transition from apartheid to democracy Through extensive fieldwork across two countries South Africa and the United States and drawing on personal experiences as a South African of color Ambigay Yudkoff reveals a compelling narrative of multigenerational collaboration This experience creates a sense of community fostering relationships that develop through music travel performances and socialization In South Africa and the United States and recently in Cuba and Mexico the Peace Train s journey in musical activism provides a vehicle for racial integration and intercultural understanding **Beyond the Bear** Dan Bigley, Debra McKinney, 2013-03-21 A 25 year old backcountry wanderer a man happiest exploring wild places with his dog Dan Bigley woke up one midsummer morning to a day full of promise Before it was over after a stellar day of salmon fishing along Alaska s Kenai and Russian rivers a grizzly came tearing around a corner in the trail Dan barely had time for bear charging to register before it had him on the ground altering his life forever Upper nose eyes forehead anatomy unrecognizable as the medevac report put it Until then one thing after another had fallen into place in Dan s life He had a job he loved taking troubled kids on outdoor excursions He had just bought a cabin high in the Chugach Mountains with a view that went on forever He was newly in love After a year of being intrigued by a woman named Amber they had just spent their

first night together All of this was shattered by the mauling that nearly killed him that left him blind and disfigured Facing paralyzing pain and inconceivable loss Dan was in no shape to be in a relationship He and Amber let each other go Five surgeries later partway into his long healing journey they found their way back to each other The couple's unforgettable story is one of courage tenacious will and the power of love to lead the way out of darkness Dan Bigley's triumph over tragedy is a testament to the ability of the human spirit to overcome physical and emotional devastation to choose not just to live but to live fully Visit Dan Bigley's site or *Beyond the Bear* **Bioethics Beyond the Headlines** Albert R.

Jonsen, 2005-08-31 Bioethics asks fundamental questions Who lives Who dies Who decides These questions are relevant to us all Too often the general public's sole encounter with these weighty questions is through sound bites fed to us by the media where complex difficult matters are typically presented in superficial and inaccurate terms Here renowned bioethicist Albert R. Jonsen equips readers with the tools and background to navigate the fascinating and complex landscape of bioethics *Bioethics Beyond the Headlines* is a primer You will not find convoluted philosophical arguments in this volume Rather you will find an engaging sampling of the key questions in bioethics including euthanasia assisted reproduction cloning and stem cells neuroscience access to healthcare and even research on animals and questions of environmental ethics areas typically overlooked in general introductions to bioethics But a primer is not merely a first book it should also prime the interest of the reader to prepare the mind for a more expansive venture into these issues *Bioethics Beyond the Headlines* intends to do just that *Beyond Safety* Emily Johansen, 2021-09-09 *Beyond Safety* argues that concerns about the ethical impossibility of individual safety in the face of risks with increasingly obvious global consequences alters representations of neoliberal contemporary life As the climate crises in the Caribbean and Australia ongoing European refugee and American border crises and most recently anxieties about Coronavirus illustrate contemporary life is characterized by global connections that produce and reflect precarious outcomes and dangers The ability to ignore risk or shift it to others underscores the fact that it is mitigable for particular segments of society while inescapable for others Emily Johansen investigates depictions of global danger and safety in contemporary transnational fictional and popular texts those characterized by a narrative or representational emphasis on border crossing and global interdependences She demonstrates how these texts use risk to question and re-imagine the norms and practices of contemporary global citizenship *Beyond Safety* thus brings together three of the central keywords of contemporary literary criticism of the last ten years cosmopolitanism precarity neoliberalism and shows how their intersection allows for a fuller conception of contemporary life and imagines a new global future
