From A Childs Heart:

From a Child's Heart, Into Your Child's Heart Agnes Lui, 2019-11-29 Being a parent is a complex role where many points of the past present and future cross We parents have our past and are in the present with our children but it is they who hold the future Living with them every day for almost twenty years we transmit our subconscious emotional history and beliefs to them Through their intuitive openness our children absorb our unspoken language of what love is or is not What we share intimately with them good and bad they take into the future Our children become the children we have been and pass on their history to the next generation This is my story I turn toward the light and heaven gives me insight beyond my imagination Into Your Child's Heart is not only a gem of a book it is a spiritual journey Agnes Lui takes us from the challenges of being a sensitive and gentle parent into our own hearts She reflects on her own personal history her family of origin and her mix of Chinese and western culture Spirit guides come forward to help her From the precious family relation that of parent and child Agnes Lui takes us into the troubled world we all face today Into Your Child's Heart becomes a deeply meaningful meditation a prayer for world harmony on every level of being We breathe with this author every step of the way in this thoughtful reflective and beautiful book Kathleen Spivack Unspeakable Things With Robert Lowell and His Circle Agnes Lui is a thoughtful spiritual seeker with a big heart She has found wisdom through being a social worker and parent through interactions with a wise spiritual teacher and through dealing with difficulties with her family of origin She shares that wisdom with us and we certainly need it and relates individual pain to the pain the whole world is in Lawrence Kessenich Cinnamon Girl Age of Wonder Before Whose Glory Pearl Honey for a Child's Heart Updated and Expanded Gladys Hunt, 2021-11-02 A modern classic with over 250 000 copies sold Honey for a Child's Heart is a compelling essential guide for parents who want to find the best books for their children ages 0 12 This updated and expanded edition includes a new preface an updated list of recommended reads for each age group and audiobook suggestions A good book is a gateway into a wider world of wonder beauty delight and adventure But children don't stumble onto the best books by themselves They need a parent s help Author Gladys Hunt along with her son Mark discusses everything from how to choose good books for your children to encouraging them to be avid readers Illustrated with drawings from dozens of children's favorites Honey for a Child's Heart Updated and Expanded includes completely updated book lists geared to your child's age and filled with nearly one thousand longtime favorites classics wonderful new books and audiobooks that will enrich your child s life It will also show you how to Understand the importance of being a read aloud family enjoying books together by reading aloud Give your children a large view of the world of truth and of goodness Encourage each child s imagination and good use of language Find the best books for your children Thousands of parents have used this guide to furnish their children's inner spirit with the wonder and delight of good reading Updated and expanded to keep pace with the ever changing world of children's literature it is sure to enrich the cultural and spiritual life of your home **Honey for a Child's Heart** Gladys
