From Mobtown To Charm City Papers From The Baltimore History Conference:

From Mobtown to Charm City Jessica I. Elfenbein, John R. Breihan, Thomas L. Hollowak, 2002 A collection of thirteen original and illuminating essays representing the latest scholarship drawn from the Baltimore History Conference of 1996 and 1999 and ranging across a wide spectrum of subjects Touching upon such varied facets of Baltimore life as an early murder trial alley houses volunteer fire companies slums secession post Civil War racial accomodation World War II aircraft workers a populist uprising in the 1960s public housing and the school system the authors amply demonstrate yet again that small subjects give rise to larger ideas **Baltimore's Harbor Haunts** Melissa Rowell, Amy Lynwander, 2005 This spellbinding book exposes some of Baltimore Maryland s unknown histories and uncovers 37 hauntings along the water From the ghost of a drowned boy in Canton to famous ghosts of Fort McHenry these tantalizing stories pay homage to the more spirited residents of the Canton Fell s Point Inner Harbor Federal Hill and Locust Point neighborhoods *Lost in the Transit Desert* Diane Jones Allen, 2017-07-28 Increased redevelopment the dismantling of public housing and increasing housing costs are forcing a shift in migration of lower income and transit dependent populations to the suburbs These suburbs are often missing basic transportation and strategies to address this are lacking This absence of public transit creates barriers to viable employment and accessibility to cultural networks and plays a role in increasing social inequality This book investigates how housing and transport policy have played their role in creating these Transit Deserts and what impact race has upon those likely to be affected Diane Jones Allen uses research from New Orleans Baltimore and Chicago to explore the forces at work in these situations as well as proposing potential solutions Mapping interviews photographs and narratives all come together to highlight the inequities and challenges in Transit Deserts where a lack of access can make all journeys such as to jobs stores or relatives much more difficult Alternatives to public transit abound from traditional methods such as biking and carpooling to more culturally specific tactics and are examined comprehensively This is valuable reading for students and researchers interested in transport planning urban planning city infrastructure and transport geography

Directory of Published Proceedings ,2003 American Book Publishing Record ,2003 *Wicked Baltimore* Lauren R. Silberman, 2011-09-09 Detailing the salacious history of Baltimore and its denizens from the city s earliest history up to and through Prohibition With nicknames such as Mob Town and Syphilis City no one would deny that Baltimore has its dark side Before shows such as *The Wire* and *Homicide Life on the Streets* brought the city s crime rate to national attention locals entertained themselves with rumors surrounding the mysterious death of writer Edgar Allan Poe and stories about Zelda Fitzgerald wife of author F Scott Fitzgerald who spent time in a Baltimore area sanitarium in the 1930s Tourists make the Inner Harbor one of the most traveled areas in the country but if they would venture a few streets north to The Block on Baltimore Street they would see an area once famous for its burlesque shows It is only the locals who would know to continue north on St Paul to the Owl Bar a former speakeasy that still proudly displays some of its Prohibition era paraphernalia

Mobtown Massacre: Alexander Hanson and the Baltimore Newspaper War of 1812 Josh S. Cutler, 2019 With a bitterly divided nation plunged into the War of 1812 a fiery young Federalist editor named Alexander Hanson risked his life to defend a newspaper that dared express unpopular views His words provoked a violent standoff that crippled the city of Baltimore and left Hanson beaten within an inch of his life This little known episode in American history complete with a midnight jailbreak bloodthirsty mobs and unspeakable acts of torture helped shape the course of war the Federalist Party and the nation s very notion of the freedom of the press Josh Cutler s history of the Mobtown Massacre offers a lesson in liberty that reverberates today

The Hidden Heart of Charm City Katherine Cottle, 2019-10 The Hidden Heart of Charm City Baltimore Letters and Lives makes a compelling argument for the importance of the intimacy literary narrative in getting to know a city through an emotional lens that is otherwise untapped by linear history and geographic landmarks Using the structure of the anatomical heart Cottle brings us through Baltimore s unexplored chambers by amplifying the romantic relationships and tender correspondences that have before now remained unearthed and underground neglected and belittled Igniting the voices of Frederick Douglass Harriet Tubman Lorena Hickok Ralph Waldo Emerson F Scott Fitzgerald and other local powerhouses along with their spouses and intimate partners Cottle invites us into the delicate contested space between the private sphere and the public realm while there she asks us to meditate on its contributions to the larger historical narratives of Baltimore Ultimately The Hidden Heart of Charm City brings its readers to a more intimate understanding of Baltimore by placing the untold stories of its natives at the forefront of its histories It provides us with a soulful unedited account of not only what the city has done for its inhabitants but what it can offer the rest of our nation and beyond

The Chronicles of Baltimore John Thomas Scharf, 1874

The Men of Mobtown Adam Malka, 2018-03-22 What if racialized mass incarceration is not a perversion of our criminal justice system s liberal ideals but rather a natural conclusion Adam Malka raises this disturbing possibility through a gripping look at the origins of modern policing in the influential hub of Baltimore during and after slavery s final decades He argues that America s new professional police forces and prisons were developed to expand not curb the reach of white vigilantes and are best understood as a uniformed wing of the gangs that controlled free black people by branding them and treating them as criminals The post Civil War triumph of liberal ideals thus also marked a triumph of an institutionalized belief in black criminality Mass incarceration may be a recent phenomenon but the problems that undergird the new Jim Crow are very very old As Malka makes clear a real reckoning with this national calamity requires not easy reforms but a deeper more radical effort to overcome the racial legacies encoded into the very DNA of our police institutions

History of the Old Baltimore Conference From the Planting of Methodism in 1773 to the Division of the Conference in 1857 (Classic Reprint) James Edward Armstrong, 2015-07-07 Excerpt from History of the Old Baltimore Conference From the Planting of Methodism in 1773 to the Division of the Conference in 1857 The writer of this History was admitted on trial into the Old Baltimore

Conference at its session in Hagerstown Maryland in March 1853 four years before the division into the Baltimore and East Baltimore Conferences At the same session John S Martin was elected Secretary Five years later James E Armstrong was selected as Assistant Secretary These two served the Conference with entire harmony and with unsurpassed efficiency until the death of Dr Martin in 1888 At the next session March 1889 James E Armstrong was elected to succeed his much loved co worker and has continued in office by unanimous vote of his Conference until this day Thus by personal association with many of the Old Guard and by familiarity with the records of the body from the beginning he is eminently fitted for the work he has essayed in this volume His own long service in the itinerant ranks on circuits stations and districts with unwavering fidelity and unswerving devotion gives ample proof that he has imbibed the spirit of the fathers and has held fast the traditions of the old Conference About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reforming Charm City Dennis P. Halpin, 2012 Reforming Charm City Grassroots Activism and the Making of Modern Baltimore 1877 1920 uses Baltimore as a case study to explore the ways that race class and gender shaped the urban experience in the nineteenth and twentieth century United States This dissertation examines the Progressive Era from the bottom up Far from being quiescent subjects of reform working people built the foundations for equality between 1877 and 1920 Their efforts complicate our understandings of an era too often depicted solely as the triumph of middle class and elite conceptions of order Using court records memoirs vice reports newspapers and government documents this project examines the multiple ways in which Baltimore's disenfranchised residents challenged entrenched powers altered political debates helped establish policies on vice and reshaped the city's residential landscape In so doing it uncovers a largely neglected history of African American reformers who laid the foundation for the twentieth century civil rights movement and defeated the nation's first housing segregation ordinance Similarly it documents how workers and other non elites mounted campaigns to end political corruption and economic exploitation and how women from all of these groups addressed a range of urban woes
